Pursuant to the Court's Pretrial Instructions in Civil Cases at Section 2, trial counsel shall meet and confer in advance of the Pretrial Conference. The Compliance Hearing is intended to confirm that counsel have reviewed the Court's Pretrial Setting Instructions and are in compliance therewith. Five (5) business days prior to the date of the compliance hearing, the parties shall file a one-page JOINT STATEMENT confirming they have complied with this requirement or explaining their failure to comply. If compliance is complete, the parties need not appear and the compliance hearing will be taken off calendar. Failure to do so may result in sanctions.

The parties must comply with both the Court's Standing Order in Civil Cases and Standing Order for Pretrial Instructions in Civil Cases for additional deadlines and procedures. All Standing Orders are available on the Court's website at http://www.cand.uscourts.gov/ygrorders.

The Court will determine closer to the trial date whether the bench trial will be conducted in person or virtually or some combination thereof. Production of exhibits to the Court will be impacted depending on the resolution of this issue.

In preparation for the case management conference scheduled for October 19, 2020, the parties should meet and confer and formulate recommendations to streamline trial issues and briefing, including whether briefing on certain legal issues should be staged in advance of the trial.

<sup>&</sup>lt;sup>1</sup> To the extent that the parties need to supplement exhibits already filed with the Court in compliance with the Court's standing orders, the parties should work cooperatively to do so.

 <sup>&</sup>lt;sup>2</sup> See Standing Order regarding Pre-filing Conference Requirements for motions for summary judgment.

In addition, the Court is interested in the potential overlap with the Related Matters. Accordingly, the parties are instructed to meet and confer with counsel in the Related Matters as well. A case management conference is scheduled in each of those actions at the same time.

By October 15, 2020, the parties shall jointly file one proposed agenda to inform the combined case management conference, even if it includes matters unique to a particular action. **IT IS SO ORDERED.**
