EX PARTE N.C.

From the 12th District Court
Walker County, Texas
Trial Court No. 26744

Appellant's attorney filed a motion to withdraw and an *Anders* brief in support of that motion. Counsel stated when the items were filed that copies were also sent to appellant. Asserting he had not received them, appellant requested a copy of the motion to withdraw and brief. In the same document, appellant also requested an additional 30 days to file his response.

Although formatted as a letter, the document dated June 30, 2017 which we received from appellant is actually a motion, and all motions must be served on all parties to the appeal and contain proper proof of service. *See* TEX. R. APP. P. 9.5.[1] It was not

Appellant has been warned of the consequences of failing to comply with this requirement before and, with regard to other documents filed since the warning, has complied with it.

Accordingly, appellant's motion is denied.
