CLASS ACTION

**SECOND STIPULATION RE:  
EVIDENTIARY HEARING TO  
RESOLVE DISPUTE OVER  
VALIDITY OF CLAIMS**

Date: October 15, 2007  
Time: 9:00 a.m.  
Courtroom: 8  
Judge: Honorable James Ware

21 This Second Stipulation Re: Evidentiary Hearing to Resolve Dispute Over Validity  
22 of Claims replaces the previously filed Stipulation Re: Evidentiary Hearing to Resolve  
23 Dispute Over Validity of Claims.

24 The parties hereby stipulate that the Judgment and lien previously filed in this  
25 action and recorded with Nye County Recorders Office will be decreased by the amount  
26 paid by Front Sight into the Settlement Fund pursuant to the Third Amended Stipulation of  
27 Settlement and shall be amended to reflect the actual amount of claims determined to be  
28 valid by the Special Master, pursuant to the evidentiary hearings set forth below

STIPULATION RE: EVIDENTIARY HEARING, *James v. Piazza*, Case No. CV 05-04532 JW

1           The parties stipulate to the appointment of Special Master George C. Fisher, Esq.  
 2 as the hearing officer to oversee evidentiary hearings and make findings of fact and law  
 3 regarding: (1) the adequacy of proof provided by claimants who timely filed claims that  
 4 were deemed by the Claims Administrator to not present sufficient documentation to  
 5 establish the amount said claimants paid for their Front Sight memberships; (2) the  
 6 adequacy of proof provided by claimants whose claims were approved by the Claims  
 7 Administrator but whose claims are disputed by Defendant Front Sight; and (3) whether  
 8 claimants filing late claims can establish “good cause” for relief from the court ordered  
 9 time limitations for filing claims.

10           The parties further stipulate that within 10 days of the court’s order approving this  
 11 process, the Claims Administrator will send notice to all claimants who filed late claims or  
 12 timely claims that were not approved by the Claims Administrator, advising them of: (1)  
 13 the reason their claims were found to be deficient; (2) that they may submit additional  
 14 documentation to cure the deficiency within 15 days of the date they receive the notice of  
 15 deficiency (which will be presumed to be five days from the date the notice was sent,  
 16 unless evidence to the contrary is submitted by the claimant); and (3) that they have the  
 17 right to attend the hearing before the Special Master, which will take place on a specific  
 18 date identified in the notice, which must be within 60 days of the court order approving  
 19 the settlement.

20           Within 10 days of the court order approving the settlement, Defendant Front Sight  
 21 will give written notice to Class Counsel, the Special Master and the Claims Administrator  
 22 of any claims it disputes, and the reasons for such disputes. Within 5 days after receipt of  
 23 said notice, the Claims Administrator will send notice to all affected claimants, advising  
 24 them of: (1) the reason their claims are being disputed by Defendant Front Sight; (2) that  
 25 they may submit additional documentation to address the issues raised by Defendant Front  
 26 Sight within 15 days of the date they receive the notice of deficiency (which will be  
 27 presumed to be five days from the date the notice was sent, unless evidence to the contrary  
 28 is submitted by the claimant); and (3) that they have the right to attend the hearing before

1 the Special Master, which will take place on a specific date identified in the notice, which  
2 must be within 60 days of the court order approving the settlement.

3 These evidentiary hearings will take place at the Law Offices of Ropers, Majeski,  
4 Kohn & Bentley, 80 North First Street, San Jose, California, or another place mutually  
5 agreed to by the parties.
