Defendants.

Case No.: 8:23-cv-10169-SPG
 (ADSx)

**DECLARATION OF CLARENCE
 RIGALI IN SUPPORT OF
 PLAINTIFFS' MOTION FOR
 PRELIMINARY INJUNCTION**

42 U.S.C. §§ 1983 & 1988

Hearing Date: March 13, 2024
 Hearing Time: 1:30 p.m.
 Courtroom: 5C
 Judge: Hon. Sherilyn Peace Garnett

DECLARATION OF CLARENCE RIGALI

1
2 1. I, Clarence Rigali, am a plaintiff in the above-entitled action. I make this
3 declaration of my own personal knowledge and, if called as a witness, I could and
4 would testify competently to the truth of the matters set forth herein.

5 2. I am a current resident of Los Angeles County, California and reside within
6 the City of La Verne.

7 3. I am a law-abiding adult who is not prohibited from owning firearms under
8 the laws of the United States of America or the state of California. I am a member
9 of the California Rifle & Pistol Association, another plaintiff in this matter.

10 4. I am sixty years of age and disabled. I worked as a Union Millwright from
11 1981 until 2003, when I was injured in a serious power plant accident causing my
12 disability.

13 5. I possess a Utah CCW permit, which required a background check and a
14 safety course to obtain.

15 6. I live in a senior citizen mobile home park on a fixed income. Because of
16 this, the total expense of getting a CCW permit from the La Verne Police
17 Department, which is somewhere between \$900-\$1100 depending on the cost of the
18 training course, is out of the question for me. I have been priced out of my
19 constitutional right to bear arms.

20 7. I also object to the psychological exam La Verne requires, which is an
21 unconstitutional suitability determination. Part of the reason for my objection is my
22 terrible prior experience with psychologists.

23 8. When I sustained my work-related injury in 2003, I had between 240 – 480
24 volts of electricity enter my left forearm and exit both sides of my head, melting the
25 metal fillings in my teeth as it passed through. A protracted lawsuit ensued
26 following that injury, and I was sent to several antagonistic psychologists for
27 examination as the defense tried to disprove his injuries.

28 9. That horrible experience has made me especially apprehensive about

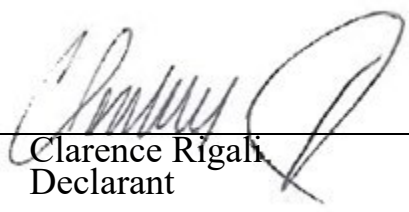

1 subjecting myself to another such exam, let alone as a precondition to exercising an
2 enumerated constitutional right.

3 10. Further, La Verne requires that applicants undergo psychological exams not
4 locally, but in San Bernardino, 35 miles away. Such a travel requirement to be
5 issued a permit to exercise a right represents an infringement of the right to bear
6 arms that would be permitted in no other constitutional context, particularly given
7 my disability.

8 11. To make matters worse, I understand that due to a recent change in
9 California law “uncapping” the prior \$150 maximum that may be charged for the
10 psychological exam, La Verne is rumored to be raising the price of the exam by an
11 additional \$250, putting the total expense of obtaining a permit at around \$1,200 or
12 more, depending on the cost of the training course.

13 12. I pray this Court will help me and others in similar situations. La Verne
14 should either be ordered to lower its fees dramatically, or alternatively, this Court
15 should force California to honor my Utah CCW permit.

16
17 I declare under penalty of perjury that the foregoing is true and correct.
18 Executed within the United States on January 12, 2024.
