**PLAINTIFF**

**RE: CAND'S GEPPETO: MARK BUSBY'S AFRICAN-AMERICAN  
HATRED.**

Now I see it is you who is denying African-American litigants' IFP requests for fee waiver. It all makes sense: the White Man's terror when they see non-white tan or darker skin – and that male jealousy when they see non-White women doing well without the help of a male, in America, White male. Mark Busby, watch out, your terror tantrums won't go on for long. I'll make sure of that. Subliminally, the White males such as Mark Busby, want to help their fellow White males – even with YGR, they know she was not with a Latin-American guy but with a White guy. The low-rate standards of California Northern District.

*Sincerely,*

*Reshma Kamath*
