cutting edge of WordPress development.

DE{CODE} is an all-day, fully virtual event in which experts from all corners of the web gather to discuss the topics affecting modern web development. Past events have covered everything from broad overviews of tools and plugins to deep dives into the intricacies of getting a new headless website up and running.

Keep reading for a sneak peek into the topics, trends, technologies, and products we'll discuss at DE{CODE} 2024 and how they can help you shape what's next.

REGISTER NOW!

What is DE{CODE}?

WP Engine's DE{CODE} conference is the industry's largest annual WordPress developer event. It features high-level content, networking opportunities, and live demos, all geared towards helping developers build better WordPress sites.

Last year's DE{CODE} was a record-setting event, with more than 10,000 viewers tuning in from more than 138 different countries. Check out some of the highest attended sessions from last year for a preview of what you can expect in March!

When is it Worth Investing in Block-Centric Building in WordPress?

You can find more of last year's recorded sessions **on our YouTube channel**.

What Will I Learn at DE{CODE}?

Powerful technology, like **AI-powered search**, **block-centric design**, and **decoupled headless solutions** are changing the way we develop WordPress sites.

WP engine™

discuss how you can harness the power of next-gen WordPress to drive better results and connect with your audience.

Presenters will touch on a wide range of topics, including best practices for improving **SEO** and **Core Web Vitals** scores, how to improve your developer workflow with tools like **Local** and **Advanced Custom Fields** (ACF), and how to use **WPGraphQL** and ACF with WP Engine's **Headless WordPress platform**.

Register Now for DE{CODE} 2024!

If you can't attend virtually, all presentations will be made available in our **resource library** and on our **YouTube channel** after the conference concludes.

Check out more of **last year's sessions** to get an idea of what you might expect at DE{CODE} 2024, and make sure you register now to save your seat at WP Engine's largest event of the year!
