You don't often get email from brett.govett@nortonrosefulbright.com. Learn why this is important

Alkane Midstream LLC, Mr. Blazei, and Mr. Woods:

I am counsel for Crusoe Energy Systems, LLC ("Crusoe"). Please take notice of the attached Complaint filed by Crusoe today against Alkane Midstream LLC in the United States District Court for the District of Colorado, Denver Division. Other court filings today include an Emergency Motion for Temporary Restraining Order and Preliminary Injunction, a Motion for Expedited Discovery, and a Motion to Restrict Access with respect to sealed documents. The filings are too voluminous to attach to this email. Please confirm receipt by email and have your outside counsel contact me first thing tomorrow morning. We are happy to provide your outside counsel with courtesy copies of all documents filed in the case. Documents filed under seal may only be provided to and accessed by outside counsel.

Please do not destroy or alter any evidence concerning this matter. That is part of the relief we seek from the Court on an expedited basis. If we learn that evidence was altered or destroyed, we have no choice but to bring this to the attention of the Court and seek appropriate relief.

Thank you.
