VICTIM IMPACT STATEMENT VIOLENT CRIME PAGE 2

Do you relate to people differently since the crime? Have your feelings about yourself changed?

Please explain.

I'm a mother I protect, I soothe, I fix the things my kids may have had to deal with. I have always been there. This has completely changed me. I'm scared for my kids safety. No social life hardly. I feel guilty for even laughing my son is gone.

How has the crime affected you and your family's lifestyle?

My son was killed the whole family is depressed and trying to put the pieces back together especially after hearing the horrible details of the crime.

Has the crime affected your family's livelihood? If so, how?

Can't sleep, some days skip work, depression, guilt I should of known. My other kids and family feel guilty we didn't notice he was addicted to meth and didn't help him.

Have you experienced any of the following reactions to the crime:

Please describe any other reactions to the crime committed.

fear his friends in high place will come after me and my family.

If a victim consents, the Court may also make restitution in services in lieu of money, or make restitution to a person or organization designated by a victim. If you are interested in this option, please explain. Since my son was killed I have incurred a lot of expenses. I had to move, put my stuff in storage, I lost wages, paid for my plane tickets and also co pays for psychiatric visits and meds.

Do you feel the defendant is or will be a threat to you, your family or the community? ☒ Yes ☐ No  
Please explain.

He has proven, time and time again he will not stop injecting people with meth. Please keep the community safe.

What else would you like the Judge to know about the defendant, the victim or your family.

He needs to never be allowed out. We are cautious because he has money and can pay to have people hurt us.
