vs.

KAMALA DEVI HARRIS,
DONALD JOHN TRUMP,
THE UNITED STATES OF AMERICA,
THE 50 STATES AND COMMONWEALTH
OF THE UNITED STATES,
THE DEMOCRATE PARTY,
THE REPUBLICIAN PARTY

Defendants.

THIS PETITION IS FILED IN ACCORDANCE WITH THE FIRST AMENDMENT AND RELEVANT CASE LAW(S). NO FILING FEE OR OTHER REQUIREMENTS SHOULD BE IMPOSED ON THE PETITIONERS, AS THEY ARE EXERCISING THEIR CONSTITUTIONAL RIGHT TO PARTICIPATE IN THE DEMOCRATIC PROCESS.

To the Honorable Court of the United States District Court, District of Arizona, Tucson,

I, Rene Ortiz, peacefully and patriotically exercising my First Amendment Right, as a concerned US Citizen and a honorably discharged Combat US Marine veteran, to participate in the democratic process and *"the right of the people peaceably to assemble, and to petition the Government for a redress of grievances"* (1st Amendment). I am petitioning this grievance and

1 request an injunction to prevent Vice President Kamala Devi Harris (Harris) and former
2 President Donald John Trump (Trump) from being placed on the ballot for the upcoming election
3 for the Office of President of the United States. Additionally, I request this Honorable Court to
4 order the 50 States and Commonwealth of the United States to have our names, Rene Ortiz and
5 Joseph R. Biden, be included on the ballot as a viable candidate.
6

7 Our names should appear as such:

8 **Rene Ortiz- President/Vice President**

9 **Joseph R Biden- Vice President/President**

10 It is also requested that: 1) a Secret Service detail be assigned to Rene Ortiz for his and his
11 family protection due to the sensibility of the issue before the Court; 2) provide Ortiz with an
12 executive staff for his campaign; 3) have the 50 States, and Commonwealths of the United States
13 announce our petition for the candidacy for the Presidency to the American People via private
14 and public media(s) and set up a forum (TV, Town Hall Meetings and appearances), to present to
15 the American People of ourselves of our intentions and goals and objectives for the U.S..
16

17
18
19 1. ****VP Harris' Suitability****:

20 Harris, currently a prosecutor, has exhibited a failure to enforce the Rule of Law(s) by not
21 addressing Trumps' disqualifications. Her inaction reflects poorly on her suitability to hold an
22 office requiring rigorous law enforcement and moral integrity.
23

24
25 2. ****Trumps' Disqualification****:

26 Trump has multiple legal issues that call into question his credibility, honesty, mental and ability
27 of his competence, and suitability, fitness for office:
28

1 a) *****State of New York et al vs Donald J Trump*****:

2 Conviction for defrauding businesses, misrepresenting himself, and his business
3 corporation for personal gain.

4
5 b) ***** Jane Doe #1 and Jane Doe #2 vs United States*****:

6 Allegations of raping underage girls, including taking turns with Jeffrey Epstein to take
7 girls virginity. Trump is a convicted pedophile and a sexual predator.

8
9
10 c) *****State of New York vs Donald J. Trump *****:

11 Conviction for defrauding the American people by paying “hush” money to a porn star to
12 conceal their affair during his marriage to wife #5 while she was pregnant, when he ran
13 for the Oval Office in 2016. Under the Fraud Doctrine (*US vs Throckmorton*), these
14 conviction of fraud vitiates-nulls and voids, everything related to Trump, to include the
15 American Peoples decision of Trumps’ victory of the 2016 Presidential Election, and
16 nullifies his entire presidential term- all decision(s), Executive Orders, enactment of
17 signing law(s), the selection and nomination of appointees and hires to the US
18 Government, particularly to the Court(s)- are nulled and voided.

19
20
21
22 d) ***** United States vs Donald J. Trump *****:

23 Accusations of taking classified documents from the Oval Office and refusing to return
24 them.
25
26
27
28

1 e) **** Georgia vs Donald J. Trump ****:

2 “A Fulton County grand jury indicted former President Donald Trump and 18 others in a
3 case related to efforts to overturn the 2020 election results. Georgia’s RICO law is the
4 foundation of the 41-count indictment, in which D.A. Fani Willis alleges the defendants
5 conspired to unlawfully change the outcome of the election in favor of Trump.”

6 (wabe,org)
7

8
9 Other concerns pertaining to Trump credibility, suitability, honesty, moral character and fitness
10 for Office:

- 11
- 12 ➤ It is said that Trump speaks 30 untrue statements per a 2-minute period, this is an
13 unacceptable when speaking to the American People as the POTUS.
 - 14 ➤ It is reported by media sources that Trump has accepted assistance and money from
15 foreign governments for his own personal gain when he was in Office. (A treasonous act)
 - 16 ➤ Trump advocated and led the revolt against the US Government to prevent the change of
17 Power; over 1300 citizens (all Republican members and Trump supporters) have been
18 convicted for the participation of the January 6th rebellion against the Government to
19 keep Trump in Office.
 - 20 ➤ Trump has disrespected veterans by calling veterans suckers and losers, not performing
21 his duty as Commander in Chief by not attending military ceremonies but using
22 Arlington National Cemetery for his own political gain.
 - 23 ➤ Trump has also mocked, ridiculed the American People by making fun of people with
24 disabilities.
 - 25 ➤ Trump labeled Mexicans as criminals and rapist.
 - 26
 - 27
 - 28

- It appears that Trump has disdained for the American People yet seeks the position of the Oval Office to be a dictator (for a day) and seek revenge against his political opponents.
- These legal actions and his and supporters of his rebellion against the American People to keep Donald J. Trump in power, raises significant concerns about his suitability to hold the highest office in the land. Harris' failure to address these issues also questions her suitability.
- Trump also used political party (the Republican Party) members to create fake electors to claim that Trump was the winner of the 2020 Presidential Election in several States, such GA, AZ, MI, and WI. It may be considered that Trump may attempt to conduct the same illegal operation in this election cycle.

3. ****Rene Ortiz's Qualifications****:

I, Rene Ortiz, am a Combat US Marine Veteran with an Honorable discharge and a record of service characterized by honor and integrity. My DD214 has been verified and validated by the Department of Veterans Affairs as a true and accurate record of my Honorable service. My qualifications and character align with the high standards required for the Office of President. Therefore, I respectfully request that our names, (Ortiz & Biden) be placed on the ballot as a candidate, as we meet the Constitutional requirements for the Office and have sworn to support and defend the Constitution against all enemies foreign and domestic such the likes of Trump- a threat to democracy and the American way of Life.

1 4. ****Requests for Additional Relief****:

2 a) ****Secretary of State Response****:

3 I request that each Secretary of State of the 50 States and Commonwealths, the
4 candidates- Harris ad Trump, respond to this injunction to defend their actions regarding
5 the acceptance of these candidates' petitions to be on the ballot.

6 a. *“Where rights secured by the Constitution are involved, there can be no rule*
7 *making or legislation which would abrogate them”*. Miranda v. Arizona, 384 U.S.
8 436, 491;

9 b. *“A fundamental right may not be abridged without a compelling state interest”*.
10 *Curry v. Planning and Zoning Commission of Town of Guilford*, 376 A.2d 79,
11 34;

12 c. *“All laws which are repugnant to the Constitution are null and void”*. Marbury v.
13 Madison, 5 U.S. (Cranch) 137, 174 (1803);

14 IAW the Constitution and case law(s) (above and others) the government (this Court and
15 States and Commonwealths) cannot prevent, interfere, set a standard, enact law(s) or
16 charge a fee for exercising a right; therefore, I request that our names be placed on the
17 ballot without prejudice or recourse, question or hesitation by September 27, 2024 to
18 ensure our names are on the ballot.
19
20
21
22

23 b) ****Fraud Doctrine Application****:

24 Given that Donald J. Trump has committed and been convicted of fraud against voters in
25 his 2016 presidential campaign and allegations of the same fraudulent actions in Trumps'
26 2020 Presidential run, I request that, under the Fraud Doctrine, Trump entire 2016
27
28

1 presidential term be declared null and void. All actions and decisions made during his
2 term should also be annulled, as well as the removal of all appointees and hirees to any
3 position in the Government, especially the appointment of Justices to all Courts due to
4 fraud as fraud vitiates everything. Trumps incompetence has been cancerous and has
5 spread to all parts of the Government especially the Courts. For example, the Department
6 of Veterans Affairs granted benefits to unauthorized personnel; the Supreme Court
7 authorized persons the legal standing to sue in Court, when they did not nor have
8 previous legal standing.
9

10
11 c) Trumps' stupidity and racist views has spread across the country; and his racist views and
12 comments has been received and endorsed by radical and racist organizations/groups
13 such as the Ku Klux Klan, the Proud Boys, American Nazi Party, Aryan Brotherhood of
14 Texas, National Alliance, a white supremacist political organization, White America,
15 Inc, and other groups and organization against democracy and the Will of the People.
16

17
18
19 d) ****Prosecution of 2016 Term****:

20 This matter should be referred to the US Government prosecution office to erase the 2016
21 presidential term from recorded history, this action is based on the fraud doctrine and the
22 Government should vitiate everything Trump has touched.
23

24
25 In closing the Court should take this issue before the Court seriously as the future of this country
26 lays in the balance of a state of confusion and chaos. This grievance/complaint injunction is to
27 test the balance and separation of power and authority of the three branches, and also test the
28 integrity and honor of the Judicial Branch to act honorably, impartial and to uphold and enforce

1 the Rule of Law; This grievance is also to test a single citizen power and authority he/she
2 possesses, under the U.S. Constitution, to peacefully and patriotically “rebel” litigiously against
3 the current ideologies and standards of the democracy of the US Government. If this Court
4 refuses or fails to hear this issue, or by ordering the States and Commonwealths and U.S.
5 Governments to comply with this injunction, it may be concluded that the Judicial, Executive
6 and Legislative Branches of the Government may be “corrupt”, been breached (overtaken by a
7 corrupt power) or under the control of a threatening force, which renders the States,
8 Commonwealth and U.S. Governments inactive, inoperable, and ineffective to meet the needs
9 the American people by refusing to uphold and enforce the Rule of Law.

10 Therefore, I request that the Court order the 50 States, and Commonwealths of the United States
11 to: 1) remove the names of Harris and Trump from the presidential ballot of the 50 States, and
12 Commonwealths of the United States; 2) place our names (Ortiz, Biden) on the presidential
13 ballots of the 50 States, and Commonwealths of the United States; 3) provide Ortiz with Secret
14 Service detail for his and his family protection; 4) provide Ortiz an executive staff for their
15 presidential campaign; 5) order the Executive Branch to begin the investigation and prosecution
16 of Trumps’ fraudulent 2016 Presidential victory and erase and nullify Trumps’ Presidential term;
17 6) order the Executive Branch to prosecute Trump under this filed petition, as it is not the duty
18 nor the responsibility of a single citizen (Ortiz) to undertake such the endeavor, nor enforce or
19 uphold the Rule of Law. The Judicial Branch was not established to hear the complaints of a
20 grieved party, it is established to uphold and enforce the Rule of Law against all citizens and the
21 States, Commonwealth of the United States and the U.S. Governments, thus the Court is charged
22 with upholding and enforcing the Rule of Law and reestablish order and justices for all, as the
23 US Constitution was created to provide equal protection of all.

24 Thank you for your consideration of this urgent matter.

25 Respectfully submitted,

26
