California Institute of Technology

As a result of the Court-ordered mediation (Case No. 2:15-cv-01108-MRP (JEM) Dkt. 42; Case No. 2:13-cv-7245-MRP (JEM) Dkt. 385), which occurred on August 5, the parties have been actively discussing a proposal to resolve the dispute through binding arbitration. A determination of whether this approach is acceptable to the parties requires considerable negotiation and consideration over the details of the proposed arbitration which the parties have been unable to complete since the mediation. In light of vacation schedules, the parties believe that an additional 30 days is necessary to determine whether they can jointly agree to binding arbitration. The parties respectfully request the Court set a new date for an additional status report to September 14, 2015.

DATED: August 14, 2015 Respectfully submitted,

By: */s/James R. Asperger*
