STIPULATED ORDER

ENTERED BY MAGISTRATE JUDGE KRISTEN L. MIX

The production of privileged or work-product protected documents, electronically stored information ("ESI") or information, whether inadvertently or otherwise, is not a waiver of the privilege or protection from discovery in this case or in any other federal or state proceeding. This Stipulated Order shall be interpreted to provide the maximum protection allowed by Federal Rule of Evidence 502(d).

Nothing contained herein is intended to or shall serve to limit a party's right to conduct a review of documents, ESI or information (including metadata) for relevance, responsiveness

and/or segregation of privileged and/or protected information before production. Nothing contained herein shall prevent a party from contesting another party's claim of privilege or protection. The procedure for return of materials over which a party claims a privilege or protection shall be set forth in a separate Protective Order.
