MICHAEL POPMA,

Defendant.

INDICTMENT

Count 1, 18 U.S.C. § 371
Count 2, 18 U.S.C. § 201(b)(2)(C)
Count 3, 18 U.S.C. § 1791
Count 4, 18 U.S.C. § 2511

The Grand Jury charges:

General Allegations

At all times material to this Indictment:

1. The Federal Correctional Complex, Florence (FCC-Florence) was a United States correctional complex composed of four correctional facilities located in Florence, Colorado and run by the Federal Bureau of Prisons (BOP). FCC-Florence includes the Federal Correctional Institution – Florence (FCI-Florence), which was a medium security facility that oversees the security and administration of the included Federal Prison Camp – Florence (FPC-Florence), a low-security facility.

2. FPC-Florence was a Federal correctional, detention, or penal facility or any prison, institution, or facility in which persons are held in custody by direction of the Attorney General.

3. BOP policies and procedures, including “Standards of Employee Conduct,” prohibited the introduction or attempted introduction of contraband into or upon the grounds of any Federal correctional institution without the Warden’s knowledge and consent. Contraband includes illegal drugs, controlled substances or alcoholic beverages, and cellular telephones. These policies and procedures also prohibited employees from accepting any gift, article, favor, or personal service from an inmate or any member of their family.

4. The defendant, MICHAEL POPMA, was employed as a BOP Special Investigative Service (SIS) Lieutenant assigned to FCC-Florence. POPMA was responsible for supervising all FCI-Florence SIS staff members and overseeing the investigation, mitigation, and elimination of illicit BOP inmate activities. By virtue of his position and responsibilities at FCI-Florence, POPMA was a public official in a high-level decision-making and sensitive role. POPMA used his position to act in violation of his lawful duty by conspiring to smuggle contraband into FPC-Florence in exchange for payments from inmates and their associates.

5. INMATE 1 was an inmate housed at FPC-Florence.

6. FAMILY MEMBER 1 was a family member of INMATE 1.

Count 1

CONSPIRACY, 18 U.S.C. § 371

7. Beginning on or about September 2024, through on or about November 26, 2024, in the District of Colorado and elsewhere, the defendant, MICHAEL POPMA, along with INMATE 1 and FAMILY MEMBER 1, did knowingly and voluntarily agree with each other and others known and unknown to the Grand Jury to commit the following offenses against the United States:

- a. To engage in bribery, that is, for a public official to directly and indirectly, corruptly demand, seek, receive, and accept, and agree to receive and accept anything of value personally in return for being induced to do and omit to do any act in violation of the official duty of the public official, in violation of Title 18, United States Code, Section 201(b)(2)(C); and,
- b. To provide prohibited objects to inmates of a federal prison, that is, to knowingly provide and attempt to provide inmates in a federal prison, that is FPC-Florence, prohibited objects as defined in Title 18, United States Code, Sections 1791(d)(1)(D), (d)(1)(F), and (d)(1)(G), in violation of Title 18, United States Code, Section 1791(a)(1).

Manner and Means

8. The manner and means of the conspiracy included, but were not limited to, the following:

assisting with smuggling contraband into FCP-Florence for inmates housed in FCP-Florence

- b. POPMA coordinated with INMATE 1 and FAMILY MEMBER 1 to plan and assist with the introduction of contraband—which included, among other things, cellular telephones, electronic nicotine vaporizers, and alcohol—into FPC-Florence to be provided to inmates.
- c. In exchange for his assistance with the introduction of contraband into FPC-Florence, POPMA received payments from inmates and/or their associates including cash and bottles of alcohol. Specifically, FAMILY MEMBER 1 understood that these bribes were compensation for POPMA’s assistance in allowing and coordinating contraband introductions into FPC-Florence and for assisting with INMATE 1’s early release from FPC-Florence.

Overt Acts

9. In furtherance of the conspiracy, and to accomplish its purpose, one or more members of the conspiracy committed and caused to be committed the following overt acts in the District of Colorado:
