UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF CALIFORNIA

SAN FRANCISCO DIVISION

BLUESTONE INNOVATIONS LLC,

Plaintiff,

v.

PHILIPS ELECTRONICS NORTH AMERICA CORP.,

Defendant.

CASE NO. 3:15-cv-05485-SI

STIPULATION TO EXTEND DATES FOR PARTIES' PATENT CONTENTIONS; [~~PROPOSED~~] ORDER

Plaintiff Bluestone Innovations LLC ("Bluestone") and Defendant Philips Electronics North America Corporation ("Philips"), through their respective counsel of record, have stipulated to and request extensions of time to serve their respective contentions under the Patent Local Rules, as explained below.

Bluestone previously requested as a courtesy to counsel a two-week extension of time until July 5, 2016 to serve its claim charts supporting its Infringement Contentions under Patent L.R. 3-1 and 3-2. Philips agreed provided that Bluestone agreed to serve upon Philips a final list of the Philips products that Bluestone accuses of infringement by June 23, 2016, and that Philips would have until September 7, 2016 to serve its Invalidity Contentions under Patent L.R. 3-3 and 3-4 (in view of summer vacations and the Labor Day holiday on September 5), and Bluestone agreed. The parties' stipulation does not affect any other dates in the Court's scheduling order (Dkt. 40), including the date to file a Joint Claim Construction and Prehearing Statement (October 27, 2016) or subsequent dates in the Court's claim construction schedule (i.e., the stipulation does not affect the dates for claim construction briefing, the tutorial, or the claim construction hearing).

Accordingly, the parties respectfully request an Order extending their respective contention dates as explained above.
