18 Come now Plaintiffs, by and through their counsel of record, and move this
19 Honorable Court for summary judgment on their claims against Defendants. This
20 motion is based on the contemporaneously-filed Memorandum of Points and
21 Authorities in Support of Plaintiffs' Renewed Motion for Summary Judgment and
22 Statement of Material Facts in Support of Renewed Motion for Summary Judgment,
23 the materials cited in the same, the other documents on file with the Court, and any
24 other proceedings this Court may order in connection with the same motion.

25 As Plaintiffs demonstrate through this motion, summary judgment on all claims
26 against all Defendants is appropriate and should be granted because no genuine issue
27 of material fact exists and Plaintiffs are entitled to judgment as a matter of law under
28 the applicable legal standards. Plaintiffs respectfully request this motion be granted.

2 Respectfully submitted September 15, 2023,
