**ORDER GRANTING
MOTION TO FILE
DOCUMENTS UNDER SEAL**

25 On April 18, 2014, Plaintiff ViaSat, Inc. ("ViaSat") filed a motion for leave to
26 file documents under seal. (Doc. No. 995.) Specifically, ViaSat asks to file under seal
27 its trial brief regarding proposed questions to ask the jurors. (Id.) ViaSat seeks to seal
28 this document pursuant to the terms of the Court's protective order. (Doc. No. 477.)

2 exists to seal the document. Accordingly, the Court grants ViaSat's request to file the
3 document under seal without prejudice to the Court's modifying this order at a later
