¹ In compliance with the Court’s Order dated December 15, 2022 (Dkt. 134), Defendant created this survey of statutes, laws, and regulations that Defendant has determined are relevant to this action. Plaintiffs disagree that nearly all of those statutes, laws, and regulations are relevant to the historical analysis required in this case, and in compliance with the Court’s December 15 Order, the chart reflects Plaintiffs’ position regarding the relevance of each law.

² The surveys have been filed in compliance with the Court’s Order directing the parties to identify all relevant laws, statutes, and regulations from the time of the Second Amendment to twenty years after adoption of the Fourteenth Amendment. In compliance with that Order and in recognition of the historical inquiry mandated by *Bruen*, the spreadsheets identify hundreds of relevant firearms laws, some of which were drafted well before the Thirteenth Amendment’s abolition of slavery and the Fourteenth Amendment’s Equal Protection Clause. While our subsequent briefing, as ordered by the Court, will explain in more detail the historical context and relevance of such laws, the Attorney General emphasizes his strong disagreement with racial and other improper discrimination that existed in some such laws, and which stand in stark contrast to California’s commonsense firearm laws, which are designed to justly and equitably protect all Californians. The listing of such racist and discriminatory statutes should in no way be construed as an endorsement of such laws by the Attorney General or his counsel in this matter.
