Plaintiff-Appellant

v.

SG INTERACTIVE INC., BLIZZARD ENTERTAINMENT, INC., KOG GAMES INC., RELOADED GAMES, INC.,
Defendants-Appellees

2016-2741, -2742, -2743, -2744

Appeals from the United States District Court for the District of Delaware in Nos. 1:13-cv-00178-RGA, 1:13-cv-00826-RGA, 1:13-cv-00827-RGA, and 1:13-cv-00828-RGA, Judge Richard G. Andrews.

ON MOTION

Before LINN, *Circuit Judge*.

O R D E R

Parallel Networks, LLC moves unopposed to waive the requirements of Federal Circuit Rule 28(d).

Pursuant to Federal Circuit Rule 28(d)(1)(A), a party seeking to mark as confidential more than 15 words in its brief "must file a motion with this court establishing that the additional confidentiality markings are appropriate and necessary pursuant to a statute, administrative regulation, or court rule." In this instance, the relevant portions of Parallel Networks' brief describe details concerning how the appellees' video game distribution systems work. Those details were designated as confidential in the underlying proceedings. In light of the limited and focused nature of the proposed markings, the court grants Parallel Networks' motion.

Accordingly,

IT IS ORDERED THAT:

(1) The motion is granted. The confidential and non-confidential versions of Parallel Networks' opening brief are accepted for filing.

(2) Appellees' response brief(s) are due no later than 40 days from the date of this order.
