PLAINTIFF CRUSOE ENERGY SYSTEMS LLC'S NOTICE WITHDRAWING ITS EMERGENCY MOTION FOR TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

On August 22, 2022, Plaintiff Crusoe Energy Systems LLC ("Crusoe") filed an Emergency Motion for Temporary Restraining Order and Preliminary Injunction ("Motion") (ECF 9) seeking to restrain and enjoin Alkane Midstream LLC ("Alkane") from infringing Crusoe's patents by using infringing systems in the United States, including at the Colorado Well Pad of the Colorado Producers. Thereafter, on October 14, 2022, Alkane stated in response to written discovery that "Alkane is not aware of any third-party currently using Alkane-generated electricity for a distributed computing system." In addition, on October 17, 2022, Crusoe reached an agreement with the Colorado Producers, under which Crusoe will provide flare mitigation services at the Colorado Well Pad. Because these subsequent events negate the imminent nature of further irreparable harm to Crusoe as a result of Alkane's infringing conduct, Crusoe hereby withdraws its Motion.
