**UNITED STATES DISTRICT COURT

SAN FRANCISCO DIVISION**

RESHMA KAMATH,

Plaintiff,

v.

COINBASE, INC.; WELLS FARGO  
BANK, N.A.; AND DOES 1-10,  
INCLUSIVE,

Defendants.

**Case No.: 3:23-cv-03533-CRB**

*[For Senior District Judge Charles R. Breyer]*

**NOTICE OF CHARLES BRYER  
AND ALEXANDRA  
WHITWORTH'S WHITE RACISM**

Complaint Filed: July 16, 2023

Trial Date: *Not Set Yet*

**NOTICE**

The reasons why racism, misogyny and White culture took over this case:

- Racist Alexandra Whitworth, a White woman, knew she could use her White prowess anywhere. That is both her White prowess ethnically and her skin-tone. Racist Alexandra displayed this cunningly as White women do always escaping from any harm or any liability for misrepresentations as White men and men unflinchingly support misogynistic White women.
- Racist Alexandra Whitworth, a White woman, knew that her White prowess would not work with an African-American female magistrate judge. But racist Alexandra knew her Whiteness would work with men.
- The declarations racist Alexandra provided were from men.
- The Racist judge that racist Alexandra got a stay from was a White male, Breyer.
- Racist Alexandra knows, as White women know, that men and men of color will lap like dogs to a White woman's instructions.
- For the months leading up to the motion racist Alexandra filed, racist Alexandra and her team of other racist White women pretended they would work together with Plaintiff Reshma Kamath.
- For this, racist Alexandra Whitworth pretended she would handover documents from Coinbase, Inc. to Plaintiff Reshma Kamath.

- 1 - Plaintiff Reshma Kamath stated that in lieu of Reshma subpoenaing the  
2 required documents, it would be mutually convenient to take this case forward  
3 if Defendant Coinbase would share the documents. But Defendant Coinbase  
4 and racist Alexandra had other deceiving tricks up their sleeve. Exhibit A.  
5 Exhibit B.  
6
- 7 - Plaintiff Reshma Kamath thinking that racist Alexandra was genuine  
8 (however, there is no opposing White women attorney who was ever ethical to  
9 Plaintiff Reshma Kamath yet – all such White women attorneys were  
10 liars/even misrepresenting under oath) fell into Alexandra’s racist trap.  
11 (Hundreds of White women have lied under oath in America to get innocent  
12 people of color in trouble.)  
13
- 14 - Plaintiff Reshma Kamath who has high integrity and resolute ethics did not  
15 share the stipulation and corresponding e-mails with the court during the  
16 opposition.  
17
- 18 - But now, since racist Alexandra and racist Breyer decided to team up in White  
19 racism, Plaintiff had to produce this.  
20
- 21 - The reason why racist Breyer is racist is – similar to other racist White judges,  
22 racist Breyer thinks because he hired some women of color as his staff  
23 members that he is somehow not racist. (Slavery, Colonization, and Apartheid  
24 had plenty of non-White women/people working for White people).  
25  
26  
27  
28

- 1 - Other reasons why racist Breyer is racist because he could not agree with his  
2 predecessor, an African-American female magistrate judge.
- 3 - Racist Breyer thinks because he agreed with some White women he is some  
4 how a better judge.
- 5 - Plaintiff Reshma Kamath has witnessed dozens of White guys in the law talk  
6 and think like this for the past decade. What White men don't understand is  
7 just because they grew up in an era where mostly men practiced law, those  
8 times have changed. White women are very privileged compared to women of  
9 color and immigrant women of color.
- 10 - Plaintiff Reshma Kamath states that women of color want justice in America  
11 women of color have to appear before a judge of the same ethnicity and racial  
12 background (as much as race is a social-construct).
- 13 - Like when a Latin-American woman was a plaintiff and the defense there  
14 brought a motion to compel arbitration for a click-wrap agreement, it was  
15 before Yvonne Gonzalez Rogers. Defendant Yvonne wrote gibberish facts  
16 with hollow law to not allow it to occur. No part of the order laden with  
17 stupidity made any sense to even a second-grade child. It was so pathetically  
18 racist.
- 19 - When Indian-Americans/Muslim-Americans appear before racist White  
20 Breyer or racist White White (no pun intended) – seems the latter is as honest  
21  
22  
23  
24  
25  
26  
27  
28

1 as his name is – racially prejudiced, they find reasons to chime in with their  
2 White counter-parts.

3  
4 - Plaintiff Reshma Kamath had informed the court that this matter cannot be  
5 handled only with Defendant Coinbase, Inc., but with Defendant Wells Fargo  
6 and if required other defendants who were instrumental in the theft of  
7 Plaintiff's crypto now worth over hundreds of thousands.

8  
9 - In the instant case, Plaintiff Reshma Kamath is serving Defendant Wells  
10 Fargo.

11  
12 - Until then, Plaintiff Reshma Kamath will not arbitrate this case and will  
13 litigate this case – if Plaintiff Reshma Kamath does not find recourse in the  
14 courts, Plaintiff Reshma Kamath will find it elsewhere.

15  
16 - If Plaintiff Reshma Kamath's money is not returned to her before the end of  
17 this litigation, then CAND better watch out – anyway racist Breyer will be  
18 named as a defendant in a lawsuit.

19  
20 - When and if Plaintiff Reshma Kamath ever decides to become a judge in the  
21 United States or elsewhere, racists like Alexandra and Charles better not  
22 appear before her.

23  
24 - Racist Alexandra knows how to show she is innocent – each time she brings  
25 in someone racially-similar to Plaintiff to prove Defendant Coinbase and  
26 racist Alexandra are angels. For example, she brought a Middle-Eastern IT  
27 Tech as a declarant and then when Plaintiff talked about Asian ethnicity, racist  
28

1 Alexandra brought an Asian-American woman with a notice of appearance.

2 Racist Alexandra also knows White men such as racist Breyer's draw towards  
3 East-and South-East Asian women and people in general.  
4

5 - What makes racist Breyer think that racist Alexandra and Defendant Coinbase  
6 were amenable to returning Plaintiff's monies stolen under Defendant  
7 Coinbase's watch.  
8

9 - If Defendant Coinbase and racist Alexandra wanted to do that, they would  
10 have done this ages ago – as they prolonged this litigation for months. Racist  
11 Breyer has no sympathy towards women of color – particularly those from  
12 Indian and Middle-Eastern backgrounds.  
13

14 - The ugly reality of America displayed in ugly racism of racist Breyer and  
15 racist Alexandra.  
16

17 - These kinds of trashy White people in the courts have ruined the lives of  
18 countless people of color, women of color, and families of color – some  
19 ending up in prison, some homeless and others dead. American history is  
20 witness to this – past and present.
