Case No. 2:15-cv-05685-GW-AGR

JOINT STIPULATION TO EXTEND CERTAIN DISCOVERY DEADLINES

Judge: Hon. George H. Wu

This Stipulation is entered into between Plaintiffs sanofi-aventis U.S. LLC and Regeneron Pharmaceuticals, Inc. and Defendants Genentech, Inc. and City of Hope (collectively "the Parties"), by and through their respective counsel.

WHEREAS, the Court entered a Scheduling Order on November 2, 2015 (D.I. 37) setting, *inter alia*, the following deadlines:

- Completion of fact discovery — March 4, 2016
- Opening expert reports — April 1, 2016
- Rebuttal expert reports — April 29, 2016
- Reply expert reports — May 13, 2016
- Completion of expert discovery — June 10, 2016

WHEREAS, due to the busy schedules of several fact witnesses, the Parties have been unable, despite their best efforts, to schedule all fact depositions before the deadline for completion of fact discovery;

WHEREAS, the Parties believe that these depositions are necessary to facilitate the development of the Parties' claims and defenses;

WHEREAS, a short extension of the fact and expert discovery deadlines would allow the Parties to conduct the necessary fact depositions and to use the information derived from those depositions during expert discovery;

WHEREAS, the Parties have not requested a previous extension of the schedule before;

WHEREAS, the Parties are not seeking to modify any other deadlines in the schedule, including the deadlines for summary judgment and trial;

WHEREAS, good cause exists to extend the fact and expert discovery deadlines;

The Parties hereby STIPULATE and agree, subject to the Court's approval, that the fact and expert discovery deadlines contained in the Scheduling Order are modified as follows:

- Completion of fact discovery — April 1, 2016
- Opening expert reports — April 15, 2016
- Rebuttal expert reports — May 13, 2016
- Reply expert reports — May 27, 2016
- Completion of expert discovery — June 24, 2016
