ORDER

PER CURIAM

AND NOW, this 17th day of December, 2014, the Petition for Allowance of Appeal is **GRANTED**. The issues, as stated by petitioner, are:

(1) Whether a police officer can knowingly violate the MPJA to investigate an alleged crime outside of their jurisdiction with only reasonable suspicion that a crime might have occurred inside their jurisdiction without coming into contact with Defendant at any time inside the officer's jurisdiction?

(2) Whether the Superior Court erred as a matter of law by not applying the exclusionary rule?
