Pursuant to Civil Local Rule 7-11 and the Case Management Conference Order (D.I. #15), Plaintiff Tagged, Inc. and Defendant Fotomedia Technologies, LLC, by and through their respective counsel, hereby jointly stipulate to a request that the Court continue the Case Management Conference, currently scheduled for May 18, 2012 at 10:30 a.m., to June 21, 2012 at 10:30 a.m. with the deadline to file the Joint Case Management Statement extended to June 14, 2012. The parties filed a joint stipulation on April 27, 2012 (D.I. #16) requesting an extension of time to respond to Plaintiff's Complaint as well as to meet and confer regarding initial disclosures and the discovery plan. The deadlines proposed in that stipulation fall after the currently-scheduled conference. This request is made in good faith to allow the parties time for further discussions and not for the purpose of delay, and does not impact the case schedule or ADR process.
