## ORDER

In a December 15, 2015 motion to extend the time to file its brief, the State has requested a thirty-day extension, citing counsel's workload on non-accelerated appeals as the ground for extension. The present cases are accelerated appeals set for submission on February 1, 2016.

Accordingly, we **GRANT IN PART** the State's motion. We **EXTEND** the time to file the State's brief until **January 8, 2016**. If the State does not file its brief by January 8, 2016, the cases will be submitted without the State's brief.
