HINCKLEY, ALLEN & SNYDER
By: William R. Grimm, Esquire
1500 Fleet Center
Providence, Rhode Island 02903

air embossed the fabric, you parted the fibres leaving the white grinning so we didn't do it.

Q. When did Microfibres begin heat setting?

A. It would have been the late-'80's.

Q. When did the Canadian outfit begin heat setting?

A. Well, that's what I mean. Late-'80's.

Q. Late-'80's. Okay. Describe for me the process of heat setting.

A. Heat setting is treating the nylon pile to a temperature and a time duration that is greater than what it will receive in a subsequent process so the fibre remembers the condition it's in in the -- during heat setting.

Q. Now, you said that without heat setting the pile comes out in a flattened state?

A. Yes.

Q. Wouldn't it be raised through the process that we've already described, through the brushing?

A. Not with standard brushing, no, it would not be.

Q. So without heat setting, can you manufacture a flocked fabric with a flock that's in an erect state?

A. Without heat setting it's pretty hard to. Comes out flat.

Q. And when did heat setting become part of the

I, **Devin J. Baccari**, Certified Shorthand Reporter, and Notary Public within and for the State of Rhode Island, do hereby certify that I am expressly approved as a person qualified and authorized to take depositions pursuant to the Rules of Civil Procedure of this Court, especially, but without restriction thereto, under Rule 30 (e) of said Rules; that the witness was first sworn by me; that the foregoing **152** pages contain a true recording of the proceedings.

I further certify that the exhibits are attached and copies furnished to counsel.

I further certify that I am not counsel, attorney or relative of either party or clerk or stenographer of either party, or of the attorney of either party, or otherwise interested in the event of this suit.

I have enclosed with the deposition a correction and signature page, which must be signed before a Notary Public.

IN WITNESS WHEREOF, I hereunto set my hand this 4th day of April, 2003.

Devin J. Baccari
