Learning the laws regulating the use of firearms is a must for responsible ownership. Local regulations differ and laws vary from state to state. Citizens must check with the jurisdiction where the firearm is to be used.

In California, the Sheriffs and their staff are required to follow strict state and local guidelines when performing the necessary background checks for issuing Carry Concealed Weapon licenses. Due to the detailed nature involved with conducting these background checks, appointment times and processing times can take multiple weeks. During the application process, the applicant will be asked to schedule an interview appointment for a new Carry Concealed Weapon license.

INITIAL applicants will be required to attend an (16) hour CCW training course and qualification. RENEWAL applicants will be required to attend a (8) CCW training course and qualification. ALL applicants must use a training vendor from the list below or attend the CCW training and qualification at the Riverside County Sheriff's training locations.

Gaining competency with firearms is like learning to drive a car or fly an airplane. You need expert instruction and practice. There is no shortcut. If you are not willing to invest the time and effort to become competent, then having a firearm and trying to use it can, in many instances, be more hazardous than any impending threat.

Concealed Carry Weapon License Requirements: ^{must} meet ALL requirements

Authority

California Penal Code sections 26150 and 26155 provide that a Sheriff of a county or the Chief or other head of municipal police department of any city, or city and county, shall issue or renew a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (Concealed Carry Weapon license).

Who Shall be Issued a License

The licensing authority specified in Penal Code sections 26150 and 26155 shall issue a license to persons who are not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202, meet residential requirements, and have completed a course of training. All applicants for a Concealed Carry Weapon license will be fingerprinted and state and federal records will be checked to determine if they are eligible to possess firearms. Completing the Application

California Penal Code sections 26150 and 26155 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county shall issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). Penal Code section 26175 requires the Attorney General to prescribe a statewide standard application form for a CCW license. Answering all the questions on the Application does not guarantee the issuance of a Concealed Weapon Permit. The determination whether to issue the license is at the discretion of the licensing authority. Pursuant to California Penal Code section 26160, each licensing authority will have a written policy summarizing their requirements for issuance of a Concealed Weapon Permit. In addition, prior to issuing a Concealed Weapon Permit, the California State Statutes require proof that:

- The applicant is not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202;
- The applicant is at least 21 years of age, and presents clear evidence of the person’s identity and age, as defined in Penal Code 16400;
- The applicant is a resident of that city or city and county. Prima facie evidence of residency within the county or a city within the county includes, but is not limited to, the address where the applicant is registered to vote, the applicant’s filing of a homeowner’s property tax exemption, and other acts, occurrences, or events that indicate presence in the county or a city within the county is more than temporary or transient. The presumption of residency in the county or city within the county may be rebutted by satisfactory evidence that the applicant’s primary residence is in another county or city within the county;
- The course of training prescribed by the licensing authority has been completed.
- The applicant is the recorded owner, with the Department of Justice, of the pistol, revolver, or other firearm for which the license will be issued.

Character References

You will need to provide the names and contact information of three persons willing to serve as references. One of the three must be a person described in Penal Code section 273.5, subdivision (b) (your spouse, or former spouse, your cohabitant or former cohabitant, your fiancée, or someone with whom you have, or previously had, an engagement or dating relationship, or the mother or father of your child), if applicable. At least one of the three must be your cohabitant if applicable.
