CASE NO: 8:23-cv-10169-SPG
(ADSx)

**EVIDENTIARY OBJECTION
AND MOTION TO STRIKE
DECLARATION OF
PROFESSOR ROBERT SPITZER
IN SUPPORT OF
DEFENDANT ROBERT
BONTA'S OPPOSITION TO
PLAINTIFFS' MOTION FOR
PRELIMINARY INJUNCTION**

Hearing Date: March 13, 2024
Hearing Time: 1:30 p.m.
Courtroom: 5C
Judge: Hon. Sherilyn Peace Garnett

TO THE HONORABLE COURT:

Plaintiffs California Rifle & Pistol Association, Incorporated, The Second Amendment Foundation, Gun Owners of America, Inc., Gun Owners Foundation, Gun Owners of California, Inc., Erick Velasquez, Charles Messel, Brian Weimer, Clarence Rigali, Keith Reeves, Cynthia Gabaldon, and Stephen Hoover hereby jointly object, pursuant to Federal Rules of Evidence 401, 402, 602, 702, and 703, to the Declaration of Professor Robert Spitzer, lodged by Defendant Robert Bonta, in support of his opposition to Plaintiffs' Motion for Preliminary Injunction. These objections are raised on the following grounds and as to the following matters contained within the declaration:

1. Objection to ¶ 10:

Foundation (Fed. R. Evid. 602, 702 & 703): Declarant provides no foundation for the purported characterization of the historical laws that he describes. No source materials are provided or referenced for the Court to understand the declarant's source for this claim.

2. Objection to ¶¶ 21 through 24:

Foundation (Fed. R. Evid. 602, 702 & 703): Declarant provides no foundation for the purported characterization of the historical laws that he describes. No source materials are provided or referenced for the Court to understand the declarant's source for this claim.

Relevancy (Fed. R. Evid. 401 & 402): That there were historical carry license laws that gave discretion to issuing authorities has no relevance because *New York State Rifle & Pistol Association v. Bruen* established the *right* to be armed outside of the home and declared such broad discretion unconstitutional.

3. Objection to ¶ 41:

Relevancy (Fed. R. Evid. 401 & 402): Gunpower regulations have no relevancy to any of the carry-specific policies at issue in this litigation.

1 4. Objection to ¶¶ 43 through 45:

2 Relevancy (Fed. R. Evid. 401 & 402): Licensing is not generally at issue in
3 this litigation. Thus, historical commercial licensing regulations that impacted
4 firearms in some commercial manner are not relevant.

5 5. Objection to ¶¶ 46 through 48:

6 Relevancy (Fed. R. Evid. 401 & 402): Firearm commerce record-keeping
7 requirements have no relevancy to the carry-specific issues here in this litigation.

8 6. Objection to ¶¶ 52 through 57:

9 Relevancy (Fed. R. Evid. 401 & 402): Plaintiffs do not challenge any mental
10 health-related restrictions in this action. That there may be some historical support
11 for the broad proposition that mentally ill or abnormal people were barred from
12 possessing firearms is simply not at issue in this case.

13 7. Objection to ¶¶ 58 through 72:

14 Relevancy (Fed. R. Evid. 401 & 402): Historical laws that restricted
15 intoxicated people or habitually intoxicated people from possessing firearms has no
16 bearing on the carry license issuing criteria and politics at issue in this case.

17 8. Objection to ¶¶ 73 & 74:

18 Relevancy (Fed. R. Evid. 401 & 402): Hunting-related firearms statutes that
19 regulated non-local residents differently than local residents, from pre-Ratification,
20 the immediate antebellum era, and Reconstruction era have no bearing on the carry
21 license issuing criteria and politics at issue in this case. These statutes also imposed
22 harsher penalties on non-local residents; they didn't bar non-local residents from a
23 privilege granted to locals only.

Respectfully submitted,

Dated: February 28, 2024

MICHEL & ASSOCIATES, P.C.
