Appellees

v.

United States Department of State, et al.,

Appellants

---

Consolidated with 25-5319

**ORDER**

It is **ORDERED**, on the court's own motion, that the following briefing schedule will apply in these cases:

Appellants' Brief	December 30, 2025
Appendix	December 30, 2025
Appellees' Brief	January 29, 2026
Appellants' Reply Brief	February 19, 2026

All issues and arguments must be raised by appellants in the opening brief. The court ordinarily will not consider issues and arguments raised for the first time in the reply brief. To enhance the clarity of their briefs, the parties are cautioned to limit the use of abbreviations, including acronyms. While acronyms may be used for entities and statutes with widely recognized initials, briefs should not contain acronyms that are not widely known. See D.C. Circuit Handbook of Practice and Internal Procedures 42 (2025); Notice Regarding Use of Acronyms (D.C. Cir. Jan. 26, 2010).

Parties are strongly encouraged to hand deliver the paper copies of their briefs to the Clerk's office on the date due. Filing by mail could delay the processing of the brief. Additionally, parties are reminded that if filing by mail, they must use a class of mail that is at least as expeditious as first-class mail. See Fed. R. App. P. 25(a). All briefs and appendices must contain the date that the case is scheduled for oral argument at the top of the cover, or state that the case is being submitted without oral argument. See D.C. Cir. Rule 28(a)(8).
