**PLAINTIFF'S STATUS UPDATE**

Zoom Conference

June 19, 2023 2:00 p.m.

26 This Court ordered the parties to file a Status Update by July 12, 2023, in preparation for a  
27 Status Conference via zoom on July 19, 2023. This is the Plaintiff's Status Update.

28  
PLAINTIFF'S STATUS UPDATE

1 On July 10, 2023, the parties met and conferred via zoom to discuss the timing and  
2 location for the removal of the cables in Lake Tahoe pursuant to the Consent Decree.

3 It was a productive zoom conference. AT&T confirmed that it is prepared to commence  
4 the removal process on September 6, 2023, as long as the new permit request that AT&T  
5 submitted to State Parks in May is approved by State Parks. AT&T's counsel also confirmed that  
6 mobilization arrangements are being made so that when a new permit is received, removal work  
7 can begin on September 6, 2023.

8  
9 Plaintiff has offered to work with Defendant in any manner possible to help ensure that  
10 the removal work does indeed commence on September 6<sup>th</sup>, and asks the Court to actively  
11 encourage the parties to take all steps possible to ensure that the September 6th commencement  
12 date is adhered to, and that the Cables are removed from Lake Tahoe without further delay.

13  
14 To this end, a further status conference on August 16, 2023 is in order.

15 Respectfully submitted,

16 DATED: July 12, 2023
