Dow Jones Reuters Business Interactive, LLC d/b/a Factiva v. Ablaise, Ltd., et al.
Civil Action Nos.: 1:06-CV-01015
Our File No.: 124258.0004

Dear Steve:

I write to follow up on our phone conversation yesterday regarding the '530 patent. As you'll recall you indicated that, in order to dismiss the '530 patent from these cases, a covenant not to sue on currently existing products would be sufficient. However, you feel the covenant must extend beyond the parties to the lawsuit to include all of News Corporation because News Corporation purchased Dow Jones during the pendency of this lawsuit.

We cannot agree, and we will file a motion as we discussed seeking dismissal of the '530 patent. I believe we have met our meet and confer obligations on this matter, but if you feel otherwise, perhaps we can discuss it further at today's 2 p.m. EDT meet and confer on other issues. Until the motion is resolved, you will need to decide how you wish to proceed regarding the '530 patent.

Sincerely,

ROBINS, KAPLAN, MILLER & CIRESI L.L.P.
