Thanks. We are sending digitally so I won't change the street address, but we'll add that to our records.
Thank you. Will send shortly.

Dear Drew,

The letter is excellent, and it is right to copy it to Rick Burt.

I have a different office street address for him:

9, M. Porevaevoy Street
Moscow, 107078
Russia

But that hardly matters.

Anders

Dear Anders,

Fred has approved the attached note and the below cover. Just send to male with a call in order to get it done before sending.

Thanks,
Drew

Subject: Letter from Fred Kempe

Dear Petr,

I hope this note finds you well. Attached is a letter from me following up on our recent meeting in Washington. I greatly look forward to hearing your reply.

I'm also copying Rick Burt, who is helping us think about our relationship with Letter One, but perhaps there's also a larger role for you personally to play at the Atlantic Council. As I mentioned, John Browne will be speaking at our Atlantic Council Energy and Economic Summit in Istanbul on November 18-20 (let me know if you are interested in attending).

I will be in London September 13-14, if you are available then.

Best,
Fred
