Reflection sample 2

CASE NO. 1:15 CV 1053 Ledford v. Newmark - i will be refiling these actions to the courts as the FBI investigates these allegations in RI at this time to the threats of my children .and make me beg for their lives sense all this has started . 2010

I Kristine Ledford aka Annette Wilson filed this action against Craigslist founder Craig Newmark, Craigslist Chief Executive Officer James Buckmaster, and Craigslist.org. In the Complaint (Doc. # 1-1), Plaintiff asserts someone at Craigslist.org reported to Oregon police I

was promoting prostitution, resulting in her arrest. My claims I was slandered in a news report and seeks monetary damages.

I. BACKGROUND wrongful arrest 2008-09-2010 -

that in 2010, I operated a massage business out of her home and in various hotels in the State of Oregon. I stated that I used the Craigslist.org website to post advertisements related to her massage business. On June 30, 2010, Plaintiff and twelve of her clients were arrested and charged with engaging in prostitution. I Kristine led-ford contends she did not exchange in sexual activity for money and was not guilty of prostitution. She alleges the Defendants contacted local law enforcement to report a false prostitution sting "in hopes of getting in local law enforcement['s] good graces due to the repeated reports of destructive actions caused by Craigslist.org and there [sic] allowing prostitution on their website (craigslist.org)." (Doc. #1-1 at 2). She contends I was slandered online in Medford, Oregon and Central Point, Oregon by a local newspaper, the Medford City Buzz, posted under examiner. She seeks \$ 2,500,000.00 from the Defendants. Caused massive out radge brake and harassing at all times on so many levels even today but yet I'm still celibate for my religious reasons its not monies its not sex but act of commitment love act or in some cases film act .

I am filing on Oregon 1 million each count on my record that don't belong to me that pertains to not fowling through with investigations

prostitution cases and collaboration during the time of being signed information specialist and picking fowling through with investigation .

Use of credit card

brake ins to my home my mike Robertson and party

brake into my house ganaell deheart and boyfriend Eric stealing cashing ssi check and shopping with it.

brake into my house misty Skinner and sadona vickers stealing 8000 in property

use of signing my name to a check book sadona vickers

my stabbing and rape molestation to me and Rickee by a Jim Benson And use of my name total of 14 charges that are not mine

theft and paid for furniture I paid for through Nelly Baldwin landlord where my ssi went to her account 2008- 10,000 plus went into her account -who's husband was involved in the prostitution rings at through a laundry mat online gambling young ladies and monies in and out of Oregon through sites mail cameras inside the mat connected to our missing children in Oregon ,

prostitution rings why and informant - using another informant that held my daughter at knife point then locked my child in room pointing knife at me my daughter who tried to kill her self saying sorry mommy mom sorry honey its okay my home being broke into driving parking in a handicap spot who sister tried to bait me in Ashland Oregon to prostitute her

out I ended up calling the sheriff department the same department that told me to make it look good the department trapping you again with another informant .

reflection case that Mr. Costello to Tom Cruises and Depps and knows Mark Walburge

body guard see text messages

I Kristine Ledford aka Annette Wilson filed this Complaint against actor Mark Walberg and the former music group, New Kids on the Block. In the Complaint, by me Kristine Ledford Walberg is holding some of her personal property and has information that could lead to the conviction of **Carl James Wilson for helping rape rape of children stocking trying to commit murder by strangulation of his grandchild why epecting** She seeks monetary damages to Mark Walburge the . the actor, result in the conviction of **Carl James Wilson** on child molestation charges and helping his son Audie James Wilson who raped his sister Carleena Wilson and get away with rape she had a voice know-one heard All us victims do one things rape abuse we take our hands hold the to the ground flat for the lord create our balance our justice . I contends Walberg has a letter written in 2003 which pertains to Haley Bettes, being found in bed with her father **Carl Wilson** I removed Haley and dropped the tape in the mail along letters and domestic violence tapes pertaining to Steven Bettes that Robyn Wilson wanted so bad that is where Robyn Wilson got meth from reason I left Steven , and tapes of Wilson from 1989 killing a dog hanna singing little mermaid or art of beauty bell through 2000 of Steven bettes . She states one of the tapes provides evidence of kidnapping of Haley bettes threats killing his mother I'd never see my children again 2000 to letters on Danny Baker who is at large right now for rapeing 4moth old 13 and 16 year old

and women as the assault on me by baker and ex husband and running away . So I Kristine Ledford v. Wahlberg I do and have alleged Walberg is also holding poetry books from North Shore Junior High School that Jordan knight says they still have , medals from the Special Olympics, children's books, and a sword shipped to her in 2001. I indicated that mark Walberg was on tour marky mark and the funky bunch along with New Kids on the Block tour tapes 1989 in Medford, Oregon in 1991 mark made me climb a fence to take my song Rain, forever and everlasting latter sang by joey mac member without my permission singing my songs outside of the private entrance fence to one of the mark walburges members of his band . I was seeking \$ 8,700,000.00 from New Kids on the Block I'm now asking for double. See text messages Jordan knight why talking and text with Jordan he is the only one to want to try but still it's nice when I talk to him , over the past 7 years talking to Jordan through all this and more Jordan knight is only one step up I cant say much about all these bands letters things they say and Starr but the hope the court will But Ill be leaving this in the hand of the court .

\$900,000.00 from Walberg, and 3% royalties on all of Walburge films from 2003 the the present date . I have asked begging that mark come forward to approach mark last year on set one of his films on the way workout and batting cadge practice - asking the polygraph on Rickee Ann Marie bettes that Robyn Wilson drudged Rickee after I left Steven to move to Washington find a place get the girls running to the hospital after I left to get them in her care she gave Rickee medication to sleep for Carl Wilson to molest her. Carl Wilson mother told me what he had done

Starr brought mark up in the voicemail tapes to hurt me abuse during the time of Depp

and other games Starr Wilson credit on my record staking me all over the planet that her misty Steven and anyone in his or her family to talk hurt my girls and that all fact be looked at by the court to damages to me this pain they inflict for no reason other then attention hurt to get me to as starr say we are to and supposed to be together and then she flips out .

Asking John Depp pay all monies

- asking twenty five million dollars
- all medical bills and pain suffering the fashion line that Depp did not pay for as well see documents.
- Another two million for-all therapy plus each domestic violent unit paid and all other surgeries that need to be done paid by Depp .

Thank you
