Petitioner respectfully request in the Criminal Court of Appeal of Texas that a waiver of $155.00 court fees etc. Petitioner has been placed upon some form of hardship by Respondent and by his or her agents. Petitioner fees for prior court CCC9 has been over payed and in full no return of funds from prior court CCC9 therefore places another hardship upon petitioner. Petitioner has afforded to prior court CCC9 a total of $593 when fees where only $220 (court) and $320 (probation) in fees which places another hardship on petitioner because we were told that it was our problem if we over payed court fee of $593 and another $320 for probation fees which total $913 payed in full therefore leaving petitioner with no grounds in which relief can be granted we pray the Criminal Court of Appeal of Texas grants this request of waiver.
