**ORDER GRANTING
MOTION TO FILE
DOCUMENTS UNDER SEAL**

[DOC. NO. 1146]

21 On July 25, 2014, Plaintiff ViaSat, Inc. ("ViaSat") filed a motion for leave to file
22 documents under seal. (Doc. No. 1146.) Specifically, ViaSat asks to file under seal
23 the following documents:

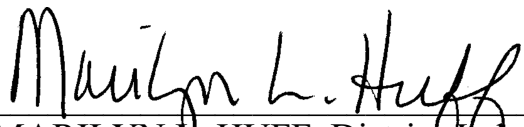

- 24 • an unredacted copy of ViaSat's reply in support of its motion for judgment as a
25 matter of law that the NBN Co. 1A and 1B satellites infringe claim 8 of U.S.
26 Patent No. 8,010,043;
27 • an unredacted copy of ViaSat's reply memorandum of law in support of its
28 motion for permanent injunctive relief;

- 1 • an unredacted copy of ViaSat's memorandum of points and authorities in support
- 2 of its proposed motion to strike SS/L's arguments regarding the Court's technical
- 3 advisor; and
- 4 • Exhibit A to the declaration of Colin L. Ward in support of ViaSat's proposed
- 5 motion to strike SS/L's arguments regarding the Court's technical advisor.
- 6 (Id.) ViaSat seeks to seal these documents pursuant to the terms of the Court's
- 7 protective order. (Doc. No. 1028.)

8 After reviewing the documents in question, the Court concludes that good cause
9 exists to seal the documents. Accordingly, the Court grants ViaSat's request to file the
10 documents under seal without prejudice to the Court's modifying this order at a later
11 time.

12 **IT IS SO ORDERED.**
