

- iii. CHS traveled to London on or around 10/7/2019 to 10/11/2019 to conduct an unrelated joint UCO with the UK's National Crime Agency. SA [REDACTED] SA [REDACTED] and an FBI UCE traveled with the CHS for this operation which is document in 205B-CV-2188045, Serial 185, as well as 281H-SF-2074415, Serial 159. After the operations ceased, CHS advised SA [REDACTED] that he planned to meet with [REDACTED] who was also in London at such time, to discuss unrelated business matters.
- iv. **Follow-up:** confirm CHS's travel in 2015 and follow-up with [REDACTED] regarding how the CHS claims he arrived in Vienna for the meeting with Zlochevsky and [REDACTED] – did he fly into the Vienna airport or travel there from somewhere else in Europe?
 1. **FBI PG Response:** The CHS handler provided photos of the CHS's passport as well as CBP travel records. See further detail at "1021 Validation – CHS Meeting Re Burisma – 32801." However, the CHS handler noted that the CHS travels very frequently and had travelled to Ukraine and London on multiple occasions during the relevant time periods, so it would be difficult to pinpoint the meeting. If necessary, the CHS handler could request that the CHS attempt to locate old credit card paperwork to further pinpoint the travel.
 - a. (U//FOUO) Per CHS handler: CHS's passport shows he/she entered Ukraine on 5/22/2015 and left on 5/23/2015, reentered again on 10/10/2015 and left on 10/12/2015; reentered again on 11/30/2015 and exited on 12/6/2015. CBP records provided by the handler indicate CHS did not travel inbound/outbound around the times in question. These records would only indicate points of arrival/departure and would not indicate any countries which may have been visited by the CHS in these timeframes.
- c. Does CHS know anything about the key people named by Guralnik: Lisina, Gorbunenko, Vaganov, and Kicha, others?
 - i. **FBI PG Response:** On July 9, 2020, FBP PG provided a list of names to the CHS handler to see if the CHS had any contact with them. This included: Guralnik, Lisinia, Mykola Boichuk, Sunrise Energy Resources, Pari Energy, Pavel Vaganov, Gorbunenko, Anrey Kicha, Alexey Leonov, Irena Krotenko, Alpeco Investments, [REDACTED] Vadim Pojarskii, Karina Zlochevska, Writ Media.  - viii. (U//FOUO) Considering the current reporting is historical in nature, previous reporting does not reveal the 2015/2016 introduction.
- h. Review the case file for this Assessment for all references to Burisma, Zlochevsky or related companies paying approximately \$5 million to Hunter Biden or VP Biden, including the Guralnik 302.
- i. FBI PG Response: PG has reviewed the case file and has not identified additional critical taskings at present. FBI PG notes this is an ongoing process, and that new information will continue to arise in this and any investigation which necessitate a fulsome analysis of existing investigative findings. PG anticipates

this process to continue as long as PG has an Assessment or predicated investigation.

i. How would/did Mykola Zlochevsky communicate with the Bidens?

i. *FBI PG Response: Per CHS Handler, the CHS has no information in this regard.*

Items for Consideration (likely necessitating a predicated investigation):

1. Further CHS corroboration:
 - a. Validation of the CHS and information provided by the CHS is ongoing in a joint effort between FBI Pittsburgh and FBI Headquarters. (*See CHS Validation – Working Copy*)
 - b. Further assess [REDACTED] through third party FBI interview/ops test; telephone/coms facilities analysis; comparison of current reporting against other CHSs/CHS reporting (re: allegation.
 - c. Review CHS's travel with the CHS to determine estimated timing of in-person meetings with MZ.
 - d. If not obtained – CHS's knowledge of the people identified by Guralnik, Costello, and Giuliani
 - e. Cellebrite CHS phone for potential WhatsApp conversations or text messages (CHS may have provided this information to CHS Handler in the past)
 - f. Determine if there is any overlap between S-32801 and [REDACTED]
 - i. PG recommends this happens between handlers with HQ validation of crossover, including discussion of whether it would be helpful to check if either person's name hits [REDACTED]
 - g. Coordinate with OGA partners on reporting related to dates, places, and persons of interest. A predicated case will better facilitate communications with partner OGAs.
