Dear Clerk,

My name is Larry Jackson #1517416, incarcerated at the Walls Unit. I received a letter from the Texas State Law Library out of Austin, Texas, stating that a Petition for Discretionary Review file # PD-1656-09 has been returned to the Court of Appeals and stored within the direct appeal case file. If this is correct, I would like to request documents from this file. It is important to know this information, the ruling or opinions regarding this matter.
