Plaintiffs sanofi-aventis U.S. LLC and Regeneron Pharmaceuticals, Inc. and Defendants Genentech, Inc. and City of Hope (collectively "the Parties"), by and through their respective counsel, stipulate to and propose moving the date of technology tutorial hearing in this matter from June 20, 2016 to July 11, 2016, or to another future date convenient to the Court's calendar, in view of the following:

WHEREAS, a technology tutorial hearing is currently scheduled in this matter for June 20, 2016 (D.I. 37);

WHEREAS, the parties are engaged in expert discovery and currently have nine expert depositions scheduled during the weeks of June 6, June 13, and June 20, before expert discovery closes on June 24, 2016 (D.I. 64);

WHEREAS, the summary judgment hearing in this litigation is not until August 18, 2016 (D.I. 37); and

WHEREAS, a technology tutorial hearing in the co-pending case of *Genzyme Corp. v. Genentech, Inc.*, Case No. CV-15-991-GW(AGRx) (C.D. Cal.) ("the *Genzyme* litigation"), which relates to the same patent-in-suit in this litigation is currently scheduled for July 11, 2016 at 8:30 a.m. (D.I. 48);

WHEREAS, good cause exists to move the technology tutorial in this case to July 11, 2016, the same day as the tutorial in the *Genzyme* litigation, in view of the fact that the same patent-in-suit is at issue in both litigations, and in view of the fact that as currently scheduled, the technology tutorial in this case would occur almost two months before the summary judgment hearing and falls during a particularly busy period of expert discovery;

The Parties hereby STIPULATE and propose, subject to the Court's approval, that the technology tutorial in this litigation be moved to July 11, 2016 at 8:30 a.m. to coincide with the technology tutorial in the *Genzyme* litigation, or at a future date and time convenient to the Court, to facilitate one technology tutorial for both this litigation and the *Genzyme* litigation.
