getting online to look at their profile?

A. Yes.

Q. Okay. So the first step would be the physician would come on to your website and is allowed access to look at their profile as a physician not as a consumer; is that correct?

A. The site is freely public to anyone so we do not make a determination between whether that consumer is a physician or a typical consumer.

Q. Okay. So the physician would go to your website and look at his or her profile initially just as anyone would look at it, as a consumer might look at it; is that right?

A. Yes.

Q. In order to edit and then --

A. No.

Q. -- the next step?

A. Well, they wouldn't require to look at their profile in order to edit. You could go directly to the main page of the site and click log-in and register.

Q. That's what I was getting at?

A. Okay.

Q. So there's a way the physician
