CASE NO. 3:12-cv-00260-H-WVG

Hon. Marilyn L. Huff

JOINT MOTION FOR ADDITIONAL
PAGES

1 Plaintiff ViaSat, Inc. (“ViaSat”) and Defendant Space Systems Loral, LLC
2 f/k/a/ Space Systems Loral, Inc. (“SS/L”) bring this joint motion to afford each party
3 up to four (4) additional pages of briefing on the issue of whether permanent
4 injunctive relief is appropriate in this case.

5 WHEREAS, ViaSat filed its Motion for Permanent Injunctive Relief on June
6 13, 2014;

7 WHEREAS, SS/L filed its Opposition to ViaSat’s Motion for Permanent
8 Injunctive Relief on July 11, 2014;

9 WHEREAS, due to a formatting error, SS/L’s Opposition used 12-point line
10 spacing rather than 14-point line spacing;

11 WHEREAS, ViaSat subsequently advised SS/L that this formatting error
12 resulted in SS/L’s Opposition being approximately 100 lines (*i.e.*, the equivalent of
13 4 pages) longer than it would have been using 14-point line spacing and requested
14 that SS/L agree that ViaSat should be permitted an equal amount of additional lines
15 for its Reply brief;

16 WHEREAS, the parties have met and conferred in good faith and agree that,
17 given the subject matter and arguments raised in both the Motion for Permanent
18 Injunctive Relief and SS/L’s Opposition, there is good cause to exceed the page
19 limits established by Local Rule 7.1(h) by no more than four (4) pages per side; and

20 WHEREAS, the parties thus agree that it is appropriate for ViaSat to file a
21 Reply brief that exceeds the 10-page limit by no more than four (4) pages in order to
22 address the arguments raised by SS/L’s Opposition.

23 The parties therefore respectfully request that the Court grant their request to
24 afford each party up to four (4) additional pages of briefing on the issue of whether

1 permanent injunctive relief is appropriate in this case and enter the Proposed Order
2 lodged herewith.

3 DATED: July 21, 2014
