Dear Rick,

Thank you, Rick. Yes, everybody seems to think that you and I are doing a great job on Russia together.

I can get a room now for breakfast on October 16. We are waiting for the possibility of lunch on October 27. Shall we settle for breakfast on October 26? (I shall be out from noon October 26 until 10 am October 27). We are grateful if you cover the cost.

Best,

Anders

Dear Anders

Great job today!

I forgot to ask you about our proposed lunch with Mikhail / Petr on October 26th at the Council. Is this on track? Can I do anything to help?

Cheers

Rick
