Re: *United States v. Donald J. Trump*, No. 23-3190
(Argued November 20, 2023)

Dear Mr. Langer:

The Government submits this letter pursuant to Federal Rule of Appellate Procedure 28(j), to notify the Court of a document filed on November 22, 2023, in connection with the appeal of an order imposed in *New York v. Trump, et al.*, Index No. 452564/2022, which was referenced in the parties' briefing, *see* Govt. Br. at 6-7; Def. Reply at 2, 9, and arises out of an incident that the district court discussed at the October 16, 2023 hearing, *see* JA.192-93. Specifically, the Government refers the Court to Exhibit E to the attached affidavit, which is a sworn affirmation by an employee of the New York State Unified Court System, assigned to the Judicial Threats Assessment Unit, discussing the defendant's October 3, 2023 social media post, which "resulted in hundreds of threatening and harassing voicemail messages that have been transcribed into over 275 single spaced pages."

Because the parties referenced this matter in their briefs, and the Court inquired at oral argument about evidence of ongoing threats and harassment, the Government respectfully submits Exhibit E (and the related documents, for completeness) as supplemental authority.

Respectfully,

**AFFIRMATION
IN OPPOSITION**

Petitioners,

for a Judgment pursuant to Article 78
of the Civil Practice Law and Rules

-against-

THE HONORABLE ARTHUR F. ENGORON,
J.S.C., AND PEOPLE OF THE STATE OF NEW YORK
by LETITIA JAMES, ATTORNEY GENERAL OF THE
STATE OF NEW YORK,

Respondents.

LISA M. EVANS, an attorney duly admitted to practice law before the Courts of the
State of New York, affirms under penalties of perjury, the truth of the following:

1. I am a Deputy Counsel in the Office of Court Administration of the State of New
York, and am of counsel to David Nocenti, attorney for Justice Arthur F. Engoron, a Justice of the
Supreme Court, New York County (“Justice Engoron”). I make this affirmation in opposition to
Petitioners’ request for a stay of the enforcement of the limited gag orders issued by Justice
Engoron in *People of the State of New York v. Donald Trump, et al.*, Index No. 452564/2022.

2. On or about November 16, 2023, Petitioners filed the within Article 78 proceeding by Order to Show Cause, seeking, *inter alia*, a stay of four gag orders issued by Justice Engoron in an ongoing trial before him pending an adjudication of their article 78 petition. On October 3, 2023, Justice Engoron issued a limited gag order prohibiting all parties in the underlying action from making any public statements about members of his staff (See October 3, 2023 Transcript annexed hereto as Exhibit A). On October 20, 2023, the court issued its second order sanctioning Petitioner Donald J. Trump for violating the October 3, 2023 order for failing to remove a disparaging and untrue post of his law clerk from his web site (See October 20, 2023 Order annexed hereto as Exhibit B).

3. The Court issued its third order on October 26, 2023, again sanctioning Donald J. Trump for violating the October 3, 2023 gag order on October 25, 2023, when Mr. Trump, during a break in the trial, made the following statement to the press outside of the courtroom: “This judge is a very partisan judge with a person who’s very partisan sitting alongside him, perhaps even more partisan than he is.” The Court found that this statement was referring to his Principal Law Clerk and in violation of the October 3, 2023 order (See October 26, 2023 Order annexed hereto as Exhibit C). On November 3, 2023, the Court issued a fourth order prohibiting “all counsel from making any public statements, in or out of court, that refer to *any* confidential communications, in any form, between my staff and me.” (See November 3, 2023 Order annexed as Exhibit D).

4. Petitioners’ application for a stay of the gag orders pending the adjudication of the within article 78 proceeding should be denied. Petitioners have no likelihood of success on the merits. By this proceeding, petitioners are seeking the extraordinary remedy of prohibition which “lies only where there is a clear legal right and only when the body or officer acts or threatens to

act without jurisdiction over which it has no power over the subject matter or *where* it exceed[s] its authorized powers in a proceeding over which it has jurisdiction.” *Hirschfeld v. Friedman*, 307 A. D. 2d 856, 858 (1st Dep’t 2003) quoting *Matter of Holtzman v. Goldman*, 71 N.Y. 2d 564, 569 (1988). “Prohibition is never available merely to correct or prevent trial errors of substantive law or procedure, however grievous.” *Matter of Hirschfeld*, 307 A. D. 2d at 858.

5. Petitioners cannot establish that they have a clear legal right to the relief sought. Petitioners allege that the gag orders violate their First Amendment Right to free speech. While prior restraints are viewed with a strong presumption against their validity, this Court has recognized that “reasonable limitations may be placed on speech where an important countervailing interest is being served.” *Fischetti v. Scherer*, 44 A.D. 3d 89, 93 (1st Dep’t 2007) Here, as set forth in the Affirmation of Charles Hollon annexed hereto as Exhibit E, it is unquestionable that the conduct engaged in by Petitioners -- the deluge of the court’s chambers phone and the law clerk’s personal cell phone, personal emails and social media accounts with hundreds of threatening, harassing, disparaging and antisemitic messages -- which threatens the safety of court staff is the type of countervailing interest being served that warrants the imposition of the limited gag orders imposed by the Court.

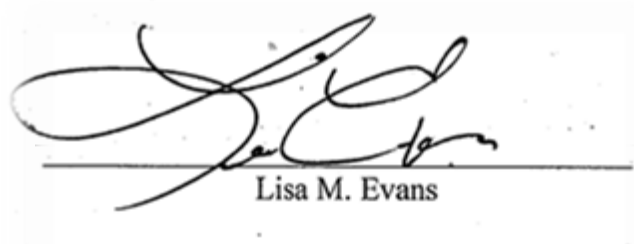

6. The First Amendment does not prohibit courts from limiting speech that threatens the safety of the court’s staff. Courts have broad discretion to control the conduct of litigants and attorneys in ongoing proceedings. *Sheppard v. Maxwell*, 384 U. S. 333, 363 (1966) (“The Court must take such steps by rule and regulation that will protect their process from prejudicial interference.”). Here, the Court reasonably determined that the limited gag orders were necessary for the protection of its staff and to protect the ongoing trial from prejudicial interferences. While

freedom of expression is given wide range, “it must not be allowed to divert the trial from the very purpose of a court system to adjudicate controversies, both criminal and civil, in the calmness and solemnity of courtroom according to legal procedure.” *Sheppard*, 384 U.S. 350-51.

7. Petitioners also seek a stay of the sanctions imposed against Mr. Trump for violating the gag orders. The issue of granting a stay is moot since, as petitioners concede, Mr. Trump already has paid the sanctions. *See*, Petition ¶ 107.

8. Based on the foregoing and for the reasons set forth in the Affirmation in Opposition to Motion for a Stay submitted by the New York State Attorney General, it is respectfully requested that Petitioners’ application for a stay of the gag orders and sanctions imposed for violating the court’s gag orders be denied.

15 THE COURT: Welcome back, everyone.

16 This morning, one of the defendants posted, to a

17 social media account, a disparaging, untrue and personally

18 identifying post about a member of my staff. Although I

19 have since order the post deleted, and apparently it was,

20 it was also emailed out to millions of other recipients.

21 Personal attacks on members of my court staff are

On October 3, during a break in this trial, defendant Donald Trump posted to his social media account an untrue, disparaging, and personally identifying post about my Principal Law Clerk. I spoke to defendants, both on and off the record. Off the record, I ordered Donald Trump to remove the post immediately. Approximately 10 minutes later, Donald Trump represented to me that he had taken down the offending post, and that he would not engage in similar behavior going forward. I then, on the record, imposed on all parties to this action a very limited gag order, “forbidding all parties from posting, emailing, or speaking publicly about any members of my staff,” emphasizing, quite clearly, that “personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances.” I further made clear that “failure to abide by this directive will result in serious sanctions.”

Despite this clear order, last night I learned that the subject offending post was never removed from the website “DonaldJTrump.com,” and, in fact, had been on that website for the past 17 days. I understand it was removed late last night, but only in response to an email from this Court.

Today, in open Court, counsel for Donald Trump stated that the violation of the gag order was inadvertent and was an “unfortunate part of the process that is built into the campaign structure.” Giving defendant the benefit of the doubt, he still violated the gag order. Connors v Pallozzi, 241 AD2d 719, 719 (3d Dept 1997) (“[c]ontrary to defendants’ claim on appeal, a finding of civil contempt does not require a showing that such disobedience was willful”).

OTHER ORDER – NON-MOTION

Further, whether intentional or the result of mere "campaign structure" negligence, the effect of the post on its subject is unmitigated by how or why it remained on Donald Trump's website for 17 days. Moreover, a defendant may not evade liability for violating a court order by asserting that the violation was a result of the actions of one or more of the defendant's employees or agents.

In the current overheated climate, incendiary untruths can, and in some cases already have, led to serious physical harm, and worse.

Donald Trump has received ample warning from this Court as to the possible repercussions of violating the gag order. He specifically acknowledged that he understood and would abide by it. Accordingly, issuing yet another warning is no longer appropriate; this Court is way beyond the "warning" stage.

Given defendant's position that the violation was inadvertent, and given that it is a first time violation, this Court will impose a nominal fine, \$5,000, payable to the New York Lawyers' Fund for Client Protection, within ten (10) days of the date of this order.

Make no mistake: future violations, whether intentional or unintentional, will subject the violator to far more severe sanctions, which may include, but are not limited to, steeper financial penalties, holding Donald Trump in contempt of court, and possibly imprisoning him pursuant to New York Judiciary Law § 753.

Defendants.

On October 3, on the record, I imposed on all parties to this action a very limited gag order, “forbidding all parties from posting, emailing, or speaking publicly about any members of my staff,” emphasizing, quite clearly, that “personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances” (emphasis added). I further made clear that “failure to abide by this directive will result in serious sanctions.”

Despite this unambiguous order, last week I learned that Donald Trump had failed to abide by it by not removing, for a total of 17 days, from the website of donaldjtrump.com an untrue, disparaging and personally identifying post about my Principal Law Clerk. Counsel for defendant stated in open court that the violation of the gag order was inadvertent. Taking counsel at his word, I imposed a \$5,000 nominal sanction against Donald Trump for the first-time violation of the gag order.

On October 25, during a break order from the trial, Donald Trump made the following statement to a gaggle of reporters outside the courtroom: “This judge is a very partisan judge with a person who’s very partisan sitting alongside him, perhaps even more partisan than he is.” Quite clearly, defendant was referring, once again, to my Principal Law Clerk, who sits alongside me on the bench.

Defendant’s attorneys offered the explanation that Donald Trump was referring to Michael Cohen, who had been sitting on the witness stand. I then conducted a brief hearing, during

OTHER ORDER – NON-MOTION

which Donald Trump testified, under oath that he was referring to Michael Cohen. However, as the trier of fact, I find this testimony rings hollow and untrue. The Oxford English Dictionary defines “alongside” as “close to the side of; next to.” Witnesses do not sit “alongside” the judge, they sit in the witness box, separated from the judge by a low wooden barrier. Further, Donald Trump’s past public statements demonstrate him referring to Michael Cohen directly by his name, or by a derogatory name, but in all circumstances, he is unambiguous in making it known he is referring to Michael Cohen.

Moreover, the language Donald Trump used on October 25 mirrors the language he used in public statements to the press on October 2, wherein he inappropriately and unquestionably spoke about my Principal Law Clerk, stating: “this rogue judge is a trump hater, the only one that hates trump more is his associate up there, this person that works with him, and she’s screaming into his ear.”

Using imprecise language as an excuse to create plausible ambiguity about whether defendant violated this Court’s unequivocal gag order is not a defense; the subject of Donald Trump’s public statement to the press was unmistakably clear. As the trier of fact, I find that Donald Trump was referring to my Principal Law Clerk, and that, as such, he has intentionally violated the gag order.

This is the second violation of this Court’s gag order in the less than one month since this trial commenced. Accordingly, this Court imposed a fine of \$10,000 on defendant Donald Trump, to be paid to the New York Lawyers’ Fund for Client Protection, within thirty (30) days of October 25, 2023.

Further, Donald Trump is ordered to post proof of payment, of this fine and the one imposed on October 10, 2023, to NYSCEF within two days of making such payments.

On October 3, 2023, after Defendant Donald J. Trump posted to his social media account an untrue, disparaging, and personally identifying post about my Principal Law Clerk, I imposed on all parties to this action a very limited gag order, “forbidding all parties from posting, emailing, or speaking publicly about any members of my staff,” emphasizing, quite clearly, that “personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances.” I further made clear that “failure to abide by this directive will result in serious sanctions.”

On October 20, 2023, upon learning that Donald J. Trump failed to remove the post from one of his campaign websites, donaldjtrump.com, for a total of 17 days, I imposed a fine of \$5,000.00 against Donald J. Trump for violating the gag order. On October 25, 2023, after conducting a brief hearing, I concluded that Donald J. Trump had intentionally violated my gag order by stating to a gaggle of reporters outside the courtroom the following statement in reference to my Principal Law Clerk: “This judge is a very partisan judge with a person who’s very partisan sitting alongside him, perhaps even more partisan than he is,” and fined him an additional \$10,000.00.

I imposed the gag order only upon the parties, operating under the assumption that such a gag order would be unnecessary upon the attorneys, who are officers of the Court.

Over the past week, defendants’ principal attorneys, namely, Christopher Kise (admitted *pro hac vice*) (Continental PLLC), Clifford Robert (Robert & Robert PLLC) and Alina Habba (Habba

OTHER ORDER – NON-MOTION

Madaio & Associates LLP), have made, on the record, repeated, inappropriate remarks about my Principal Law Clerk, falsely accusing her of bias against them and of improperly influencing the ongoing bench trial. Defendants' attorneys have made long speeches alleging that it is improper for a judge to consult with a law clerk during ongoing proceedings, and that the passing of notes from a judge to a law clerk, or vice-versa, constitutes an improper "appearance of impropriety" in this case. These arguments have no basis.

Pursuant to 22 NYCRR § 100.3(B)(6)(6)(c): "**A judge may consult with court personnel whose function is to aid the judge in carrying out the judge's adjudicative responsibilities or with other judges**" (emphasis added). This is precisely the role of a Principal Law Clerk in the New York State Courts.

Moreover, ethics advisory opinions have further emphasized that: "The relationship between a judge and his/her law clerk is one of particular trust and confidence. Although a judge and his/her law clerk are of course not 'partners,' the two engage in the kind of professional interchange that might be found between long-time colleagues in a law firm." Advisory Opinion 07-04, available at <https://www.nycourts.gov/ipjudicialethicsopinions/07-04.htm>.

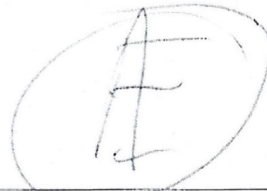

As I have stated on the record, seemingly to no avail, my law clerks are public servants who are performing their jobs in the manner in which I request. This includes providing legal authority and opinions, as well as responding to questions I pose to them. Plainly, defendants are not entitled to the confidential communications amongst me and my court staff, who are hired specifically to aid me in carrying out my adjudicative responsibilities. Nor are they entitled to continue referencing my staff in the record. Defendants' attorneys have had ample opportunity to make their record, and they have at length. Indeed, I will assist them by repeating here that I will continue to consult with my staff, as is my unfettered right, throughout the remainder of the trial. Accordingly, defendants' record is now fully preserved for the duration of the proceedings. Defendants' attorneys may refer back to this blanket statement in their appeal as they deem appropriate. Defendants may reference my staff as is appropriate to ask about scheduling issues or the management of the trial, which is an integral part of their jobs. What they may *not* do is to make any further statements about internal and confidential communications (be it conversations, note passing, or anything similar) between me and my staff.

Defendants' First Amendment arguments in opposition to the imposition are wholly unpersuasive. This gag order is as narrowly tailored as possible to accomplish its purpose, which is to protect the safety of my staff and promote the orderly progression of this trial. As I have made clear, as the Judge in this case and the trier of fact, the gag order does not apply to me. However, I will not tolerate, under any circumstances, remarks about my court staff. The threat of, and actual, violence resulting from heated political rhetoric is well-documented. Since the commencement of this bench trial, my chambers have been inundated with hundreds of harassing and threatening phone calls, voicemails, emails, letters, and packages. The First Amendment right of defendants and their attorneys to comment on my staff is far and away outweighed by the need to protect them from threats and physical harm.

Thus, for the reasons stated herein, I hereby order that all counsel are prohibited from making any public statements, in or out of court, that refer to *any* confidential communications, in any form, between my staff and me.

Failure to abide by this directive shall result in serious sanctions.

Case No. 2023-05859

AFFIRMATION

Petitioners,

for a Judgment pursuant to Article 78
of the Civil Practice Law and Rules

-against-

THE HONORABLE ARTHUR F. ENGORON,
J.S.C., AND PEOPLE OF THE STATE OF NEW YORK
by LETITIA JAMES, ATTORNEY GENERAL OF THE
STATE OF NEW YORK,

Respondents.

CHARLES HOLLON, who is not a party to the action, affirms the following to be true
under the penalties of perjury:

1. I am employed by the New York State Unified Court System (“UCS”), as a Court Officer-Captain in the Department of Public Safety (“DPS”). I am assigned to the Judicial Threats Assessment Unit of the DPS. As such, I am familiar with threats, disparaging comments, and harassing messages, made to and about Justice Arthur F. Engoron (“Justice Engoron”), and his staff via emails, telephone, and social media outlets. I am also aware that the personal emails and cell phone number of Allison Greenfield, Principal Law Clerk to Justice Engoron, (“Allison Greenfield”), have been compromised. I make this affirmation in opposition to Petitioners’ request

for a stay of the enforcement of the limited gag orders issued by Justice Engoron in *People of the State of New York v. Donald Trump, et al.*, Index No. 452564/2022.

2. The DPS provides security services at every New York State courthouse to ensure the safety and security of judges, nonjudicial personnel, court visitors, litigants and anyone entering the courthouse. The Judicial Threats Assessment Unit is made up of uniformed personnel who are trained on how to carefully analyze reported threats in order to determine possible courses of action necessary to secure the safety of the judges.

3. Once a judicial threat has been reported, court administration, local law enforcement, and court staff are notified by trained uniformed personnel that a threat exists. After a reported threat is carefully analyzed and is determined to be credible, security measures are put in place to ensure the safety of the judge, the judge's staff and family members.

4. Prior to the commencement of the trial in the underlying matter, the judicial threats unit became aware of harassing and disparaging comments and threats made about and toward Judge Engoron on social media. Once we conducted our assessment that found the threats credible, we contacted local law enforcement, the FBI and Homeland Security to devise the appropriate security measures that would be implemented in order to protect the judge, his chambers staff, and those closely associated around him, including his family.

5. On or after October 3, 2023, the threats, harassment, and disparaging comments increased exponentially and also were now being directed at the judge's law clerk.

Specifically, on October 3, 2023, Mr. Trump posted to his social media account a picture of Allison Greenfield with United States Senator Charles Schumer with the added caption: "Schumer's girlfriend, Allison R. Greenfield, is running this case against me. How Disgraceful! This case should be dismissed immediately." Although Mr. Trump did not directly threaten Ms.

Greenfield, the comments made in his post resulted in hundreds of threatening and harassing voicemail messages that have been transcribed into over 275 single spaced pages.

6. Ms. Greenfield's personal information, including her personal cell phone number and personal email addresses also have been compromised resulting in daily doxing. She has been subjected to, on a daily basis, harassing, disparaging comments and antisemitic tropes. I have been informed by Ms. Greenfield that she has been receiving approximately 20-30 calls per day to her personal cell phone and approximately 30-50 messages per day on combined sites of social media, LinkedIn and two (2) personal email addresses. Ms. Greenfield also informed me that since the interim stay was issued lifting the gag orders on November 16, 2023, approximately half of the harassing and disparaging messages have been antisemitic.

7. Judges who receive threats are advised to not make public statements discussing the threats or any security measures that may be in place because doing so could compromise the security measures put in place to protect them and those around them.

8. The threats against Justice Engoron and Ms. Greenfield are considered to be serious and credible and not hypothetical or speculative. In order to provide this court with the seriousness of the threats being made against Justice Engoron and his staff, below is a representative sample of the hundreds of threats, disparaging and harassing comments and antisemitic messages that are directed at the judge and his staff.

9. The following are transcriptions of voicemail messages left on Justice Engoron's chambers telephone:

- A. You know. I'm not going to. Call you too many names. Today, I mean, it's clear. You're you're little fruit cake. You like to abuse children, I'm sure. And your shirtless pictures. 10. The messages received by Justice Engoron and his staff every day has created an ongoing security risk for the judge, his staff and his family.

11. The implementation of the limited gag orders resulted in a decrease in the number of threats, harassment, and disparaging messages that the judge and his staff received. However, when Mr. Trump violated the gag orders, the number of threatening, harassing and disparaging messages increased.

12. On a daily basis, the judge and his staff are being inundated with hundreds of harassing and threatening phone calls, voicemail messages, and emails, that has resulted in the Judicial Threats Assessment Unit having to constantly reassess and evaluate what security protections to put in place to ensure the safety of the judge and those around him.
