CASE NO. 3:12-CV-00260-H
(WVG)

**ORDER DENYING
WITHOUT PREJUDICE
VIASAT'S EX PARTE
MOTION FOR LEAVE TO
FILE MOTION TO STRIKE**

[DOC. NO. 1154]

23 On July 25, 2014, Plaintiff ViaSat, Inc. ("ViaSat") filed an *ex parte* motion for
24 leave to file a motion to strike SS/L's arguments regarding the Court's technical advisor
25 and to shorten time for a hearing and briefing schedule. (Doc. No. 1154.) The deadline
26 for post-trial motions was June 13, 2014, and a hearing on post-trial motions is set for
27 August 7, 2014. (Doc. No. 1008.) Due to the short time between ViaSat's filing and
28 the post-trial motion hearing, the Court denies ViaSat's motion without prejudice. In

1 addition, the Court strikes document number 1154 and all attachments from the docket.
2 At the August 7 hearing, ViaSat is free to argue that the Court should disregard SS/L's
3 arguments regarding the Court's technical advisor without a formal motion to strike.

4 **IT IS SO ORDERED.**
