I have 14 slides so far, working title for the talk: "How Private Equity can Hollow out and Destroy Open Source Communities, a Story in 4 Parts."

I've got quotes from current and former employees, some may even stand up and speak as well.

Just called. Should I run these slides or not?

Is next week a negotiation on the % or it happening at all? I am not going to be able to walk it back

I know that this is the nuclear option, it sets us down a specific path

If you're saying "next week" that's saying "no", so I will proceed with the scorched earth nuclear approach to WPE

Thank you for the clarity, it gives me time to work on things and hone my message.

If I'm going to make the case to the WP community about why we're banning WPE I need to do it in my talk tomorrow. Your delaying is just trying to remove that.

I'm literally waiting for them to finish the raffle so my talk can start, I can make it just a Q&A about WP very easily
