We provide power and alternative fuel solutions for the Permian and Williston Basins

We have a passion for responsible utilization of 100% of the gas molecule. We offer our customers the most comprehensive power and natural gas solution sets in the basins we serve, without the need for third parties. We have a keen interest in adding value to methane and ethane to produce low carbon fuel and power which simultaneously improves your bottom line and your ESG profile.

Want to monetize your flare gas? Need affordable, clean off-grid power? Call Alkane.
