**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

EDDIE L. CRESSY,  
Plaintiff,

v.

OM FINANCIAL LIFE INSURANCE  
COMPANY; OGAN FINANCIAL  
GROUP, INC.; PARAMOUNT  
FINANCIAL SERVICES, INC.;  
DOUGLAS ANDREW; and  
KENNETH R. OGAN, JR.;

Defendants.

) CASE NO.: LA CV11-5871-JAK (JCx)

) Hon. John A. Kronstadt

) **FINAL JUDGMENT JS-6**

1 This action came on for hearing before the Court on Defendants' motions to  
2 dismiss the Second Amended Complaint (Dkt. 117, 118), Defendants' motions for  
3 review of Magistrate Judge Choolijian's order denying a stay of discovery (Dkt. 80,  
4 82), and Defendants' motions to strike Plaintiff's notice of intervening authority (Dkt.  
5 140, 141).

6 Pursuant to the Court order of May 8, 2013 (Dkt. 143) granting the motions to  
7 dismiss in part, IT IS HEREBY ADJUDGED that Plaintiff's RICO causes of action  
8 are dismissed with prejudice. The Court makes no ruling or judgment on Plaintiff's  
9 state law causes of action, declines to exercise supplemental jurisdiction over these  
10 causes of action, and dismisses the state law causes of action without prejudice to their  
11 being re-filed in state court. The Court stays the effect of this judgment and of its  
12 May 9, 2013 order until the earlier of the re-filing of this action in state court or 60  
13 days from the entry of the May 9, 2013 order. All other pending motions are denied  
14 as moot.
