**ORDER FOLLOWING CASE  
MANAGEMENT CONFERENCE**

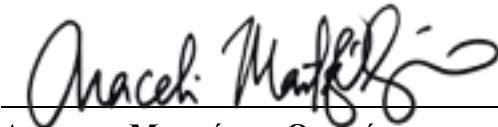

20 At the case management conference held January 22, 2026, the Court addressed, among  
21 other topics, the extended opt-out and objection deadline and related notice issues, what motions,  
22 if any, require the Court's attention other than the motion for attorney fees and the forthcoming  
23 motion for final approval, the re-noticing of the pending motion for fees, and the hearing date for  
24 the forthcoming approval motion. With respect to those matters, the Court **ORDERS** as follows:

25 Given that no notice accompanied the prior extension of the opt-out and objection  
26 deadlines, the parties **SHALL** meet and confer on a further extension of those deadlines and  
27 supplemental notice to the class regarding the extensions.

28 In light of Plaintiffs' representation that the only current motion requiring Court attention  
29 is the motion for attorney fees, Dkt. No. 505, all other pending motions are  
30 **ADMINISTRATIVELY TERMINATED**. The Court notes that Plaintiffs re-noticed the motion  
31 for attorney fees for April 23, 2026. They may notice their forthcoming motion for final approval  
32 for the same date, though it will be re-set by the Court at a later date.

33  
**IT IS SO ORDERED.**
