8. DECLARATIONS

(1) Penalty of Perjury:

Applicant declares under penalty of perjury under the laws of the United States of America that the foregoing Application and all attached supporting documentation are true and correct and accurately reflect the services rendered and expenses incurred.

(2) Attorney Option:

Applicant originally opted to receive fees pursuant to Local Bankruptcy Rule 2016-1 (c). (See 2. Above)

No; no explanation is required.

a. Facts:

(3) Chapter 13 Plan Feasibility:

I have reviewed the Chapter 13 Trustees data and the Chapter 13 Plan. If the fees and expenses sought to be approved are to be paid through the Chapter 13 Plan, the plan is feasible and will complete timely. If the fees and expenses are to be paid by the debtor(s) directly the following explains the source of the funds.

a. Facts:

Debtor's plan provides for \$12,000.00 be set aside for attorney fees. This application is within that amount, making the plan feasible and able to complete timely.

(4) Unauthorized Payments:

After the filing of this bankruptcy, I have not accepted or demanded from the debtor or any other person any payment for services or costs reimbursement without first obtaining a court order authorizing the fees and/or costs and specifically permitting direct payment of those fees and/or costs by the debtor.

(5) Sharing of Compensation:

I have not agreed to share the above disclosed compensation with another person unless they are members and associates of my law firm.

(6) Explanation Regarding Pre-Petition and Post-Petition Fees:

If this is the first fee application filed by Applicant in this case, the documentation included with this fee application shows time spent both prior to and after the filing of the petition. Pre-petition time spent is included to show all work done in the case and how the total amount is calculated. Debtor paid for some or all of the pre-petition time spent before the bankruptcy case was filed (See Section 2(1)). The amount of fees and expenses for which Applicant is seeking approval (the amount stated in Section 1) is the total amount of billable time and expenses incurred both pre- and post-petition (as disclosed in Sections 5 and 6) less the amount Debtor paid to the firm pre-petition (as disclosed in Section 2(1)). If this is a subsequent fee application, the total amount of fees and expenses for which approval is sought

(Section 1) is the sum of amounts disclosed in Sections 5 and 6.

WHEREFORE, the Applicant requests:

That the Application for Fees and Costs be approved.

Such other and further relief as the Court deems proper.

Date: December 15, 2020

Respectfully Submitted,
/s/ Gabriel J. Waddell
Attorney for Debtor(s)
