sound business practice, if an FBI employee obtains an item of evidence which clearly is not relevant to the Assessment or investigation and there is no foreseeable future evidentiary or intelligence value of the item for the FBI or the USIC, the item should be returned or destroyed as circumstances warrant, with a record of the disposition documented in the file or on the FD-71 or Guardian (FD-71a). In the alternative, such item of evidence may be sequestered in the investigative file. If it is later determined that the item of evidence is relevant, the item may be used in the investigation upon such determination. The determination of relevancy will be made on a case-by-case basis with supervisory direction and may include consultation with the appropriate federal prosecuting office and/or the Chief Division Counsel (CDC) or the Office of the General Counsel (OGC). This policy does not supersede Sections 18.6.4.1.5 (Administrative Subpoenas); 18.6.5.1 (Federal Grand Jury Subpoena); 18.6.6.1.7 (National Security Letters); or 18.6.7.1.6 (FISA Order for Business Records), or any requirement imposed by statute, regulation or other applicable law.

### 18.5.1 (U) INVESTIGATIVE METHOD: PUBLIC INFORMATION (“PUBLICLY AVAILABLE INFORMATION”)

(U) See AGG-Dom, Part II.A.4.a and Part VII.L.

#### 18.5.1.1 (U) SCOPE

(U//~~FOUO~~) Public information is “Publicly Available Information” that is:

- A) (U) Published or broadcast for public consumption;
- B) (U) Available on request to the public;
- C) (U) Accessible on-line or otherwise to the public;
- D) (U) Available to the public by subscription or purchase;
- E) (U) Made available at a meeting open to the public;
- F) (U) Obtained by visiting any place or attending an event that is open to the public (e.g., public places); or
- G) (U) Observed, heard, smelled, detected or obtained by any casual observer or member of the public and does not involve unconsented intrusion into private places.

(U//~~FOUO~~) The phrase “observed, heard, smelled, detected or obtained by any casual observer or member of the public” includes, for example, plain view observations; overhearing a conversation taking place at an adjacent table in a public restaurant; odor detection (by a person, drug dog, or technical device) emanating from a vehicle, in a public place, or from locations to which the employee has gained lawful access; searching property that has been intentionally abandoned, including property discarded in public trash containers or public dumpsters (but does not include a “trash cover” as set forth in DIOG Section 18.6.12).

(U//~~FOUO~~) The following are examples:

- 1) (U) Viewing the vehicle identification number or personal property that is exposed to public view and may be seen when looking through the window of a car that is parked in an area that is open to and accessible by members of the public;
- 2) (U) The examination of books and magazines in a book store or the purchase of such items. See *Maryland v. Macon*, 472 U.S. 463 (1985); and
- 3) (U) A deliberate overflight in navigable air space to photograph marijuana plants is not a search, despite the landowner’s subjective expectation of privacy. See *California v. Ciraolo*, 476 U.S. 207 (1986).

(U//~~FOUO~~) Note: Consent Searches are authorized in Assessments, as well as in Predicated Investigations.

(U//~~FOUO~~) Note: If the originator of information reported to the FBI characterizes an individual, group, or activity in a certain way, and that characterization should be documented for completeness of the FBI record, the FBI record (i.e., 302, EC, LHM) should reflect that another party, and not the FBI, is the originator of the characterization.

**18.5.2 (U) INVESTIGATIVE METHOD: RECORDS OR INFORMATION – FBI AND DEPARTMENT OF JUSTICE (DOJ)**

(U) See AGG-Dom. Part II.A.4.b.

**18.5.2.1 (U) SCOPE**

(U//~~FOUO~~) An FBI employee may access and examine FBI and other DOJ records and may obtain information from any FBI personnel or other DOJ personnel. Access to certain FBI records may be restricted to designated FBI personnel because of the sensitive nature of the information in the record, the classification of the record, or the tool used to gather the information contained in the record. These include, but are not limited to: FBI records concerning human source identification; espionage investigations; code word; other compartmented information; records that include raw FISA collections; and Rule 6(e) material.

(U//~~FOUO~~) *Note:* If the originator of information reported to the FBI characterizes an individual, group, or activity in a certain way, and that characterization should be documented for completeness of the FBI record, the FBI record (i.e., 302, EC, LHM) should reflect that another party, and not the FBI, is the originator of the characterization.

**18.5.2.2 (U) APPLICATION**

(U//~~FOUO~~) [Redacted]

b7E

**18.5.2.3 (U) APPROVAL**

(U//~~FOUO~~) Supervisory approval is not required to use this method, except that if the use of records constitutes pattern-based data mining under the Federal Data Mining Reporting Act of 2007, it must be reviewed and approved according to Section 18.5.2.4 below.

**18.5.2.4 (U) PATTERN-BASED DATA MINING**

(U//~~FOUO~~) As used here, pattern-based data mining (PBDM) means queries or other analysis of electronic databases using two or more search criteria designed to discover or locate a predictive pattern or anomaly indicative of terrorist or criminal activity on the part of any individual or individuals (as defined in [Redacted])

b7E

[Redacted] Any such analysis based solely on racial, ethnic, national origin or religious characteristics is strictly prohibited.

(U//~~FOUO~~) For purposes of this requirement, pattern-based data mining does not include activities using one or more personal identifiers to identify an individual or analysis designed to discover links between a specific subject and unknown individuals or entities, even if the subject's actual identity is not yet known. Pattern-based data mining does not include queries or analysis designed solely to identify potential human sources of intelligence nor does it include activities designed to identify an individual or individuals associated with criminal or terrorist activity that has already occurred. [Redacted] because the queries are being used to investigate a crime that has already occurred. Queries designed to identify individuals or entities who have had contact with a specific individual are not pattern-based data mining; rather, such queries are subject-based data mining, even if the specific individual’s actual identity is presently unknown.

(U//~~FOUO~~) The majority of data analysis performed during FBI Assessments and Predicated Investigations is based on specific individuals or events and therefore does not constitute pattern-based data mining because it is either link analysis or is not predictive of future behavior.

(U//~~FOUO~~) A Privacy Threshold Analysis (PTA) for pattern-based data mining must be completed and forwarded to the Privacy and Civil Liberties Unit, OGC. See the Privacy Policy Implementation Guide, 0299PG, for additional details.

(U//~~FOUO~~) The Sensitive Operations Review Committee (SORC) must also receive notice of any proposal to use pattern-based data mining as defined above. Additionally, pursuant to the Federal Agency Data Mining Reporting Act of 2007,<sup>26</sup> the FBI must advise the DOJ of all agency initiatives that involve the use of PBMD, so that those activities may be included in the Department’s annual report to Congress. (See the Pattern-based Data Mine Reporting Requirements Policy Directive, 0310D).

18.5.2.5 (U) USE/DISSEMINATION

(U//~~FOUO~~) The use or dissemination of information obtained by this method must comply with the AGG-Dom and DIOG Section 14.

(U//~~FOUO~~) The request for the records and the records received from DOJ and used during an Assessment or Predicated Investigation must be maintained as part of the appropriate file

(U) See AGG-Dom. Part II.A.4.c.

**18.5.3.1 (U) SCOPE**

(U//~~FOUO~~) An FBI employee may access and examine records maintained by, and request information from, other federal, state, local, or tribal, or foreign governmental entities or agencies. When requesting information using this authority, care must be taken to ensure the entity to which the request is made understands that it is not compelled to provide such information or create a new record to assist the FBI.

(U//~~FOUO~~) *Note:* If the originator of information reported to the FBI characterizes an individual, group, or activity in a certain way, and that characterization should be documented for completeness of the FBI record, the FBI record (i.e., 302, EC, LHM) should reflect that another party, and not the FBI, is the originator of the characterization.

(U//~~FOUO~~) **Requests to other Federal Agencies:** The FBI may request, for a law enforcement purpose, that another federal agency disclose Privacy Act-protected records through a written request (5 U.S.C. 552a(b)(7)). Such written requests must be for a civil or criminal law enforcement purpose and must be made by the Director or his designee. (See 28 CFR 16.40(c); OMB Guidelines, 40 Fed. Reg. at 28 sec. 955.) Pursuant to these provisions, the Director hereby delegates his authority to request formally from federal agencies information and records otherwise protected from disclosure by the Privacy Act, at FBIHQ, to all Section Chiefs and above, and in the field, to all SACs and ADICs. This authority may not be redelegated to a person below the rank of SAC in the field and SC in FBIHQ.

(U) The FBI may also request another federal agency to disclose Privacy Act-protected records pursuant to that agency’s published routine uses. See 5 U.S.C. sec. 552a(b)(3). These requests need not be made in writing, and there are no restrictions on which FBI personnel may ask for such information.

(U//~~FOUO~~) **Requests to Foreign Agencies:** Requests for records or information from a foreign government entity or agency must be appropriately coordinated through the applicable FBI LEGAT office, International Operations Division (IOD), INTERPOL, relevant FBIHQ operational division, and/or DOJ Office of International Affairs, as necessary. Direct contact with foreign government agencies is authorized in certain circumstances, such as an imminent threat situation.

18.5.5.2 (U) APPLICATION

(U//~~FOUO~~) This investigative method may be used in Assessments, Predicated Investigations, foreign intelligence collection investigations, and for assistance to other agencies when it is not otherwise prohibited by AGG-Dom, Part III.B.2.

(U) When collecting positive foreign intelligence, the FBI must operate openly and consensually with an USPER, to the extent practicable.

(U//~~FOUO~~) A CHS can be "used" in support of an Assessment and a Predicated Investigation or for the purpose of validating, vetting or determining the suitability of another CHS as part of an Assessment.

18.5.5.3 (U) APPROVALS

(U//~~FOUO~~) All investigative methods should be evaluated to ensure compliance with the admonition that the FBI should use the least intrusive method if reasonable based upon the circumstances of the investigation. That requirement should be particularly observed during an Assessment when using a CHS because the use of a CHS during an Assessment may be more intrusive than many other investigative methods. Use of a CHS in an Assessment should take place only after considering whether there are effective, less intrusive means available to obtain the desired information. The CHS must comply with all constitutional, statutory, and regulatory restrictions and limitations. In addition:

- A) (U//~~FOUO~~) CHS use and direction must be limited in focus and scope to what is necessary to accomplish the authorized purpose and objective of the Assessment or Predicated Investigation. [redacted]

**18.5.6 (U) INVESTIGATIVE METHOD: INTERVIEW OR REQUEST INFORMATION FROM THE PUBLIC OR PRIVATE ENTITIES**

(U) See AGG-Dom. Part II.A.4.f; AGG-Dom. Part II.B.4.

**18.5.6.1 (U) SCOPE**

(U//~~FOUO~~) An interview is the questioning of an individual (including a subject or target) in order to gather information that is pertinent to and within the scope of an authorized Assessment or Predicated Investigation, or otherwise within the scope of FBI authority. An “interrogation” is a type of interview. For purposes of this policy provision, the terms “interview” and “interrogation” are interchangeable. In accordance with DIOG Section 5.1.1, the initial questioning of a complainant is not an interview, nor is re-contacting a complainant to clarify information that was initially provided. Normally, an FBI employee should disclose the employee’s affiliation with the FBI and true purpose of the interview at the outset. The person being interviewed is voluntarily providing information and his/her Constitutional rights must be respected.

(U//~~FOUO~~) It is the policy of the FBI that an employee<sup>27</sup> must not use force, threats, improper promises, or physical abuse when conducting an interview, or the threat of such abuse to the person being interviewed, or to any third party. It is also the policy of the FBI that an employee must not impose severe physical conditions on the person being interviewed.

(U//~~FOUO~~) All persons, whether in custody or not, located domestically or overseas, who are interviewed by FBI employees must be treated in accordance with FBI policy at all times. In addition, FBI employees must adhere, at all times, to the Constitution and laws of the United States, including but not limited to the prohibition against torture found in chapter 113C of title 18, United States Code, when conducting any interview or interrogation regardless of geographic location of the interview or interrogation.

(U//~~FOUO~~) FBI employees may not obtain a statement by force, threats, or improper promises. FBI employees do not have the authority to promise leniency or immunity from prosecution. Additionally, the interviewer should make reasonable efforts to obtain information that is accurate, relevant, timely, and complete. An interview may only elicit a description of how an individual exercises a right guaranteed by the First Amendment to the Constitution if such information is pertinent to and within the scope of an authorized activity; similarly, regardless of how such information is elicited, it may not be maintained in FBI files unless it is pertinent to and within the scope of an authorized activity.

(U//~~FOUO~~) Nothing in this section prohibits asking for or accepting volunteered access to personal or real property. “Consent Searches” are authorized in Assessments, as well as in Predicated Investigations.

(U//~~FOUO~~) [redacted]

b7E

<sup>27</sup> The term “FBI employee” includes, but is not limited to, an operational/administrative professional staff person, intelligence analyst, special agent, task force officer (TFO), task force member (TFM), task force participant (TFP), detailee, and FBI contractor.

(U//~~FOUO~~) *Note:* If the originator of information reported to the FBI characterizes an individual, group, or activity in a certain way, and that characterization should be documented for completeness of the FBI record, the FBI record (i.e., 302, EC, LHM) should reflect that another party, and not the FBI, is the originator of the characterization.

b7E

#### 18.5.6.3 (U) VOLUNTARINESS

(U//~~FOUO~~) Information that is sought during an interview must be provided voluntarily. It is the policy of the FBI that an employee must not use force, threats, improper promises, or physical abuse when conducting an interview, or the threat of such abuse to the person being interviewed, or to any third party. It is also the policy of the FBI that an employee must not impose severe physical conditions on the person being interviewed.

(U//~~FOUO~~) FBI employees do not have the authority to promise leniency or immunity from prosecution. If, during a non-custodial interview, the interviewee indicates he or she wishes to consult an attorney, the interviewer should assess whether continuing the interview would negatively affect the voluntariness of any further information provided. In determining whether a statement has been given voluntarily, courts evaluate a “totality of the circumstances,” which may include consideration of the following factors:

- A) (U//~~FOUO~~) Whether the interviewee was notified of any charges against him/her or advised of his/her rights;
- B) (U//~~FOUO~~) The interviewee’s age, intelligence, experience, and physical condition;
- C) (U//~~FOUO~~) Whether there was any physical abuse or threats of abuse during the interview;
- D) (U//~~FOUO~~) The number of officers present and whether weapons were displayed during the interview;
- E) (U//~~FOUO~~) Whether threats or psychological pressure was used during the interview;
- F) (U//~~FOUO~~) Whether the interviewee was deprived of food, sleep, medication, or outside communication during the interview;

G) (U//~~FOUO~~) The duration of the interview, and whether any trickery, ruse, or deception was used; and

H) (U//~~FOUO~~) Whether there were any promises of leniency or other inducements made during the interview.

(U//~~FOUO~~) See Sections 18.5.6.3.8, 18.5.6.3.9, and 18.5.6.4.13 below for additional considerations when interviewing juveniles.

(U//~~FOUO~~) These factors are illustrative. The presence of any one or more of the factors mentioned above will not necessarily make a statement involuntary.

18.5.6.4 (U) APPROVAL / PROCEDURES

(U//~~FOUO~~) Generally, interviews do not require supervisory approval, except for:

- A) (U//~~FOUO~~) Circumstances involving the Advice of Rights in Connection with Operational Terrorists inside the United States (See Section 18.5.6.4.1.4 below);
- B) (U) Contact with Represented Parties (See Section 18.5.6.4.5 below);
- C) (U) Member of the U.S. Congress and their Staffs (See Section 18.5.6.4.6 below);
- D) (U) White House Personnel (See Section 18.5.6.4.7 below);
- E) (U) Members of the News Media (See Section 18.5.6.4.8 below); and
- F) (U//~~FOUO~~) [Redacted]

b7E

(U//~~FOUO~~) No policy or PG may contradict, alter or otherwise modify the interview standards of the DIOG, i.e., requiring approvals for other types of interviews not specified above, etc. PGs may, however, require prior notice to FBIHQ for other interview types.

18.5.6.4.1 (U) DOMESTIC CUSTODIAL INTERVIEWS<sup>30</sup>

(U//~~FOUO~~) An FBI employee must advise a person who is in custody of his/her *Miranda* rights, per the [Redacted] *FD-395* form, before beginning an interview inside the United States with the exception of questioning reasonably prompted by a concern for public safety (discussed below) including the exception of questioning reasonably prompted by a concern for public safety (See DIOG Section 18.5.6.4.1.3 below) [Redacted] [Redacted] See DIOG Section 18.5.6.4.1.4 below). It is critical that the person understand his/her rights before questioning. By signing the *FD-395*, the defendant acknowledges that he/she has been advised of his/her rights and is willing to proceed without a lawyer present. Once the advice of rights is provided and the interviewee voluntarily, knowingly, and intelligently waives those rights, the interview may proceed until such time as the interviewee invokes a right to silence and/or counsel. [Redacted]

(U//~~FOUO~~) A person is "in custody" for purposes of *Miranda* when his/her freedom of movement is significantly restricted. Custody can arise short of formal arrest when, judging from the totality of the circumstances, a reasonable person in the position of the interviewee

would believe that he/she is in custody. A brief, temporary investigative detention is not custody provided it is reasonable in scope. In assessing whether a temporary detention is reasonable in scope and thus not custody for purposes of *Miranda*, factors to consider include the degree of force used to affect the detention, use of restraining devices and whether the individual was moved from the location of the stop. Employees can clarify custodial status by telling the person that he/she is not under arrest. See DIOG subsection 18.5.6.4.17.3 below regarding requirements for recording custodial interviews. All statements made during a custodial interview of persons arrested by the FBI for federal crimes,<sup>31</sup> prior to initial appearance and while in a place of detention with suitable recording equipment, must be electronically recorded (with very limited exceptions as listed in DIOG subsection 18.5.6.4.17.4, below).

#### 18.5.6.4.1.1 (U) *MIRANDA* WARNINGS REQUIRED DOMESTICALLY

(U//~~FOUO~~) *Miranda* warnings are required when a person:

- A) (U//~~FOUO~~) Has been arrested and is in federal, tribal, state, or local custody;
- B) (U//~~FOUO~~) Is significantly restricted in his freedom of movement to a degree normally associated with a formal arrest; or
- C) (U//~~FOUO~~) Regardless of custody, has previously been formally charged, prosecution is pending, and the subject matter of the interview concerns the pending charge.

(U//~~FOUO~~) For the purposes of *Miranda*, an interview refers to express questioning and any words or actions that are reasonably likely to elicit an incriminating response. In a custodial interview, the individual must be advised of the names and official identities of the employee(s) conducting the interview, the nature of the inquiry, and provided *Miranda* warnings, per the FD-395 form, before being interviewed. After being advised of his/her rights, if an interviewee who is in custody, invokes the right to counsel and/or the right to remain silent, this must be honored and the interview must cease. However, once the advice of rights is provided and the interviewee voluntarily, knowingly, and intelligently waives those rights, the interview may proceed until such time as the interviewee invokes a right to silence and/or counsel. While an express waiver, including signing a waiver portion of the FD-395, is preferred, [REDACTED]

b7E

Once the interviewee invokes his or her right to remain silent and/or right to counsel, the interview must immediately be terminated. The fact that the interviewee invoked the right to counsel and/or the right to remain silent should be recorded on the FD-395 and the form should be executed in all other respects.

#### 18.5.6.4.1.2 (U) *MIRANDA* WARNINGS NOT REQUIRED DOMESTICALLY

(U//~~FOUO~~) There are certain custodial interviews in which the protection *Miranda* provides against self-incrimination may not be served by reading the standard warnings and obtaining a waiver. In the following circumstances, *Miranda* warnings are not required for custodial interviews:

- A) (U//~~FOUO~~) standard booking questions;

<sup>31</sup> This policy does not apply to a person arrested for a state or local crime during a joint or Task Force investigation.

- B) (U//~~FOUO~~) an interview of the incarcerated individual as a victim or witness in an unrelated matter that does not pertain to any pending charges against the interviewee;
- C) (U//~~FOUO~~) the public safety exception (discussed in more detail below); and
- D) (U//~~FOUO~~) in connection with arrests of operational terrorists inside the United States (discussed in more detail below).

#### 18.5.6.4.1.3 (U//~~FOUO~~) PUBLIC SAFETY EXCEPTION

(U//~~FOUO~~) The warning and waiver of rights is not required when questions are asked that are reasonably prompted by a concern for public safety [REDACTED]

b6  
b7C

[REDACTED] This public safety exception could also apply to other situations where imminent threat(s) to the safety of law enforcement officers or member(s) of the public could be alleviated by questions necessary to neutralize the threat.

#### 18.5.6.4.1.4 (U//~~FOUO~~) ADVICE OF RIGHTS IN CONNECTION WITH ARRESTS OF OPERATIONAL TERRORISTS INSIDE THE UNITED STATES<sup>32</sup>

(U//~~FOUO~~) Identifying and apprehending suspected terrorists, interrogating them to obtain intelligence about terrorist activities and impending terrorist attacks, and lawfully detaining them so that they do not pose a continuing threat to our communities are critical to protecting the American people. The DOJ and the FBI believe that we can maximize our ability to accomplish these objectives by continuing to adhere to FBI policy regarding the use of *Miranda* warnings for custodial interrogation of operational terrorists<sup>33</sup> who are arrested inside the United States:

- A) (U//~~FOUO~~) If applicable, agents should ask any and all questions that are reasonably prompted by an immediate concern for the safety of the public or the arresting agents without advising the arrestee of his *Miranda* rights.<sup>34</sup>
- B) (U//~~FOUO~~) After all applicable public safety questions have been exhausted, agents should advise the arrestee of his/her *Miranda* rights and seek a waiver of those rights before any further interrogation occurs, absent the exceptional circumstances described below.

<sup>32</sup> (U//~~FOUO~~) This guidance applies only to arrestees who have not been indicted and who are not known to be represented by an attorney. For policy concerning the interrogation of indicted defendants, see Section 18.5.6.4.1; and for policy concerning contact with represented persons, see DIOG Section 18.5.6.4.5.

<sup>33</sup> (U//~~FOUO~~) For these purposes, an operational terrorist is an arrestee who is reasonably believed to be either a high-level member of an international terrorist group; or an operative who has personally conducted or attempted to conduct a terrorist operation that involved risk to life; or an individual knowledgeable about operational details of a pending terrorist operation.

<sup>34</sup> (U//~~FOUO~~) The Supreme Court held in *New York v. Quarles*, 467 U.S. 649 (1984), that if law enforcement officials engage in custodial interrogation of an individual that is "reasonably prompted by a concern for the public safety," any statements the individual provides in the course of such interrogation shall not be inadmissible in any criminal proceeding on the basis that the warnings described in *Miranda V. Arizona*, 384 U.S. 436 (1966), were not provided. The Court noted that this exception to the *Miranda* rule is a narrow one and that "in each case it will be circumscribed by the {public safety} exigency which justifies it." 467 U.S. at 657.

Domestic Investigations and Operations Guide

§18

C) (U//~~FOUO~~) There may be exceptional cases in which, although all relevant public safety questions have been asked, agents nonetheless conclude that continued unwarned interrogation is necessary to collect valuable and timely intelligence not related to any immediate threat, and that the government's interest in obtaining this intelligence outweighs the disadvantages of proceeding with unwarned interrogation.<sup>35</sup>

(U//~~FOUO~~) In these exceptional cases, agents must seek SAC approval, which cannot be delegated, to proceed with an unwarned interrogation after the public safety questioning is concluded. Whenever feasible, the SAC will consult with FBIHQ (including OGC) and DOJ attorneys before granting approval. Presentment of an arrestee may not be delayed simply to continue the interrogation, unless the arrestee has timely waived prompt presentment.

(U//~~FOUO~~) The determination whether particular unwarned questions are justified on public safety grounds must always be made on a case-by-case basis based on all the facts and circumstances. In light of the magnitude and complexity of the threat often posed by terrorist organizations, particularly international terrorist organizations, and the nature of their attacks, the circumstances surrounding an arrest of an operational terrorist may warrant significantly more extensive public safety interrogation without *Miranda* warnings than would be permissible in an ordinary criminal investigation. Depending on the facts, such interrogation might include, for example,

b7E

(U//~~FOUO~~) As noted above, if there is time to consult with FBIHQ (including OGC) and Department of Justice attorneys regarding the interrogation strategy to be followed prior to reading the arrestee his *Miranda* rights, the field office should endeavor to do so. Nevertheless, the agents on the scene who are interacting with the arrestee are in the best position to assess what questions are necessary to secure their safety and the safety of the public, and how long the post-arrest interview can practically be delayed while interrogation strategy is being discussed.

#### 18.5.6.4.2 (U//~~FOUO~~) *MIRANDA WARNINGS FOR SUSPECTS IN CUSTODY OVERSEAS*

(U//~~FOUO~~) The decision to use or not use *Miranda* warnings during an overseas custodial interrogation will have to be made on a case-by-case basis and weigh many factors. Overall, if there is a reasonable likelihood of a prosecution in a U.S. civilian criminal court of the person being interrogated while in custody overseas, agents should discuss with FBIHQ, FBI OGC, and DOJ whether warnings should be provided to the person being interrogated. Once the determination is made to provide *Miranda* warnings as part of an overseas custodial

<sup>35</sup>(U//~~FOUO~~) The Supreme Court has strongly suggested that an arrestee's Fifth Amendment right against self-incrimination is not violated at the time a statement is taken without *Miranda* warnings, but instead may be violated only if and when the government introduces an unwarned statement in a criminal proceeding against the defendant. See *Chavez v. Martinez*, 538 U.S. 760, 769 (2003) (plurality op.); *id.* at 789 (Kennedy, J., concurring in part and dissenting in part); *cf. also id.* at 778-79 (Souter, J., concurring in the judgment); See also *United States v. Patane*, 542 U.S. 630, 641 (2004) (plurality opinion) ("[V]iolations [of the Fifth Amendment right against self-incrimination] occur, if at all, only upon the admission of unwarned statements into evidence at trial."); *United States v. Verdugo-Urguidez*, 494 U.S. 259, 264 (1990) ("[A] violation [of the Fifth Amendment right against self-incrimination] occurs only at trial.").

interrogation, if the person being interrogated invokes his right to remain silent or consult with an attorney, this invocation should be honored. If use of *Miranda* warnings is appropriate given the circumstances of the case, the following DOJ-approved modified waiver form should be used. The form is the *Standard Advice of Rights for Suspects in Foreign Custody, FD-1081*.

18.5.6.4.3 (U) **CONSTITUTIONAL RIGHTS TO SILENCE AND COUNSEL UNDER MIRANDA**

- A) (U//~~FOUO~~) **Silence:** If a custodial interviewee invokes his/her right to remain silent, FBI employees should not attempt a subsequent interview until a significant period of time has elapsed (a two-hour period has been held to be significant) or the interviewee requests to be interviewed anew. In either case, an FBI employee will ensure that the interviewee is again advised of his/her *Miranda* rights and indicates that he/she understand those rights before further questioning. If the interviewee again asserts his/her right to remain silent or the right to counsel, questioning must cease at that time. Assertion of the right to silence, like assertion of the right to counsel, must be unequivocal and unambiguous. A waiver of the right to remain silent occurs when an interviewee knowingly and voluntarily makes a statement; assertion of the right to remain silent requires more than mere silence in the face of questioning. This right, like the right to counsel, can be invoked at any time during custodial interrogation. Agents may continue questioning someone who has not clearly invoked his/her right to remain silent, but if the custodial interviewee asserts his/her right to silence, questioning must cease at that time.
- B) (U//~~FOUO~~) **Counsel:** If a custodial interviewee invokes his/her right to counsel, questioning must cease. FBI employees may not attempt a subsequent interview unless counsel is present, the custodial interviewee initiates contact, or there has been a break in custody of at least 14 days.
- 1) (U//~~FOUO~~) When a custodial interviewee who has invoked his/her right to counsel initiates a subsequent interview, an FBI employee must ensure that the interviewee is advised of and understands his/her *Miranda* rights before proceeding with the interview. Not every statement by a custodial interviewee can fairly be interpreted as initiating a subsequent interview. In order to constitute the initiation of an interview, the custodial interviewee must either directly request such or use words that are reasonably interpreted as expressing a desire to be interviewed. If the words used are ambiguous, the FBI employee should clarify the custodial interviewee's intent by asking directly whether the custodial interviewee wants to be interviewed. The words and responses, if any, to such clarifying questions should be documented. General conversation by a custodial interviewee cannot be interpreted as indicating a desire to be interviewed and cannot be used standing alone to predicate a second interview after the right to counsel has been invoked. If the interviewee again asserts his/her right to counsel, or invokes his/her right to silence, questioning must cease at that time.
  - 2) (U//~~FOUO~~) When an uncharged and/or unrepresented interviewee who has previously invoked his/her right to counsel experiences a break-in-custody of at least 14 days, he/she may be approached for a subsequent interview. FBI employees, however, must ensure that the custodial interviewee is again advised of and waives his/her *Miranda* rights before proceeding with the interview. A break-in-custody for these purposes can occur even if an interviewee is continuously incarcerated. Questions as to what constitutes a break-in-custody should be directed to the CDC or OGC.

- 3) (U//~~FOUO~~) Contact with a represented person outside the presence of his/her counsel may implicate state ethics rules for attorneys (AUSAs). Before making such contact, employees are encouraged to contact the CDC, OGC, or the USAO. Once a represented person has been charged, information may only be elicited from the person: 1) regarding an unrelated or uncharged matter or 2) when counsel is present. Questions as to whether an individual is in fact represented or may be questioned as to a particular matter should be directed to the CDC or OGC.

#### 18.5.6.4.4 (U) *SIXTH AMENDMENT RIGHT TO COUNSEL*

(U//~~FOUO~~) The Sixth Amendment Right to Counsel requires the government to advise and obtain a waiver of the Right to Counsel prior to interviewing the person to whom the right has attached. The Right to Counsel attaches upon indictment regardless of whether the indicted person realizes an indictment has been returned. The Right to Counsel also attaches upon the filing of information and at the time of an initial appearance on a Federal Complaint. The Right to Counsel is offense specific. When applicable, a warning regarding the Right to Counsel and subsequent knowing and voluntary waiver must occur prior to an interview, regardless of whether the person is in custody. Providing a person with a *Miranda* warning and obtaining a waiver per the use of Form FD-395 will permit the interview of the person after the Right to Counsel has attached. The Sixth Amendment right to counsel does not prohibit the government from re-contacting the subject if the subject refuses initially to waive this right or otherwise has requested or obtained counsel following an Initial Appearance. However, further attempts to interview the subject may be prohibited if the subject invoked his right to counsel and remained in continuous custody or there was an insufficient break in custody (consistent with *Miranda* and its progeny). In addition, [REDACTED]

b7E

#### 18.5.6.4.5 (U) *CONTACT WITH REPRESENTED PERSONS*

(U//~~FOUO~~) CDC or OGC review is required before contact with represented persons in the absence of prior notice to counsel. Such contact may implicate legal restrictions and affect the admissibility of resulting evidence. Hence, if an individual is known to be represented by counsel in a particular matter, the CDC must follow applicable law and DOJ procedure when reviewing the request to contact the represented individual in the absence of prior notice to counsel. The SAC, CDC, or their designees, and the United States Attorney or his or her designees must consult periodically on applicable law and DOJ procedure relative to contact with represented persons. The field office may raise inconsistent application of: (i) state ethics rules; or (ii) rules for contacts with represented persons with the USAO and request that it consult with the DOJ Professional Responsibility Advisory Office. (AGG-Dom, Part V.B.1)

18.5.6.4.13 **(U) INTERVIEWS OF JUVENILES**

(U//~~FOUO~~) When determining whether to interview a juvenile (anyone under the age of eighteen) who does not fall within the provisions of the JDA above, e.g., when interviewing a juvenile as a witness or subject prior to arrest, and, if so, determining the scope and tactics that will be used, the FBI employee should consider the age and competency of the juvenile, whether the juvenile is emancipated, the juvenile's relationship to the suspect(s), safety concerns, the gravity of the offense at issue, any alternative sources of evidence, the importance of the information or potential testimony to the investigation, and the juvenile's degree of involvement, if any, with the offense. If the interview is custodial, compliance with the provisions of the Juvenile Delinquency Act (JDA) below is necessary. In determining whether a juvenile is in custody the test remains an objective test –was there a formal arrest or a deprivation of freedom of movement equivalent to an arrest. However, with respect to juveniles, if the juvenile's age is known to the interviewer or is objectively apparent, the juvenile's age is to be considered in the custody analysis. This is not to say that age is the determining or decisive factor in every case, but it recognizes that age is to be considered given a reasonable adult may view the circumstances surrounding the interview differently than a reasonable juvenile. If the juvenile is placed under arrest, the procedures listed in 18.5.6.4.14 must be followed. If not under arrest, but based on the objective circumstances surrounding the interview, including the juvenile's age, the juvenile is deemed to be in custody, the interviewer should advise the juvenile of their rights as set forth in the FD-395 and cease the interview if the juvenile invokes a right. Parental consent for a juvenile interview should be obtained when feasible under the circumstances of the investigation.

- A) (U//~~FOUO~~) Special consideration should be given to child interviews and to interviews of juveniles who are of a tender age, maturity, or have a significant developmental disability. To the extent appropriate, agents should make use of local child protective services to aid in interviewing a child -- especially for an offense involving sexual exploitation of the child. The agents should consider seeking approval to video and/or audio record child interviews to

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

address potential allegations that the child was manipulated and to have an unimpeachable record in case the child's statement changes.

- B) (U//~~FOUO~~) Federal statutes and the Attorney General Guidelines on Victim and Witness Assistance require federal investigators to utilize sensitive and developmentally appropriate practices designed to elicit the most accurate information from child victims and witnesses and to reduce unnecessary and additional trauma to these children. An interview should be appropriate for the age and developmental level of the child. It may be advisable in some instances for FBI employees to seek assistance with interviewing children – possibly by utilizing local child protective services – particularly, when the child is very young, developmentally disabled, or extremely traumatized. Interviews of child victims and witnesses, regardless of the type of crime, should be conducted by personnel properly trained in the techniques designed to best elicit accurate information from a child while minimizing additional trauma.

#### 18.5.6.4.14 (U) *INTERVIEWS OF JUVENILES AFTER ARREST*

(U//~~FOUO~~) Under the Juvenile Delinquency Act (JDA), a juvenile is anyone who commits a federal crime before his or her eighteenth birthday and who has not yet reached age twenty-one (21) before being charged. The provisions of the JDA, 18 U.S.C. § 5031 et seq., apply upon arrest. When an agent interviews a juvenile in custody, after arrest and prior to initial appearance while in a place of detention with suitable recording equipment, the statement must be recorded in accordance with DIOG subsection 18.5.6.4.17.3.

- A) (U//~~FOUO~~) Whenever a juvenile is arrested for a violation of federal law, he/she must be immediately advised of his/her legal rights and the United States Attorney must be notified. The juvenile's parents, guardian or custodian must also be immediately notified of his/her arrest as well as his/her rights and the nature of the alleged offense. After notification has been made, FBI employees must allow a parent, guardian, or custodian access to the juvenile if requested by the juvenile or by a parent, guardian or custodian of the juvenile. The juvenile must be promptly taken before a magistrate if a magistrate is available. If no magistrate is immediately available, the juvenile must be taken to a magistrate without undue delay.
- B) (U//~~FOUO~~) Whether a juvenile may be interviewed for a confession or admission of his own guilt between the time of his arrest for a federal offense and his initial appearance before the magistrate depends on the law of the circuit in which the arrest occurs. If the interrogation is not allowed under the law of the circuit, information volunteered by the arrested juvenile concerning his own guilt should be recorded in the FBI employee's notes for use in subsequent proceedings; clarifying questions may be asked as necessary to make certain the FBI employee correctly understands what the juvenile intends to say. The volunteered statement may be reduced to writing if such action does not involve any delay in the juvenile's appearance before the magistrate. Any questions concerning the law that applies in the particular circuit should be directed to the CDC.
- C) (U//~~FOUO~~) A juvenile may be questioned concerning the guilt of a third party if such questioning does not cause any delay in bringing him/her before the magistrate.
- D) (U//~~FOUO~~) These special requirements apply only after the arrest of a juvenile, as defined by federal law, for a federal offense. They do not apply when the juvenile is under arrest by state or local officers on a state or local charge but is suspected of having committed a federal offense. FBI employees may question a juvenile in custody on a non-federal charge about a federal offense for which he/she is a suspect. FBI employees are cautioned, however, that they may not collude or create the appearance of collusion with non-federal officers to delay an arrest on federal charges to circumvent the JDA requirements.

§18

- E) (U//~~FOUO~~) A juvenile may waive his Fifth Amendment rights and consent to a post-arrest custodial interview if permitted by the law of the circuit. Whether a waiver is knowing and voluntary will be determined based on the totality of the circumstances surrounding the interview. Among the factors the court will likely consider are the juvenile's age, experience, education, background, and intelligence, and whether he/she has the capacity to understand the warnings given, the nature of Fifth Amendment rights, and the consequences of waiving them. The presence and co-signature of a parent or guardian during the waiver of rights (FD-395) is not required for a voluntary waiver, although it is a factor to be considered and might help dispel any notion that the juvenile was coerced. The AUSA must approve a post-arrest custodial interview of a juvenile.

#### 18.5.6.4.15 (U) DOCUMENTATION

(U//~~FOUO~~) When it is anticipated that the results of an interview may become the subject of court testimony, the interview must be recorded on an FD-302 [REDACTED]

b7E

[REDACTED] See DIOG subsection 18.5.6.4.15.1 below for guidance on the use of the FD-302. The FD-302 must contain a record of statements made by the interviewee and not contain the interviewer's opinion or contextual comments. If the interviewer's opinions or contextual comments are relevant, they must be documented in [REDACTED] or other appropriate document.

If the interviewee characterizes an individual, group, or activity in a certain way, FBI records (i.e., 302s, ECs, LHMs) should reflect that the interviewee, not the FBI, is the source of the characterization.

(U//~~FOUO~~) Certain types of written material developed during the course of an interview must be retained including:

- A) (U//~~FOUO~~) Written statements signed by the witness. When possible, written statements should be taken in all investigations in which a confession or admission of guilt is obtained unless the confession is obtained during an electronically-recorded interview session. If a witness gives a signed statement, and then gives additional information orally, both the signed statement and the oral information should be recorded on an FD-302 or [REDACTED]
- B) (U//~~FOUO~~) Written statements, unsigned by the witness, but approved or adopted in any manner by the witness. An example of such a written statement would be a written statement that the subject orally admits is true but will not sign; and
- C) (U//~~FOUO~~) Original notes of an interview when the results may become the subject of court testimony. Materials generated via email, text messages, or similar means during an online interview must be retained as original notes. Because some forms of synchronous communication tools, such as text messaging, have limited or no storage, print, or production capabilities, they should not be used for substantive communications with law enforcement colleagues or civilians who may become witnesses. **If these tools are, nonetheless, used for substantive communications as part of an interview, the communications must be memorialized verbatim in an FD-302.**
- D) (U//~~FOUO~~) If an FBI employee and an AUSA conduct an interview, and the AUSA asks or tells the FBI employee to refrain from recording the substance of the interview or taking notes, the FBI employee should decline to participate in the interview and should not be present when it takes place unless the interview is part of the trial preparation of the witness (or unless another law enforcement agent present is given the responsibility for taking notes and documenting the substance of the interview). FBI employees generally do not report the substance of trial preparation unless new material information or impeachment information is developed. FBI employees should consult with the trial AUSA to determine how to document

any new information, including impeaching information, developed during the trial preparation interviews.

(U/~~FOUO~~) All original handwritten interview notes must be retained as "original note material" in [Redacted] of a file. The original handwritten notes may be scanned, but the physical original handwritten notes must be retained regardless of whether or not the notes are scanned. Also see [Redacted]

18.5.6.4.16 (U) *USE OF THE FD-302*

(U) **Documenting Information of Record:** Any matter that may be testimonial must be documented using an FD-302 within [Redacted]

[Redacted]

(U) Whenever a person being interviewed could be called upon to testify at any time in a future trial, or hearing, the results of the interview must be reported in an FD-302.

b7E

(U) All FBI employees present during an interview [Redacted] must be identified by name on the FD-302.

The employee preparing the FD-302 is listed as the author of the document and all other employees present must be listed as co-authors. The author and co-author(s) of the FD-302 must review the FD-302, and then electronically sign the final FD-302 [Redacted] to attest it is accurate and complete. If someone other than an FBI employee and co-author(s) are present during the interview, [Redacted]

[Redacted] the third party's presence during all or part of the interview must be noted in the FD-302.

(U) The FD-302 opening paragraph must state the official identity of the interviewing agent(s), the purpose of the interview, and the identity of the individual being interviewed to include relevant identifying information such as a date of birth, address, or other identifying data. It is also permissible to place more details or extensive personal, biographical, criminal history, business related information, other agency record information, etc in the body or at

the end of the report. When an ongoing interview is carried out over a period of days, the dates should also be set out in the details of the FD-302. In such cases, the report should clearly delineate the particular date(s) the information was obtained. A composite interview report may be utilized in certain circumstances (see "composite FD-302" below for additional guidance).

(U) If during an interview, the interviewee provides unrelated information relevant to other criminal, national security, intelligence, or public safety matters from the original purpose of the interview, the interviewer may take the information. When documenting such unrelated information, each topic must be documented in a separate FD-302, filed to the appropriate investigative classification, and disseminated as appropriate.

(U) The preparation of the FD-302 must be initiated as soon as practicable, [redacted] following the conclusion of the interview or other activity that may be testimonial.

(U) Interview notes must be retained in accordance with DIOG subsections 3.3.1.14 and 18.5.6.4.15 above.

(U) **Composite FD-302:** In limited situations involving an extended or a series of related interviews of a subject, witness, or victim, the preparation of a composite FD-302 may be necessary. Preparation of a composite FD-302 at the conclusion of the interview may be the most logical and orderly way in which to document the totality of the interview. In these situations, in the judgment of the interviewer, a single composite FD-302 might be appropriate when:

(U) If agents elect to prepare a composite FD-302, they must, without exception, ensure the composite FD-302 captures all material information in the extended interviews, including that which may also be considered exculpatory or impeaching. This includes, but is not limited to, any materially inconsistent statements of the witness and anything that may tend to mitigate guilt or punishment of the accused.

(U) The preparation of the composite FD-302 must be initiated as soon as practicable, [redacted] following the conclusion of the last interview.

(U) **Adoption of an FD-302:** In consultation with the assigned AUSA or DOJ attorney, the agent may seek to have the interviewee adopt an FD-302 as the statement he/she intended to give. Adoption by the witness may be in the form of (1) a signed statement, (2) an unsigned statement adopted by oral declaration, or (3) the report of information furnished by the witness, the substance of which was reviewed fully with the witness and adopted by the interviewee as the full and correct report of the statement he/she desired to furnish. Should the witness adopt an FD-302 as their statement, the agent must have the witness declare that it represents a full and correct report of their statement and then sign and date the first page of the FD-302, including any corrections, edits or additions he/she make on that page. The witness should also initial and date each subsequent page of the report and also make any corrections, edits or additions to the FD-302. The adoption of the FD-302 by the witness can provide a defense to any allegations that the FD-302 represents information the interviewer claims the witness said, rather than what the witness actually stated. The original [redacted] [redacted] FD-302 adopted by the witness should be retained in [redacted] of the investigative file after it has been scanned and electronically placed into the relevant investigative file(s).

## 18.5.6.4.17.2.1 (U) OVERTLY RECORDED NON-CUSTODIAL INTERVIEWS

(U//~~FOUO~~) FBI employees have the option to conduct an overtly recorded non-custodial interview. An overtly recorded interview occurs when an FBI employee, identified as such, advises the interviewee that the interview is or will be recorded, or the interviewee is otherwise clearly aware that the interview is in fact being recorded. [REDACTED]

b7E

(U//~~FOUO~~) The FBI employee must provide notification to [REDACTED] as soon as practicable [REDACTED] after completion of an overtly recorded non-custodial interview(s). The notification may be in the form of the interview summary FD-302 described in DIOG subsection 18.5.6.4.17.2.2 below.

(U//~~FOUO~~) Additionally, prior to conducting the interview, the interviewing employee should consider the factors listed below [REDACTED]

[REDACTED]

- A. (U//~~FOUO~~) Whether the purpose of the interview is to gather evidence for prosecution or intelligence for analysis or both;
- B. (U//~~FOUO~~) If prosecution is anticipated, the type and seriousness of the crime, including, in particular, whether the crime requires mens rea, or a mental element, such as knowledge or intent to defraud, proof of which would be considerably aided by the interviewee's admissions in his/her own words;
- C. (U//~~FOUO~~) Whether the interviewee's own words and appearance (in video recordings) would help rebut any doubt about the meaning, context or voluntariness of his/her statement or confession raised by his/her age, mental state, educational level, or understanding of the English language; or is otherwise expected to be an issue at trial, such as to rebut an insanity defense; or may be of value to behavioral analysts;
- D. (U//~~FOUO~~) If interviewers anticipate that the interviewee might be untruthful during an interview, whether a recording of the false statement would enhance the likelihood of charging and convicting the person for making a false statement;
- E. (U//~~FOUO~~) The sufficiency of other available evidence to prove the charge beyond a reasonable doubt;
- F. (U//~~FOUO~~) The preference of the USAO and the Federal District Court regarding recorded interviews or confessions;
- G. (U//~~FOUO~~) Local laws and practice—particularly in task force investigations where state prosecution is possible;
- H. (U//~~FOUO~~) Whether interviews with other witnesses or subjects in the same or related investigations have been electronically recorded; and
- I. (U//~~FOUO~~) The potential to enlist the witness or subject's cooperation and the value of using his/her own words to elicit his/her cooperation.

- B) (U//~~FOUO~~) Whether the physical surveillance is the least intrusive alternative for acquiring needed information;
- C) (U//~~FOUO~~) If the physical surveillance is for the purpose of determining a pattern of activity, whether there is a logical nexus between the purpose of the Assessment and the pattern of activity the employee is seeking to determine; and
- D) (U//~~FOUO~~) If being conducted in order to gather positive foreign intelligence, whether the surveillance is consistent with the requirement that the FBI employee operate openly and consensually with a USPER, to the extent practicable.

### 18.6.1 (U) *INVESTIGATIVE METHOD: CONSENSUAL MONITORING OF COMMUNICATIONS, INCLUDING ELECTRONIC COMMUNICATIONS*

#### 18.6.1.1 (U) SUMMARY

(U) Monitoring of wire, oral or electronic communications based on the consent of one party to the communication is referred to as consensual monitoring. The consent exception applies to the interception of wire, oral, and electronic communications. Consensual monitoring requires review by the CDC or the OGC. (AGG-Dom, Part V.A.4)

#### 18.6.1.2 (U) APPLICATION

(U//~~FOUO~~)

b7E

(U//~~FOUO~~) See *Advanced Electronic Surveillance and Searches Policy Guide, 0626DPG* for additional guidance.

#### 18.6.1.3 (U) LEGAL AUTHORITY

- A) (U) The Fourth Amendment to the United States Constitution and case law interpreting the same;
- B) (U) The Wiretap Statute, 18 U.S.C. § 2511-2522, prohibits the intentional interception and use of wire, voice, or electronic communications absent an exception;
- C) (U) The consensual monitoring exceptions, 18 U.S.C. § 2511(2)(c) & (d), require one party to the communication to consent to monitoring; and
- D) (U) The Foreign Intelligence Surveillance Act of 1978 (FISA), 50 U.S.C. §§ 1801 et seq., provides that if a party to the communication has consented to monitoring, a FISA court order is not required.

#### 18.6.1.4 (U) DEFINITION OF INVESTIGATIVE METHOD

(U) Generally, the Wiretap Statute (also referred to as Title III), 18 U.S.C. §§ 2510-2522, prohibits the intentional interception of wire, oral, or electronic communications unless one of several exceptions applies. One such exception is based on the consent of a party to the communication. Two other statutory exceptions to the general prohibition include 1) the warrant or court order exception, and 2) the computer trespasser exception. This section discusses the monitoring of communications under the consent exception.

(U) Consensual monitoring is the monitoring of communications based on the consent of a party to the communication. (AGG-Dom, Part VII.A.) For purposes of this policy, at least one of the parties to the communication must be located, or the interception of the consensual communication must occur, within the United States or the United States territories. The consensual monitoring of communications is subject to legal review by the CDC or OGC, as applicable. (AGG-Dom, Part V.A.4). Consensual monitoring includes the interception of the content of communications and typically falls into one of three general categories:

UNCLASSIFIED — ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

- A) (U) ***Wire communications***, which include conventional telephone communications or other means of transmitting the human voice through cable, wire, radio frequency (RF), voice over Internet Protocol (VoIP), or other similar connections;
- B) (U) ***Oral communications***, typically intercepted through the use of devices that monitor and record oral conversations (e.g., a body transmitter or recorder or a fixed location transmitter or recorder used during face-to-face communications in which a person would have a reasonable expectation of privacy but for the consent of the other party); and
- C) (U) ***Electronic communications***, which include any transfer of signs, signals, writing, images, sounds, data, or intelligence by a wire, radio, electronic, or optical system or network (e.g., e-mail, instant message, chat sessions, text messaging, non-voice peer-to-peer communications), as that term is defined in 18 U.S.C. § 2510(12)(14) and (17), which are intercepted and recorded at the time of transmission. The monitoring of electronic communications based on one party consent is sometimes referred to as "consensual computer monitoring." "Consensual computer monitoring" applies to "real time" electronic surveillance based on consent and does not include retrieving or obtaining records of communications that have been stored on the computer or elsewhere after the communication has occurred.

(U) *Note regarding electronic communications monitoring:* Agents seeking to consensually monitor electronic communications (specifically, communications to, through, or from a computer) must consider whether the party who has consented is a party to all of the communications they want to monitor or whether some of the communications involve a computer trespasser, as defined by the computer trespasser exception. (See DIOG Section 18.6.2) The trespasser exception and the consensual monitoring of communications exceptions are related, but separate, exceptions to the Wiretap Statute. The owner, operator, and authorized users of a protected computer or computer network can consent to the monitoring of only those communications they send or receive (i.e., to which they are a party), which typically does not include a trespasser's communications. The trespasser exception allows the interception of the communications transmitted to or from the trespasser.

(U) When applicable, the exceptions to the Wiretap Statute can be used together, permitting the interception of the communications of both authorized users and trespassers on the protected computer. This is particularly useful when it is difficult to discern the trespasser communications from other communications. If it is possible to obtain consent to monitor the communications of the authorized users, use of both the consent and trespasser exceptions together can mitigate the risk of over or under collection of the trespasser's communications.

#### 18.6.1.5 (U) STANDARDS AND APPROVAL REQUIREMENTS FOR CONSENSUAL MONITORING

##### 18.6.1.5.1 (U) GENERAL APPROVAL REQUIREMENTS

(U/~~FOUO~~) Except as provided below, an SSA may approve the consensual monitoring of communications if the information likely to be obtained is relevant to an ongoing Predicated Investigation. SSA approval, including oral approval pursuant to DIOG subsection 3.4.2.2, is documented through the FD-759, and is conditioned on the following criteria being met and documented on the FD-759 and other supporting documentation:

UNCLASSIFIED - ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

**18.6.1.5.1.1 (U) REASONS FOR MONITORING**

(U//~~FOUO~~) The synopsis must include sufficient factual information supporting the need for the monitoring. It must provide the relationship between the monitoring and the investigative purpose (e.g., obtain evidence of drug trafficking, public corruption, etc.).

**18.6.1.5.1.2 (U) DOCUMENTED CONSENT OF A PARTY TO THE COMMUNICATION TO BE MONITORED**

(U//~~FOUO~~) Consent must be obtained from one of the parties to be monitored, and the consent must be documented to the appropriate investigative ELSUR sub-file. Having the consent of one of the parties provides an exception to the Title III statute. The requirement to obtain and document consent also applies to the monitoring of computer communications. See DIOG Section 18.6.1.8 for specific procedures.

**18.6.1.5.1.3 (U) SUBJECT**

(U//~~FOUO~~) Agents conducting consensual monitoring must not intentionally intercept third-parties who are not of interest to the investigation except for unavoidable or inadvertent overhears.

**18.6.1.5.1.4 (U) LOCATION OF DEVICE**

(U//~~FOUO~~) Consensual monitoring can only be approved if appropriate safeguards are in place to ensure that the consenting party remains a party to the communication throughout the course of monitoring. For example, if a fixed-location monitoring device is being used, the consenting party must be admonished and agree to be present during the duration of the monitoring. If practicable, technical means must be used to activate monitoring only when the consenting party is present.

**18.6.1.5.1.5 (U) NOTICE OF CONSENSUAL MONITORING TO OTHER FIELD OFFICES**

(U//~~FOUO~~) If an employee, CHS, or non-confidential third party is operationally tasked to conduct consensual monitoring outside the field office's territory, the FBI employee requesting approval to conduct the monitoring must provide notice to the SSA who is responsible for the investigative program in the field office where the monitoring will occur. This notice must be documented in the appropriate investigative file [redacted]

§18

**18.6.1.5.1.6 (U) DURATION OF APPROVAL**

(U//~~FOUO~~) The request for approval must state the length of time needed for monitoring. Unless otherwise warranted, approval may be granted for the duration of the investigation, subject to a substantial change of circumstances. If one or more sensitive monitoring circumstances are present, DOJ may limit its approval to a shorter duration. See DIOG Section 18.6.1.6.3 below.

**18.6.1.5.1.7 (U) LEGAL REVIEW**

(U//~~FOUO~~) Prior to conducting consensual monitoring, the CDC or OGC must determine that, given the facts of the investigation, the consensual monitoring is legal. This review must be documented with [REDACTED]. Should an employee seek oral [REDACTED] approval for the use of this method, the legal review by the CDC or OGC must be accomplished as part of the oral request. The oral approval and legal review must be documented in [REDACTED] [REDACTED] as soon as practicable, [REDACTED] after the oral authorization. Although AUSA concurrence is no longer required for consensual monitoring, providing notice to the AUSA is encouraged.

b7E

**18.6.1.5.1.8 (U) CHANGE OF MONITORING CIRCUMSTANCES**

(U//~~FOUO~~) Whenever the monitoring circumstances change substantially, a new FD-759 must be executed, and the CDC or OGC must be recontacted to obtain new legal review. (AGG-Dom. Part V.A.4.) The following are examples of substantial changes in monitoring circumstances which require a new FD-759: a different consenting party, a change in the location of a fixed monitoring device, or the addition of a new computer system. If any of these or other monitoring circumstances substantially change, the FBI employee must immediately contact the CDC or OGC.

**18.6.1.5.1.9 (U) JOINT INVESTIGATIONS**

(U//~~FOUO~~) In joint investigations, the policy and procedures for conducting any investigative method or investigative activity by employees or CHSs are usually governed by FBI policy. Similarly, employees from other agencies who are participating in a joint investigation with the FBI are generally governed by their agencies' policies regarding approvals. If, however, the FBI has assumed supervision and oversight of another agency's employee (e.g., a full time JTTF Task Force Officer), then FBI policy regarding investigative methods or investigative activity controls. Similarly, if another agency has assumed supervision and oversight of a FBI employee, unless otherwise delineated by MOU, the other agency's policy regarding investigative methods or investigative activity controls.

(U//~~FOUO~~) Consensual monitoring conducted by a non-confidential party (e.g., witness, victim, etc.) will be controlled by the agency that is primarily responsible for the non-confidential party. In a joint investigation, the employees should reach an understanding as to which agency is responsible for the non-confidential party; that agency's policies will govern approval and documentation requirements for consensual monitoring.

18.6.1.6.3 (U) SENSITIVE MONITORING CIRCUMSTANCE

(U) Requests to monitor communications when a sensitive monitoring circumstance is involved must be approved by the DOJ Criminal Division, or, if the investigation concerns a threat to the national security or foreign intelligence collection, by the DOJ NSD. (AGG-Dom, Part V.A.4) A "sensitive monitoring circumstance" is defined in the AGG-Dom, Part VII.O, to include the following:

- A) (U) Investigation of a member of Congress, a federal judge, a member of the Executive Branch at Executive Level IV or above, or a person who has served in such capacity within the previous two years (Executive Levels I through IV are defined in 5 U.S.C. §§ 5312-5315);
- B) (U) Investigation of the Governor, Lieutenant Governor, or Attorney General of any state or territory, or a judge or justice of the highest court of any state or territory, concerning an offense involving bribery, conflict of interest, or extortion related to the performance of official duties;
- C) (U) The Attorney General, the Deputy Attorney General, or an Assistant Attorney General has requested that the FBI obtain prior approval for the use of consensual monitoring in a specific investigation; or

(U) The wire or electronic communications of a computer trespasser to, from, or through a protected computer may be intercepted and collected during a Predicated Investigation. Use of this method requires SSA approval and review by the CDC or the OGC. (AGG-Dom. Part V.A.4)

**18.6.2.3 (U) LEGAL AUTHORITY**

- A) (U) The Fourth Amendment to the United States Constitution and case law interpreting the same;
- B) (U) The Wiretap Statute, 18 U.S.C. § 2511, prohibits the intentional interception and use of wire, oral, or electronic communications absent an exception;
- C) (U) Computer Trespasser Exception, 18 U.S.C. § 2511(2)(i); and
- D) (U) The Foreign Intelligence Surveillance Act of 1978 (FISA), 50 U.S.C. §§ 1801 et seq., requires court authorization for “electronic surveillance.” FISA specifically provides, however, that the acquisition of computer trespasser communications that would be permissible under 18 U.S.C. § 2511(2)(i) are not subject to the FISA court order requirement for electronic surveillance of wire communication under section 101(f)(2) of FISA, 50 U.S.C. § 1801(f) (2).

**18.6.2.4 (U) DEFINITION OF THE COMMUNICATIONS OF A COMPUTER TRESPASSER**

(U) Generally, the Wiretap Statute (also referred to as Title III), 18 U.S.C. §§ 2510-2522, prohibits the intentional interception of wire, oral, or electronic communications unless one of several exceptions applies. One such exception is the interception of a computer trespasser's wire or electronic communications to, through or from a protected computer based on the authorization of the owner or operator of that computer. Another statutory exception is based on the consent of a party to the communication. This section relates specifically to the computer trespasser exception; the policy on consensual recording of computer communications can be found at DIOG Section 18.6.1.

(U) The computer trespasser exception to the Wiretap Statute, 18 U.S.C. § 2511(2)(i), permits a person acting under color of law to intercept the wire or electronic communications of a computer trespasser that are transmitted to, through, or from a protected computer when the owner or operator of that computer authorizes the interception. The use of this method does not include retrieving or obtaining records of communications that have been stored on the computer or elsewhere after the communication has occurred.

(U) The statute requires:

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

## Domestic Investigations and Operations Guide

§18

- A) (U) The owner or operator of the protected computer to authorize the interception of the trespasser's communications on the protected computer;
- B) (U) The person acting under color of law to be engaged in a lawful investigation;
- C) (U) The person acting under color of law to have reasonable grounds to believe that the contents of the trespasser's communications will be relevant to the investigation; and
- D) (U) The interception is limited to the communications transmitted to or from the trespasser.

(U) The case agent is responsible for documenting the basis for the conclusion that the person who provided authorization to intercept the trespasser's communications is either the owner or operator of the protected computer. The "owner or operator" must have sufficient authority over the protected computer/computer network system to authorize access across the entire system. This could be a corporate officer, CIO, or system administrator, if the system administrator has authority across the entire system. In any instance in which the identification of the owner or operator is not plainly evident, the case agent must seek the assistance of the CDC or the OGC to identify the proper owner or operator.

(U) A "protected computer," defined in 18 U.S.C. § 1030(c), has been generally interpreted to be any computer or computer network device connected to the Internet, although it also includes most computers used by a financial institution or the United States Government regardless of whether the computer is connected to the Internet.

(U) A "computer trespasser" is a person who accesses a protected computer without authorization and thus has no reasonable expectation of privacy in any communication transmitted to, from, or through the protected computer. The definition of computer trespasser does not include a person known by the owner or operator to have exceeded their authority or to have an existing contractual relationship with the owner or operator for access to all or part of the computer. (18 U.S.C. § 2510(21))

(U) The trespasser exception and the consensual monitoring of communications exception are related, but separate, exceptions to the Wiretap Statute. The owner, operator, and authorized users of a protected computer can consent to the monitoring of only those communications they send or receive (i.e., communications to which they are a party), which do not include a trespasser's communications. (See DIOG Section 18.6.1) In comparison, under the trespasser exception, the owner or operator may only authorize the interception of the communications of a trespasser transmitted to, through or from the protected computer.

(U) When applicable, the computer trespasser and consensual monitoring of communications exceptions to the Wiretap Statute can be used together, permitting the interception of communications of both authorized users and trespassers on the protected computer. This is particularly useful when it is difficult to discern the trespasser communications from other communications. If it is possible to obtain consent to monitor the communications of the authorized users, using the consent and trespasser exceptions together can mitigate the risk of over or under collection of the trespasser's communications. See DIOG Section 18.6.1 for the policy regarding consensual monitoring of computer communications.

§18

18.6.2.5 (U//~~FOUO~~) **USE AND APPROVAL REQUIREMENTS FOR INTERCEPTING THE COMMUNICATIONS OF A COMPUTER TRESPASSER**

18.6.2.5.1 (U) **GENERAL APPROVAL REQUIREMENTS**

(U//~~FOUO~~) An SSA may approve the use of the computer trespasser exception, subject to CDC or OGC review. Approval is conditioned on the following criteria being met and documented on the FD-759 and through other supporting documentation in the investigative file:

*18.6.2.5.1.1 (U) REASONS FOR THE INTERCEPTION*

(U//~~FOUO~~) The synopsis portion of the FD-759 must include sufficient facts to support the need for the interception and to explain how the contents of the trespasser's communications will be relevant to the investigative purpose.

*18.6.2.5.1.2 (U) OWNER OR OPERATOR AUTHORIZATION*

(U//~~FOUO~~) The authorization of the owner or operator of the protected computer (who may be the system administrator, as stated above) to a person acting under color of law to intercept the trespasser communications on the protected computer system or network must be documented using the FD-1070, Authorization to Intercept the Communications of a Computer Trespasser. The steps the case agent takes to ensure that the person providing the authorization is the actual or appropriate owner or operator of the protected computer must be documented in the investigative file. See 18.6.2.6 below for specific procedures.

*18.6.2.5.1.3 (U) ACQUIRING ONLY TRESPASSER COMMUNICATIONS*

(U//~~FOUO~~) When intercepting communications under the computer trespasser exception alone (i.e., not in conjunction with consensual monitoring of electronic communications), the collection must not intentionally acquire communications other than those to or from the trespasser. This can often be technically complicated to accomplish depending on the use and configuration of the protected computer and the sophistication of the trespasser. The steps to be taken to identify trespasser communications and to isolate such communications from those of authorized users must be considered by the approving and reviewing officials and documented in the investigative file. See DIOG Section 18.6.2.6 below for specific procedures.

*18.6.2.5.1.4 (U) OWNER OR OPERATOR COLLECTION*

(U//~~FOUO~~) The interception of trespasser communications may be conducted by the FBI or by the owner or operator of the protected computer at the FBI's request. In either instance, the interception is being conducted under color of law. If the collection is not being conducted by the FBI, the case agent must document that he or she has informed the person conducting the interception that it must be accomplished in conformity with the statute.

*18.6.2.5.1.5 (U) LOCATION OF INTERCEPT*

(U//~~FOUO~~) If the intercept or collection of the trespasser communications will occur outside of the field office of the approving official, the SAC or ASAC of the field office

UNCLASSIFIED - ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

within which the interception will occur must be notified, and the notification must be documented in the investigative file.

**18.6.2.5.1.6 (U) DURATION**

(U//~~FOUO~~) The request for approval (FD-759) must state the length of time needed for the interception. Unless otherwise warranted, approval may be granted for the duration of the investigation, subject to a substantial change of circumstances, as described in DIOG Section 18.6.2.6, below.

**18.6.2.5.1.7 (U) LEGAL REVIEW**

(U//~~FOUO~~) Prior to conducting the interception, the CDC or OGC must review the request and determine that, given the facts of the investigation, the interception appears to be lawful under the computer trespasser exception. Whenever the factors surrounding the use of the approved technique change substantially, a new FD-759 must be executed. The newly executed FD-759 must include new legal review by the CDC or OGC. (AGG-Dom. Part V.A.4.) The following are examples of substantial changes in the circumstances of the interception that require a new FD-759: a change in owner or operator, a change in the method of collection, or the change or addition of a protected computer system. On the other hand, technical changes in the collection system for the purpose of improving or refining the interception are usually not substantial changes to the circumstances of the interception.

**18.6.2.5.1.8 (U) JOINT INVESTIGATIONS**

(U//~~FOUO~~) In joint investigations, if the FBI is the lead investigating agency, FBI policies and guidance regarding the interception of computer trespasser communications must be followed. If the FBI is not the lead investigating agency, the policies of the lead investigating agency must be followed and documented to the appropriate FBI investigative file.

**18.6.2.5.1.9 (U) EXTRATERRITORIAL CONSIDERATIONS**

**18.6.2.6 (U) DURATION OF APPROVAL FOR INTERCEPTING THE COMMUNICATIONS OF A COMPUTER TRESPASSER**

(U//~~FOUO~~) The interception and collection of computer trespasser communications under the computer trespasser exception may be approved for a specified length of time or for the duration of the particular investigation.

**18.6.2.7 (U) SPECIFIC PROCEDURES FOR INTERCEPTING THE COMMUNICATIONS OF A COMPUTER TRESPASSER**

(U//~~FOUO~~) The following procedures apply when obtaining authorization.

UNCLASSIFIED - ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

18.6.2.7.1 (U) *DOCUMENTING AUTHORIZATION TO INTERCEPT*

(U//~~FOUO~~) Whenever possible, written authorization must be obtained from the owner or operator of the protected computer and documented on an FD-1070, Authorization to Intercept the Communications of a Computer Trespasser.

(U//~~FOUO~~) If the authorization from the owner or operator is provided orally, at least one FBI agent and another law enforcement or intelligence officer should witness the authorization, and the authorization must be memorialized in an FD-302. The fact that the authorizing party has declined or was unable to give written authorization must also be recorded on the FD-1070, Authorization to Intercept the Communications of a Computer Trespasser form. This form should then be executed in all respects with the exception of the authorizing party's signature.

(U//~~FOUO~~) The case agent must document to the file (i.e., FD-302 or EC) the facts that establish that the person providing the authorization is a proper party to provide authorization for the anticipated interception.

(U//~~FOUO~~) If the case agent is seeking approval for the FBI to engage in both consensual monitoring and an interception of the computer trespasser on the same computer system, separate forms -

b7E

18.6.2.7.2 (U) *ACQUIRING ONLY THE TRESPASSER COMMUNICATIONS*

(U//~~FOUO~~) The computer trespasser exception permits the FBI to intercept only trespasser communications. Prior to seeking approval to intercept computer trespasser communications, the case agent must coordinate the use of the method with the Field Office Technical Advisor by submission of an Electronic Technical Request (ETR). On receipt of the ETR, the Technical Advisor must ensure that the technical equipment and expertise necessary to lawfully implement the interception are timely provided following approval to use this investigative method.

(U//~~FOUO~~) Many of the technical challenges and risks associated with accurately isolating the trespasser communications can be mitigated by also obtaining consent to monitor the computer or a court order. The possibility of using the authority to intercept trespasser communications in conjunction with consent should be raised at the time of the ETR submission or as soon thereafter as the case agent determines that the authorized users of the protected computer will consent to FBI monitoring.

(U//~~FOUO~~) When intercepting trespasser communications, the case agent must prepare an FD-302 or EC detailing the steps taken to identify trespasser communications and to isolate such communications from those of authorized users. For example: "reviewed system logs provided by the system administrator and identified a trespasser accessing the system at the following dates and times via IP address xxx or port xxx." Additionally, any subsequent review or revision of the steps needed to identify and isolate the trespasser's communications must also be documented to the investigative file by an EC or FD-302, as appropriate.

§18

**18.6.2.7.3 (U) REVIEWING THE ACCURACY OF THE INTERCEPTION**

(U//~~FOUO~~) At the initiation of the interception and collection of computer trespasser communications, the Technical Advisor or designated technically trained agent (TTA) coordinating the implementation of the interception and collection device shall ensure that appropriate collection parameters are implemented as required by OTD policy and procedures.

(U//~~FOUO~~) The case agent shall ensure a timely initial review of the collected information to verify that the interception and collection are limited to communications authorized for interception and collection under the trespass authority or other lawful exception. Following this initial review, the case agent shall ensure that a similar review and evaluation is repeated at appropriate intervals throughout the duration of the interception to ensure that the interception and collection remain within the scope of the trespasser or other lawful exceptions. Factors that may impact the frequency of reviews include, but are not limited to: volume of data to be reviewed, complexity and nature of data collected, and complexity of the trespassed system.

(U//~~FOUO~~) Any FBI employee who identifies interception and collection of communications that may be outside the scope of the trespasser or other lawful exception shall immediately notify the case agent and the operational SSA of the possible unauthorized interception and collection of communications. Upon the determination that communications have been unlawfully intercepted or collected, the interceptions and collection must be halted immediately. The case agent must consult with a TTA to determine whether collection may be resumed in a manner that assures further unlawful collections will not occur. If the SSA determines that unlawful collection can be reliably prevented, that determination must be documented to the file before lawful interceptions and collection may resume.

(U//~~FOUO~~) The content of communications determined to have been unlawfully collected cannot be used in any manner and shall be removed promptly from all FBI systems and destroyed. A memorandum documenting the removal and destruction shall be filed in the main investigation file and the appropriate investigative ELSUR sub-file.

**18.6.2.7.4 (U) REVIEWING THE RELEVANCY OF THE INTERCEPTION**

(U//~~FOUO~~) The trespasser exception requires the FBI to have a reasonable belief that the contents of the trespasser's communications will be relevant to the investigation. Following the initiation of the interception and collection of the trespasser communication, the case agent must ensure that the collected communications are reviewed, at appropriate intervals throughout the duration of the interception, to determine whether the interception is and continues to be relevant to the authorized investigation. Factors that may impact the frequency of reviews include, but are not limited to: volume of data to be reviewed, complexity and nature of data collected, and complexity of the trespassed system.

**18.6.2.7.5 (U) DURATION OF APPROVAL**

(U//~~FOUO~~) Authorization to intercept trespasser communications remains valid until such time as the authorizing party, orally or in writing, revokes the authorization or on the termination date of the authorization, whichever comes first.

§18

18.6.2.7.6 (U) *ELSUR REQUIREMENTS*

(U//~~FOUO~~) The information obtained from the collection must be retained in conformity with the ELSUR Policies located in the OGC Main Law Library) or other applicable policies.

(U//~~FOUO~~) All ELSUR downloading, processing, and handling of original, derivative, and copies of original or derivative ELSUR evidence must be conducted by an ELSUR operations technician (EOT) or other designated employee (e.g. an agent who has successfully completed ELSUR training in Virtual Academy). ELSUR evidence must not be uploaded into

(U) Multiple Communications.

b7E

(U//~~FOUO~~) In investigations in which various modes of communication may be intercepted (e.g., telephonic, non-telephonic, electronic communications, etc., or the use of consensual computer monitoring in conjunction with the interception of trespasser communications), one FD-759 may be used to document approval, provided that each mode of communication to be monitored is being used in the same investigative file and all facts required on the FD-759 are the same. If the material facts on the FD-759 vary (e.g., different periods of authority, etc.), separate FD-759s must be executed.

18.6.2.7.7 (U) *INVESTIGATION SPECIFIC APPROVAL*

(U//~~FOUO~~) Approval for intercepting a computer trespasser's communications is investigation specific and is not transferable to any other investigation, unless the investigative file under which the authority was granted is consolidated or reclassified. Investigation specific approval must be obtained for any spin-off investigation(s) that arises out of the original investigation.

18.6.2.8 (U) *COMPLIANCE AND MONITORING*

(U//~~FOUO~~) Case agents must regularly monitor the use of this method to ensure that the continued interception of trespasser communications is warranted and being lawfully conducted. Such monitoring shall include a review of the investigative file to ensure that consent and authorization forms have been properly executed and filed. ELSUR program personnel must review all submitted FD-759s and FD-1070 (Authorization to Intercept the Communications of a Computer Trespasser form) to ensure proper approval has been documented for the interception of computer trespasser communications.

18.6.2.9 (U) *EVIDENCE HANDLING*

(U//~~FOUO~~) All ELSUR downloading, processing, and handling of original, derivative, and copies of original or derivative ELSUR evidence must be conducted by an ELSUR operations technician (EOT) or other designated employee (e.g. an agent who has successfully completed ELSUR training in Virtual Academy). 18.6.3.5 (U//~~FOUO~~) STANDARDS FOR USE AND APPROVAL REQUIREMENTS FOR INVESTIGATIVE METHOD

(U//~~FOUO~~) When a video camera is physically operated as a hand-held video and is used in an area in which no one has a reasonable expectation of privacy, its use is equivalent to using a still camera and does not require CDC review or SSA approval.

(U//~~FOUO~~) Except for a hand-held video as described above, CDC or OGC review and SSA approval is required for the use of CCTV/Video Surveillance. CDC review and SSA approval must be documented using the FD-759. SSA approval may be granted if the following criteria have been met:

A) (U//~~FOUO~~) Legal review from the CDC or OGC that a court order is not required for installation or use of the device because there has been lawful consent, no reasonable expectation of privacy exists, or no physical trespass is necessary to install the device. Whenever circumstances change in either installation or monitoring, a new legal review must be obtained to determine whether a separate authorization is necessary;

18.6.3.8.1 (U) **WARRANT OR COURT ORDER**

(U//~~FOUO~~) A warrant/court order is required for the use of CCTV/Video Surveillance when a reasonable expectation of privacy exists in either the area to be viewed or the location where the equipment will be installed, unless the installation and monitoring is being conducted pursuant to consent. See DIOG Section 18.6.3.8.2 below for the required consultation with the Technical Advisor (TA) or technically Trained Agent (TTA).

- A) (U//~~FOUO~~) **Criminal Investigations:** When there is a reasonable expectation of privacy in the area to be viewed and no consenting party, prior DOJ/OEO approval is required before seeking a warrant/order. When there is a reasonable expectation of privacy only in the location where the CCTV/Video Surveillance equipment will be installed, but not in the area to be viewed, prior DOJ/OEO authorization is not required to seek a warrant/order for the installation. In an emergency situation where CCTV usage is desired and a warrant/court order would be required, but cannot be obtained within the time required, an AUSA must be contacted to seek DOJ/OEO's guidance on how to proceed.
- B) (U//~~FOUO~~) **National Security Investigations:** The use of CCTV/Video Surveillance in national security investigations under the Foreign Intelligence Surveillance Act of 1978 (FISA) requires the filing of an appropriate FISA court order because the use of CCTV/Video Surveillance falls within the definition of "electronic surveillance" under FISA. See DIOG Section 18.7.3.
- C) (U//~~FOUO~~) **Where a warrant is required and the request is included with a Title III or is a FISA request:** Where the CCTV/video surveillance request is made pursuant to FISA or in conjunction with a Title III request, the required supervisory approvals and CDC or OGC review will take place as part of the larger FISA or Title III review and approval process. No additional reviews or approvals for the CCTV/video surveillance are required.
- D) (U//~~FOUO~~) **Where a warrant is required and the request is NOT coupled with a Title III request or made pursuant to FISA:** As the FD-759 is not used when a court order is needed, the required SSA approval and CDC or OGC review must be documented in an EC. Maintain the original SAC approved EC in the appropriate investigative ELSUR sub-file.

18.6.3.8.2 (U//~~FOUO~~) **REQUIRED CONSULTATION WITH TECHNICAL ADVISOR (TA) OR TECHNICALLY TRAINED AGENT (TTA)**

(U//~~FOUO~~) Prior to filing an application and affidavit for a warrant/court order under Rule 41/All Writs Act (in criminal law-based investigations) or under FISA (in national security-based investigations), the case agent/special agent must consult with the field office TA/TTA to:

- A) (U//~~FOUO~~) consider any potential technical issues; and

(U) The Attorney General has the authority to issue administrative subpoenas pursuant to two provisions of the United States Code, 21 U.S.C. § 876 and 18 U.S.C. § 3486. The FBI has no inherent authority to issue administrative subpoenas but has delegated authority from the Attorney General to do so. The use of administrative subpoenas is limited to three categories of investigations—drug program investigations, child sexual exploitation and abuse investigations, and health care fraud investigations—and may not be used for any other purpose. The delegated authority varies depending on the federal violation being investigated. The type of information that can be obtained using an administrative subpoena is also limited by law and by policy of the Attorney General.

(U//FOUO) Within the FBI, the authority to issue administrative subpoenas is limited to positions authorized by the Attorney General; that authority may not be further redelegated.

**18.6.4.3.4 (U) LIMITATIONS ON USE OF ADMINISTRATIVE SUBPOENAS**

**18.6.4.3.4.1 (U) FINANCIAL PRIVACY LIMITATIONS**

**18.6.4.3.4.1.1 (U) OBTAINING RECORDS FROM A FINANCIAL INSTITUTION**

(U//~~FOUO~~) "Financial records" are those records that pertain to a customer's relationship with a financial institution. The term "financial institution" is broadly defined as a bank, savings bank, card issuer, industrial loan company, trust company, savings association, building and loan or homestead association, credit union, or consumer finance institution, located in any state, territory, or the District of Columbia. See 12 U.S.C. § 3401. (*Note:* The scope of the RFPA's definition of financial institution for this purpose, which limits the restrictions the RFPA places on federal law enforcement in using an administrative subpoena, is narrower than the definition of financial institution that is used in connection with NSLs. For that purpose, the RFPA refers to the broader definition found in the Bank Secrecy Act (BSA). Among the entities included in the BSA definition are money transmitting businesses, car dealers, travel agencies, and persons involved in real estate closings. See 12 U.S.C. § 3414(d) and 31 U.S.C. § 5312 (a) (2) and (c) (1).) When seeking financial records from a financial institution, the FBI must send a certificate of compliance required by 12 U.S.C. § 3403 to the financial institution. The certificate must indicate, among other things, that notice has been provided by the FBI to the individual customer whose financial records are to be obtained. The content of the notice is set out in 12 U.S.C. § 3405. A court order may be obtained that allows for delayed notice pursuant to 12 U.S.C. § 3409. Notice is not required if the administrative subpoena is issued to obtain the financial records of a corporation or for records not pertaining to a customer. Notice is also not required if the administrative subpoena seeks only basic account information, defined as name, address, type of account, and account number. See 12 U.S.C. § 3413(g).

**18.6.4.3.4.1.2 (U) OBTAINING RECORDS FROM A CREDIT BUREAU**

(U//~~FOUO~~) A credit bureau or consumer reporting agency may only provide name, address, former addresses, place of employment and former place of employment in response to an administrative subpoena. See 15 U.S.C. § 1681f. A credit bureau or

consumer reporting agency may not release financial information in a credit report or consumer report, or the names and locations of financial institutions at which the consumer has accounts pursuant to an administrative subpoena. A court order, a grand jury subpoena, or, in an appropriate investigation, a national security letter may be used to obtain this information. 15 U.S.C. § 1681b. Notice of disclosure will be provided by the credit bureau or consumer reporting agency to the consumer if the consumer requests this information.

18.6.4.3.4.2 (U) ELECTRONIC COMMUNICATION PRIVACY ACT

(U//~~FOUO~~) The ability to gather subscriber information and the content of electronic communications using an administrative subpoena is governed by ECPA. In investigations involving the sexual exploitation or abuse of children, only basic subscriber or customer information may be obtained with an administrative subpoena under the terms of the Attorney General's delegation, as described above. No content information may be obtained. In drug and health care fraud investigations, an administrative subpoena may be used to obtain basic subscriber or customer information and certain stored communications, under limited circumstances, from entities that provide electronic communication services to the public.

18.6.4.3.4.2.1 (U) SCOPE

(U//~~FOUO~~) ECPA applies to two types of entities that provide electronic communications to the public. They are:

- A) (U//~~FOUO~~) "Electronic Communication Service" is defined as "any service that provides the user thereof the ability to send or receive wire or electronic communications." 18 U.S.C. § 2510(15)
- B) (U//~~FOUO~~) "Remote Computing Service" is defined as the "provision to the public of computer storage or processing service by means of an electronic communication system." 18 U.S.C. § 2711(12)

(U//~~FOUO~~) Content is the actual substance of files stored in an account, including the subject line of an e-mail.

- A) (U) Unopened e-mail held in storage for 180 days or less may not be obtained using an administrative subpoena. A search warrant is required.
- B) (U) Unopened e-mail that has been held in electronic storage for more than 180 days may be obtained with an administrative subpoena. (In the Ninth Circuit, the opened e-mail and unopened e-mail must have been in storage for 180 days before it can be obtained with an administrative subpoena. See Theofel v. Farey-Jones, 359 F.3d 1066.) The government must provide notice to the subscriber or customer prior to obtaining such content. A limited exception to the notice requirement is provided in 18 U.S.C. § 2705.
- C) (U) E-mail that has been opened and the content of other electronically stored files held in storage by an entity that provides storage services to the public (i.e., a remote computing service, as defined in 18 U.S.C. § 2711), may be obtained using an administrative subpoena with notice to the customer or subscriber, unless notice is delayed in accordance with 18 U.S.C. § 2705.

**18.6.4.3.4.3 (U) MEMBERS OF THE NEWS MEDIA**

(U//~~FOUO~~) **Approval Requirements:** An administrative subpoena directed to a provider of electronic communication services or any other entity seeking to obtain local and long distance connection records, or records of session times of calls, made by a member of the news media may only be issued with the specific approval of the Attorney General. Before proposing such a subpoena, an agent should review 28 C.F.R. § 50.10. Requests for AG approval must be made by the AUSA involved in the investigation consistent with the DOJ policies set forth in 28 C.F.R. § 50.10. Guidance on the DOJ policy may be obtained from the Investigative Law Unit and/or the Privacy and Civil Liberties Unit, OGC.

**18.6.4.3.5.2 (U) OVERPRODUCTION**

(U//~~FOUO~~) If any of the information that is obtained with an administrative subpoena is subject to statutory privacy protections (e.g., records subject to the Electronic Communications Privacy Act (ECPA), Right to Financial Privacy Act (RFPA), the Fair Credit Reporting Act (FCRA), Health Insurance Portability and Accountability Act (HIPAA), or the Buckley Amendment), it must be reviewed at the time it is received by the employee who requested the issuance of an administrative subpoena to ensure that the information received from the third party provider is within the scope of the request. Any information received from a third party provider that is beyond the scope of the administrative subpoena and is subject to statutory protections must be treated as an overproduction. If it is determined that the overproduced material is subject to statutory protection, then all of the produced material must be sequestered with the employee's supervisor and may not be electronically placed into any FBI database or used in the

A) (U) The employee redacts the overproduced material. The employee’s supervisor must approve the scope of the redaction. If there is any question whether the information provided is within the scope of the administrative subpoena, the CDC or OGC must be consulted. The method of redaction is left to the discretion of the employee, but redacted information must not be visible, used in the investigation, or electronically placed into any FBI database. The method of redaction will vary depending on whether the information was provided in hard copy or electronically. After the overproduced information has been redacted, the remainder of properly produced information may be electronically placed into any database and used in the investigation;

B) (U)

b7E

C) (U) The records are returned to the entity that produced them; or

D) (U) The records are destroyed.

(U) Whichever disposition is selected for the overproduction, it must be documented in the investigative SBP sub-file for administrative subpoenas.

(U) Any questions concerning this process, including the review or disposition of the responsive records, or the statutes which cover such records, should be discussed with the CDC or OGC.

**18.6.4.3.5.3 (U) FACTORS FOR COMPLIANCE**

(U//~~FOUO~~) The following factors should be considered to ensure compliance with applicable laws and regulations that govern the FBI’s use of administrative subpoenas:

A) (U//~~FOUO~~) The administrative subpoena must relate to a type of investigation for which the subpoena is authorized;

B) (U//~~FOUO~~) The administrative subpoena must be directed to a recipient to whom an administrative subpoena is authorized;

C) (U//~~FOUO~~) The administrative subpoena may request only records that are authorized under the pertinent law;

D) (U//~~FOUO~~) The administrative subpoena must be approved by an authorized official;

E) (U//~~FOUO~~) The administrative subpoena must be electronically placed in  using the SBP sub-file of the investigation for record purposes.

F) (U//~~FOUO~~) The return of service information must be completed on the back of the original administrative subpoena. Typed signature blocks do not affect current practices for completing the return of service information. For electronically served subpoenas, [Redacted] satisfies the "return of service" upon the review of [Redacted] thus no paper copy is required. For non-electronically served subpoenas, users must complete the [Redacted] process to satisfy the return of service requirement. This copy of the subpoena must be placed in the SBP sub-file or uploaded as a 1A to the case file, following your office practices;

b7E

G) (U//~~FOUO~~) The original administrative subpoena and completed return of service must be maintained in a SBP sub-file of the investigation. Provided a copy of the approved subpoena and a copy of the completed return of service are electronically placed to the case file in [Redacted] the SBP sub-file is not mandated. This only applies to those administrative subpoenas which are created through the [Redacted] application; and

b7E

H) (U//~~FOUO~~) If the records provided in response to the administrative subpoena are subject to statutory privacy protections, they must be reviewed to ensure that they are within the scope of the request (i.e., that there is no overproduction). If an over-production has occurred, the procedures outlined above must be followed.

**18.6.5.1 OVERVIEW OF COMPULSORY PROCESS<sup>43</sup>**

(U//FOUO)

b7E

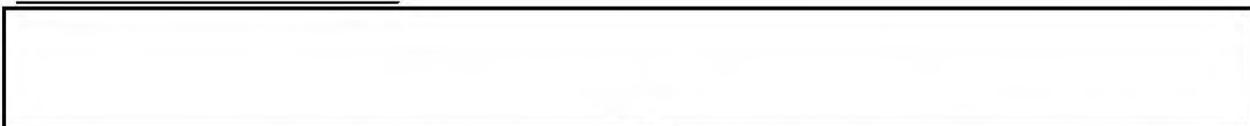

**18.6.5.2 (U) APPLICATION**

(U) An FGJ is an independent panel charged with determining whether there is probable cause to believe one or more persons committed a particular federal offense. The FGJ makes its determination based on evidence presented by the prosecuting attorney in an ex parte proceeding. If the FGJ believes probable cause exists, it will vote to return a “true bill” and the person will be indicted. An indictment is the most typical way a person is charged with a felony in federal court. The FGJ operates under the direction and guidance of the United States District Court. Generally, only witnesses for the prosecution testify before the grand jury.

(U) Only the United States Attorney or an AUSA, other DOJ attorneys prosecuting the matter, the witness under examination, an interpreter (as needed), and the stenographer or operator of a recording device may be present while the grand jury is in session. No judge is present during the presentation of evidence, although the court will sometime rule on evidentiary issues and will provide initial instructions to the FGJ. No person other than the grand jurors may be present while the FGJ is deliberating or voting.

**18.6.5.3 (U) LEGAL AUTHORITIES**

(U) An FGJ can collect evidence through the use of an FGJ subpoena, which is governed by Rule 6 of the FRCP. FRCP 6(e) controls the release of information obtained as part of the FGJ proceeding. FRCP 6(e) allows federal prosecutors to share foreign intelligence, counterintelligence, and terrorism-related threat information, and it is the DOJ’s policy that such information must be shared to the fullest extent permissible by law and in a manner consistent with the rule. The Attorney General has issued revised guidance for the Disclosure and Use of Grand Jury Information under Rule 6(e)(3)(D) (hereinafter “FGJ Guidelines”).

18.6.5.4 (U) SCOPE

(U//~~FOUO~~) This policy applies to all FBI employees engaged in a FGJ-related investigation who have access to FGJ information defined as “matters occurring before the grand jury” and are involved in operational activity. This includes FBI personnel such as task force officers (TFOs), task force members (TFMs), and task force participants (TFPs) (see DIOG subsection 3.3.2), and other government agency (OGA) personnel detailed to the FBI. FGJ subpoenas can be used to demand documents, records, testimony of witnesses, or any other evidence deemed relevant by a sitting grand jury. The FBI can request the issuance of an FGJ subpoena in coordination with the responsible USAO in all criminal investigative matters. [REDACTED]

b7E

[REDACTED]

[REDACTED] FGJ subpoenas are part of the investigative process. Thus, when an individual is indicted, further FGJ subpoenas may not be issued that are related to those offenses. Additional FGJ subpoenas pertaining to this individual could be issued, however, only for crimes which continue to be investigated and have not yet been indicted. FGJ subpoenas cannot be used to gather evidence for trial; trial subpoenas must be used for that purpose (see Rule 17 FRCP). See DIOG subsection 18.6.5.14 for guidance on the use of a FGJ subpoena in fugitive investigations.

Requests for AG approval must be made by the AUSA involved in the investigation consistent with the DOJ policies set forth in 28 C.F.R. § 50.10, and DOJ News Media Policy Memo, dated February 21, 2014, DOJ News Media Policy, and the DOJ News Media Policy Memo, dated January 14, 2015.

(U) 28 C.F.R. § 50.10(b)(1)(ii) provides guidance on categories of individuals and entities not covered under the requirements set out above.

(U) Additional guidance on the DOJ policy may be obtained from the field office CDC, the Investigative Law Unit and the Privacy and Civil Liberties Unit, OGC.

18.6.5.9.1 (U) EXAMPLES OF MATTERS OCCURRING BEFORE THE GRAND JURY

18.6.5.9.2 (U) *FEDERAL GRAND JURY PHYSICAL EVIDENCE AND STATEMENTS OF WITNESSES*

(U) Physical evidence provided to the government in response to an FGJ subpoena is subject to the secrecy rule regardless of whether such evidence is presented to the grand jury. Physical evidence provided voluntarily or obtained by means other than grand jury process (such as by consent or a search warrant) is not considered a matter occurring before the grand jury regardless of whether such evidence was previously or is thereafter presented to the grand jury. The fact that the physical evidence was presented to the grand jury is, however, subject to the grand jury secrecy rules

b7E

(U) Statements of witnesses obtained as a result of grand jury process including FGJ subpoena, such as a statement given in lieu of grand jury testimony, are matters occurring before the grand jury irrespective of whether such witnesses testified before the grand jury or were not required to testify. Voluntary statements of witnesses made outside of the grand jury context (not pursuant to any grand jury process including an FGJ grand jury subpoena), including statements made outside the grand jury by a witness who is being prepared for grand jury testimony, are not matters occurring before the grand jury irrespective of whether the witness previously testified or will thereafter testify before the grand jury.

18.6.5.9.3 ***(U) DOCUMENTS CREATED INDEPENDENT OF GRAND JURY BUT OBTAINED BY GRAND JURY SUBPOENA:***

(U) As described earlier, Rule 6(e) generally prohibits disclosing matters occurring before the grand jury. The rule, however, does not define that phrase. The issue of whether pre-existing documents fall within that prohibition has never been settled conclusively by the Supreme Court, although many lower courts have discussed it at length. Courts generally agree that this prohibition does not cover all information developed in the course of a grand jury investigation; rather, the secrecy rule applies only to information that would reveal the existence, strategy or direction of the grand jury investigation, the nature of the evidence produced before the grand jury, the views expressed by members of the grand jury, or anything else that actually occurred before the grand jury. In addition, many courts have held that Rule 6(e) does not automatically protect third party documents from disclosure simply because they were subpoenaed by the government. Those courts have focused on whether the disclosure of the subpoenaed documents or their contents may tend to reveal the direction or strategy of the grand jury's investigation. Due to developing law on this issue, FBI personnel must consult with the AUSA responsible, and if appropriate, the CDC to determine how best to handle such documents.

18.6.5.9.4 ***(U//~~FOUO~~) DATA EXTRACTED FROM RECORDS OBTAINED BY GRAND JURY SUBPOENA:***

(U//~~FOUO~~) Information extracted from business records that were obtained by grand jury subpoena is often used to facilitate investigations. Some of this type of data is, by statute or case law, subject to grand jury secrecy rules. In other investigations, determination of whether data must be considered subject to grand jury secrecy rules depends on the case law and local practice in the federal district. Information extracted from grand jury subpoenaed financial records subject to the Right to Financial Privacy Act of 1978 (12 U.S.C. § 3420) must be treated as matters occurring before a federal grand jury "unless such record has been used in the prosecution of a crime for which the grand jury issued an indictment or presentment or for a purpose authorized by rule 6(e) of the Federal Rules of Criminal Procedure" (emphasis added).

18.6.5.10 ***(U) RESTRICTIONS ON DISCLOSURE***

(U) As a general rule, no one other than a grand jury witness may disclose matters occurring before the grand jury. Government agents, even if called as witnesses, may not disclose matters occurring before the grand jury. To determine if disclosure is permitted under certain circumstances, or if the disclosure restrictions are not applicable because the materials are not matters occurring before the grand jury, see DIOG subsection 18.6.5.9, above, and relevant subsections of 18.6.5.12 below.

Petitions to make these disclosures are generally, but not always, filed with the court that impaneled the grand jury. Unless the hearing on the government's petition is an ex parte hearing, the petition must be served on all parties to the proceeding and the parties must be afforded a reasonable period of time to respond.

- A) (U) An attorney for the government may petition for disclosure to a foreign court or prosecutor for use in an official criminal investigation.
- B) (U) An attorney for the government may petition for disclosure to a state, local, tribal, or foreign government official, if the government attorney can show that the matter may disclose a violation of state, tribal, or foreign criminal law, and the purpose of the disclosure is to enforce that law.
- C) (U) An attorney for the government may petition for disclosure to an appropriate military official if the government attorney can show the matter may disclose a violation of military criminal law under the Uniform Code of Military Justice, and the purpose of the disclosure is to enforce that law.

#### 18.6.5.11.1 (U) DISCLOSURES BY THE GOVERNMENT NOT REQUIRING THE COURT'S PERMISSION

(U//~~FOUO~~) The government, through its attorney, may disclose matters occurring before the grand jury without prior permission of the court under the following conditions:

- A) (U) Under Rule 6(e)(3)(A), the government may disclose matters occurring before the federal grand jury to certain persons in certain situations provided the government does not disclose the grand jury's deliberations or any grand juror's vote and the government provides the court that impaneled the grand jury with the names of all persons to whom disclosure was made and certifies that the government has advised the receiving party of the obligation of secrecy under this rule, as set forth below in B - D.
- B) (U) Also under Rule 6(e)(3)(A), persons eligible to receive matters occurring before the grand jury under this subsection are: 1) an attorney for the government for use in performing that attorney's duty; 2) any government personnel, including state, local, tribal, or foreign government personnel that an attorney for the government considers necessary to assist in performing that attorney's duty to enforce federal law; and 3) a person authorized under 18 U.S.C. § 3322.
- C) (U) For Rule 6(e)(3)(A) purposes, OGC attorneys and CDCs are not "attorneys for the government." For purposes of the FRCP, it defines "attorney for the government" as "the Attorney General, an authorized assistant of the Attorney General, a United States Attorney, [and] an authorized assistant of the United States Attorney."

§18

- D) (U) Rule 6(e)(3)(B) authorizes grand jury material to be used "to assist an attorney for the government in performing that attorney's duty to enforce federal criminal law." With the approval of the USAO, information from subpoenaed telephone records may be disclosed for use in unrelated federal criminal investigations in those districts where such material is not considered a matter occurring before a grand jury. If the USAO approves generally of this procedure, such information may be used in unrelated criminal investigations without authorization from a government attorney in each instance.
- E) (U) Under Rule 6(e)(3)(e), an attorney for the government may disclose any matter occurring before the grand jury to another federal grand jury.

18.6.5.11.2 ***(U) RULE 6(E) EXCEPTIONS PERMITTING DISCLOSURE OF FGJ MATERIAL***

(U) Rule 6(e) allows certain exceptions permitting disclosure of matters occurring before the grand jury, which are discussed in the following sections. Rule 6(e)(3)(B) requires a federal prosecutor who discloses grand jury material to government investigators and other persons supporting the grand jury investigation to promptly provide the court that impaneled the grand jury the names of the persons to whom such disclosure has been made and to certify that he/she has advised such persons of their obligation of secrecy under the Rule. In order to document the certification required by the Rule, government attorneys often execute and deliver to the court a form, normally referred to as a "Certification" or "Rule 6(e) letter." A copy of this document must be maintained with the grand jury material held in the FBI's custody. The list of individuals authorized to access matters occurring before the grand jury, referred to as the "6(e) list," is drawn from the Rule 6(e) letter. See also DIOG subsection 18.6.5.4.1 above for Rule 6(e) exceptions involving administrative personnel.

18.6.5.11.3 ***(U) RULE 6(E)(3)(D) DISCLOSURE EXCEPTION FOR INTELLIGENCE OR NATIONAL SECURITY PURPOSES***

(U) An attorney for the government may disclose any matter occurring before the grand jury involving foreign intelligence, counterintelligence, or foreign intelligence information to any federal law enforcement, intelligence, protective, immigration, national defense, or national security official to assist the official receiving the information in the performance of that official's duties. The government attorney must file, under seal, with the court that impaneled the grand jury, a notice that such information was disclosed and the agencies or departments that received the information. As used in Rule 6(e), foreign intelligence information is information that relates to the ability of the United States to protect against actual or potential attack or grave hostile acts by a foreign power or its agents; sabotage or international terrorism by a foreign power or its agents or clandestine intelligence activities by an intelligence service or network of a foreign power or its agents; or information with respect to a foreign power or foreign territory that relates to the national defense or security of the United States or the United States conduct of foreign affairs. An attorney for the government may disclose any grand jury matter involving, either in the United States or elsewhere, a threat of attack or other grave hostile acts of a foreign power or its agent, a threat of domestic or international sabotage, or clandestine intelligence gathering activities by an intelligence service or network of a foreign power or by its agent to any appropriate federal, state, local, tribal, or foreign government official for the purpose of preventing or responding to such threat or activities.

(U//~~FOUO~~) FRCP 6(e)(3)(D) allows federal prosecutors to share foreign intelligence, counterintelligence, and terrorism-related threat information, and it is the DOJ's policy that such information must be shared to the fullest extent permissible by law and in a manner consistent with the rule. The Attorney General has issued FGJ practice guidelines for USAOs, and the Guidelines for the Disclosure and Use of Grand Jury Information Under Rule 6(e)(3)(D), issued by the Deputy Attorney General on May 15, 2008, provides amplifying guidance.

#### 18.6.5.11.4 (U) *FBI'S CONDUIT RULE*

(U//~~FOUO~~) Only the federal prosecutor is authorized to make an initial disclosure of Rule 6(e)(3)(D) foreign intelligence information. As a practical matter, such disclosures are ordinarily accomplished through the FBI, which may have existing information-sharing mechanisms with authorized receiving officials. If the prosecutor intends to share information directly with another official, consultation with the FBI is required to ensure that disclosures will be consistent with the existing policy of intelligence community agencies and to ensure appropriate handling of sensitive or classified information [REDACTED]

b7E

[REDACTED]

(U//~~FOUO~~) If, in cases of emergency, the prosecutor must disclose information before consulting with the FBI, the prosecutor must notify the FBI as soon as practicable.

#### 18.6.5.11.5 (U) *OTHER STATUTORY DISCLOSURE RESTRICTIONS NOT AFFECTED*

(U) Rule 6(e)(3)(D) does not eliminate certain other information protection requirements, such as restrictions on disclosure of tax returns and tax information, on certain financial information under the Right to Financial Privacy Act, and on classified information, to name only a few examples. Specific statutes may impose additional burdens on disclosures.

#### 18.6.5.11.6 (U) *RULE 6(E)(D) RECEIVING OFFICIAL RULES AND RESTRICTIONS*

- A) (U) An FBI employee may become a "receiving official," i.e., the person to whom matters occurring before the federal grand jury can be disclosed, if the FBI receives federal grand jury information developed during investigations conducted by other agencies. A receiving official is any federal, state, local, tribal, or foreign government official who receives grand jury information, disclosed by an attorney for the government, under any provision of Rule 6(e)(3)(D). A receiving official may only use the disclosed material as necessary in the conduct of his/her official duties, and in a manner consistent with its sensitivity, FGJ guidelines, and any additional conditions placed on the use or handling of the information by the attorney for the government. The receiving official ordinarily must consult with the federal prosecutor before disseminating the information publicly, including in open court proceedings
- B) (U//~~FOUO~~) If dissemination is necessary to the performance of his or her official duties, a receiving official may disseminate Rule 6(e)(3)(D) information outside of that official's agency to other government officials.
- C) (U) A receiving official, other than a foreign government official, must consult with the attorney for the government before disseminating Rule 6(e)(3)(D) information publicly (including through its use in a court proceeding that is open to or accessible to the public), unless prior dissemination is necessary to prevent harm to life or property. In such

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

instances, the receiving official must notify the attorney for the government of the dissemination as soon as practicable.

- D) (U) A foreign government receiving official must obtain prior consent from the disclosing official where possible, or if the disclosing official is unavailable, from the agency that disseminated the information to that foreign official before dissemination of the information to a third government or publicly. Public dissemination includes using the information in a court proceeding that is open to or accessible by the public.
- E) (U) A receiving official must take appropriate measures to restrict access to this information to individuals who require access for the performance of official duties.
- F) (U) A receiving official must immediately report to the disclosing attorney for the government: any unauthorized dissemination of Rule 6(e)(3)(D) information; or any loss, compromise, or suspected compromise of Rule 6(e)(3)(D) information.
- G) (U) Rule 6(e)(3)(D)(i) provides that receiving officials may use disclosed information only to conduct their “official duties subject to any limitation on the unauthorized disclosure of such information.” This “limitation on unauthorized disclosures” is understood to encompass applicable statutory, regulatory, and guideline restrictions regarding classification, privacy, or other information protection, as well as any additional restrictions imposed by the federal prosecutor.
- H) (U//~~FOUO~~) The FGJ Guidelines do not require the receiving official to notify the federal prosecutor of subsequent disclosures, except for consultation concerning public disclosures and consent for certain disclosures by foreign officials. The receiving official is bound by whatever restrictions govern his or her use and disclosure of the information as part of his official duties. Of note, per Rule 6(e)(3)(D)(ii), if the FBI is included in the initial 6(e)(3)(D) letter as an entity receiving disclosure, subsequent dissemination by the FBI is permitted and no additional permission or notification to the court is required. (Guidelines for the Disclosure and Use of Grand Jury Information Under Rule 6(e)(3)(D)), issued by the Deputy Attorney General on May 15, 2008.

#### 18.6.5.11.6.1 (U//~~FOUO~~) DOCUMENTATION OF INTERNAL DISCLOSURE OF GRAND JURY MATERIAL

(U) Grand jury material must be kept in such as fashion as to maintain the integrity of the material. Upon taking custody of grand jury material, the FBI employee must categorize it in a manner to identify its production source and how it was obtained, to include the identity of a custodian of record for documentary evidence. In lieu of a Rule 6(e) letter from the USAO containing an exhaustive list of names of FBI personnel, an FBI record of additional internal disclosures must be maintained by the case agent in order to establish accountability. Use of this “internal certification” procedure must be authorized by the appropriate USAO. The internal certification document (e.g. EC) must record the date of disclosure as well as the identity and position of the recipient. Such internal disclosures may be made only in support of the same investigation in which a federal prosecutor has previously issued a Rule 6(e) letter. In addition, the internal certification document must reflect that all recipients of matters occurring before the grand jury were advised of the secrecy requirements of Rule 6(e). Whenever practicable, recipients must be listed on this internal certification prior to disclosure. Local Rule 6(e) customs must govern the internal certification process used. See also DIOG subsection 18.6.5.4.1 above for Rule 6(e) exceptions involving administrative personnel.

## 18.6.5.11.7 (U) VIOLATIONS

- A) (U) A receiving official who knowingly violates Rule 6(e)(3)(D) by using the disclosed information outside the conduct of his or her official duties, or by failing to adhere to any limitations on the dissemination of such information, may be subject to contempt of court proceedings and to restriction on future receipt of Rule 6(e)(3)(D) information.
- B) (U) A state, local, tribal, or foreign government official who receives Rule 6(e)(3)(D) information, and who knowingly violates these guidelines, may be subject to contempt of court proceedings.
- C) (U) An attorney for the government who knowingly violates Rule 6(e)(3)(D) may be subject to contempt of court proceedings.

## 18.6.5.12 (U) LIMITATION OF USE

- A) (U) Rule 6(e)(3)(D) does not require notice to the court of subsequent dissemination of the information by receiving officials.
- B) (U//~~FOUO~~) Disclosure of material considered matters occurring before the grand jury cannot be made within the FBI for unrelated investigations unless a government attorney has determined that such disclosure to a particular investigator is needed to assist that attorney in a specific criminal investigation. The ability of government attorneys to freely share grand jury material with other government attorneys for related or unrelated criminal investigations does not extend to investigators without investigation specific authorization from the government attorney and notice to the court. Therefore,
- C) (U//~~FOUO~~) If a government attorney authorizes the disclosure of material considered matters occurring before the grand jury in the possession of the FBI for use in an unrelated federal criminal matter, such approval must be documented in the "GJ" sub-file of both the initiated investigation file and the subsequent investigation file. That documentation will be in addition to any necessary supplementation to the government attorney's Rule 6(e) disclosure letter and/or to the internal certification disclosure list.
- D) (U//~~FOUO~~) The USAO must be consulted immediately for precautionary instructions if material considered matters occurring before the grand jury will have application to civil law enforcement functions (e.g., civil RICO or civil forfeiture). There are very limited exceptions that allow government attorneys to use grand jury material or information in civil matters (e.g., civil penalty proceedings concerning banking law violations). These exceptions do not automatically apply to investigative personnel. Therefore, any similar use of FGJ information by the FBI must be approved in advance by the government attorney.
- E) (U//~~FOUO~~) Disclosure cannot be made without a court order for use in non-criminal investigations, such as background investigations or name checks.
- F) (U//~~FOUO~~) Government personnel who are preparing a response to a Freedom of Information Act or Privacy Act request may properly access grand jury material under the Rule because they are considered to be assisting the grand jury attorney by ensuring against any improper disclosure.
- G) (U) Rule 6(e)(3)(B) requires a federal prosecutor who discloses material considered matters occurring before the grand jury to government investigators and other persons supporting the grand jury investigation to promptly provide the court that impaneled the grand jury the

names of the persons to whom such disclosure has been made and to certify that he/she has advised such persons of their obligation of secrecy under the Rule. In order to document the certification required by the Rule, government attorneys often execute and deliver to the court a form, normally referred to as a "Certification" or "Rule 6(e) letter." A copy of this document must be maintained with the grand jury material held in the FBI's custody.

18.6.5.13 (U//~~FOUO~~) MARKING, PHYSICAL STORAGE, AND MAILING OF GRAND JURY MATERIAL

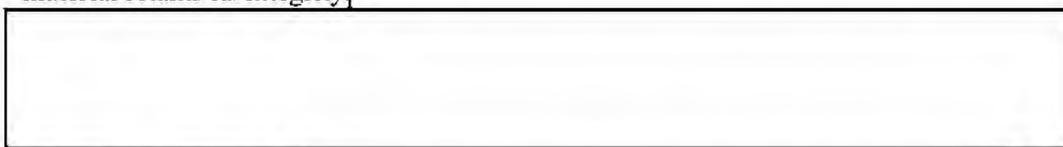

(U//~~FOUO~~) The FBI cannot make or allow unauthorized disclosure of matters occurring before the grand jury. If material and records obtained pursuant to the FGJ process are stored in FBI space, [redacted]

process are frequently stored in FBI space. FBI employees must report any unauthorized disclosure to the appropriate government attorney who, in turn, must notify the court. In order to protect against unauthorized disclosure, grand jury material must be secured in the following manner:

- 1) (U//~~FOUO~~) The page cover, envelope, or container holding grand jury materials or records that have been identified as a "matter occurring before a grand jury" must be marked with the warning: "MATTERS OCCURRING BEFORE THE FEDERAL GRAND JURY - DISSEMINATE ONLY PURSUANT TO RULE 6(e)." No grand jury stamp or mark should be affixed to the original material. Agents, analysts and other authorized parties should work from copies of such FGJ material whenever possible to ensure the original material retains its integrity. [redacted]

- 2) (U//~~FOUO~~) Access to [redacted] must be limited to authorized persons (e.g., those assisting an attorney for the government in a specific criminal investigation). All necessary precautions must be taken to protect [redacted] to include maintaining the material in a secure location when not in use. The material must be appropriately segregated, secured, safeguarded and placed in the investigative GJ sub-file [redacted] segregate and restrict access to the material, or it can be entered in [redacted] [redacted] is entered into a computer database, the data must be marked with the 6(e) warning and [redacted] restricted within the system.

- 3) (U//~~FOUO~~) Registered mail or other traceable courier (such as Federal Express) approved by the Chief Security Officer (CSO) must be used to mail or transmit to other field offices

any documents containing grand jury material. Couriers and other personnel employed in these services will not be aware of the contents of the material transmitted because of the wrapping procedures specified below, and therefore, do not require a background investigation for this purpose. The names of persons who transport the material need not be placed on a 6(c) disclosure list.

- 4) (U//~~FOUO~~) Material considered matters occurring before the grand jury that is to be mailed or transmitted by traceable courier outside a facility must be enclosed in opaque inner and outer covers. The inner cover must be a sealed wrapper or envelope that contains the addresses of the sender and the addressee, who must be authorized to have access to the grand jury material. The inner cover must be conspicuously marked "Grand Jury Information To Be Opened By Addressee Only." The outer cover must be sealed, addressed, return addressed, and bear no indication that the envelope contains grand jury material. When the size, weight, or nature of the grand jury material precludes the use of envelopes or standard packaging, the material used for packaging or covering must be of sufficient strength and durability to protect the information from unauthorized disclosure or accidental exposure.
- 5) (U//~~FOUO~~) If the government attorney determines that the sensitivity of, or threats to, such grand jury material necessitates a more secure transmission method, the material may be transmitted by an express mail service approved for the transmission of national security information or be hand carried by the assigned government attorney or his or her designated representative.
- 6) (U//~~FOUO~~) Material considered matters occurring before the grand jury containing classified national security information must be handled, processed, and stored according to 28 C.F.R. Part 17. Such FGJ material containing other types of sensitive information, such as federal tax return information, witness security information, and other types of highly sensitive information that have more stringent security requirements than that usually required for matters occurring before the grand jury must be stored and protected pursuant to the security regulations governing such information and any special dissemination requirements provided by the organization that originated the information.

18.6.5.14 (U) **REQUESTS FOR FGJ SUBPOENAS IN FUGITIVE INVESTIGATIONS**

(U//~~FOUO~~) The function of the grand jury is to decide whether a person should be charged with a federal crime. Locating a person who has been charged is a task that is ancillary to, rather than a part of, that function. As such, grand jury subpoenas cannot be used as an investigative aid in the search for a fugitive in whose testimony the grand jury has no interest. Absent one of the exceptions discussed below being applicable, grand jury subpoenas for testimony or records related to a fugitive's whereabouts may not be requested in FBI fugitive investigations.

(U//~~FOUO~~) If the grand jury has a legitimate interest in the testimony of a fugitive regarding another federal ongoing investigation, it may subpoena other witnesses and records in an effort to locate the fugitive. In this situation, the responsible Assistant Attorney General must approve a "target" subpoena for the fugitive before the grand jury may subpoena witnesses and records to locate the fugitive.

(U//~~FOUO~~) When a fugitive's present location is relevant to an offense under investigation, the grand jury may legitimately inquire as to the fugitive's whereabouts. Offenses such as harboring, misprision of a felony, and accessory after the fact are examples of crimes as to which the fugitive's location may be relevant evidence. If, however, the person who is suspected of harboring the fugitive or being an accessory after the fact has been immunized and compelled to testify regarding the location of the fugitive, this will likely be viewed as improper subterfuge.

(U//~~FOUO~~) DOJ policy generally forbids the use of grand jury subpoenas to locate a defendant charged in a federal criminal complaint with unlawful flight to avoid prosecution

(UFAP). UFAP investigations are, as a general rule, not prosecuted. Use of the grand jury in the investigation of a UFAP matter requires prior consultation with DOJ and written authorization to prosecute from the Assistant Attorney General in charge of the Criminal Division. Federal indictments for UFAP require prior written approval of the Attorney General, Deputy Attorney General, or an Assistant Attorney General.

#### 18.6.5.15 (U) FGJ OVERPRODUCTION

(U) If any of the information received in response to an FGJ subpoena is subject to statutory privacy protections (e.g., records subject to the Electronic Communications Privacy Act (ECPA), Right to Financial Privacy Act (RFPA), the Fair Credit Reporting Act (FCRA), Health Insurance Portability and Accountability Act (HIPAA), or the Buckley Amendment), it must be reviewed at the time it is received by the employee who requested the issuance of the FGJ subpoena to ensure that the information received is within the scope of the subpoena's demand. Any information received from a third party provider that is beyond the scope of the FGJ subpoena and is subject to statutory protections must be treated as an overproduction. Overproduced material must not be electronically placed into any FBI application, database or used in any manner. Instead, the FBI employee must promptly notify the AUSA who authorized the issuance of the FGJ subpoena of the potential overproduction. The AUSA, in coordination with the FBI employee, must determine whether the information exceeds the scope of the FGJ subpoena, and if so, how to dispose of the overproduced material. The method of disposition for the overproduction must be documented in the investigation's [redacted]

#### 18.6.5.16 (U) FGJ MATERIAL COMPLIANCE AND MONITORING

(U//~~FOUO~~) [redacted] of every field office must designate [redacted] to be responsible for overseeing the FBI's compliance on handling, storage and labeling of FGJ material meeting the definition of matters occurring before the federal grand jury. As part of these duties, the designee must review the field office practices for handling, storage and labeling such material at least once per fiscal year. This review must encompass the policy standards set out in this section and along with any local "standing" judicial requirements. The results of the review(s) must be reported to the field office Division Compliance Council (DCC), and through the DCC, to the Office of Integrity and Compliance using file number [redacted]. The field office may set its own unique inaugural fiscal year review date and use that date thereafter as its basis for the annual review period.

(U//~~FOUO~~) All field office specific local "standing" judicial guidance must be made available to employees assigned to that office.

Those who approve NSLs, as well as those designated as acting officials who will approve NSLs, must have completed the Virtual Academy course on NSLs, reviewed DIOG Section 18.6.6. 18.6.6.3.7.5 (U) EMERGENCY CIRCUMSTANCES

(U//~~FOUO~~) ECPA protects subscriber or communications transactional information from disclosure by providers of electronic communication services. Generally, an NSL, grand jury subpoena, or another form of legal process must be used to compel a communication service provider to disclose subscriber or transactional information. In emergency circumstances, however, the provider may voluntarily disclose information to the FBI if the provider, in good faith, believes that an emergency involving danger of death or serious physical injury to any person exists and requires disclosure without delay. As a matter of FBI policy, when there is a danger of death or serious physical injury that does not permit the proper processing of an NSL, an administrative subpoena (if permissible), or a grand jury subpoena, then a letter to the provider citing 18 U.S.C. § 2702 may be used to request emergency disclosure, if approved by a SAC, ASAC, or FBIHQ Section Chief. If time does not permit the issuance of an emergency letter that cites 18 U.S.C. § 2702, then an oral request to the provider may be made, but the oral request must be followed-up with a letter to the provider. In either situation, an [Redacted] Form, which automatically generates the letter, must be completed.

18.6.6.3.8 (U) NOTICE AND REPORTING REQUIREMENTS

(U//~~FOUO~~) NSLB compiles NSL statistics for reporting to Congress. The NSL subsystem [Redacted] automatically records the information needed for Congressional reporting. If the NSL is created outside the subsystem, then the NSL's cover EC must include the information necessary for NSLB to report NSL statistics accurately, i.e., delineate the number of targeted facilities/accounts in each NSL issued to an NSL recipient.

b7E

(U//~~FOUO~~) NSLB also reports to Congress the USPER status of the target (as opposed to the subject of the investigation) of all NSLs, other than NSLs that seek only subscriber information. While the subject of the investigation is often the target of the NSL, that is not always the case. The EC must record the USPER status of the target of the NSL – the person whose information the FBI is seeking. If the NSL is seeking information about more than one person, the EC must record the USPER status of each person.

18.6.6.3.13 (U) DISSEMINATION OF NSL INFORMATION

(U//~~FOUO~~) Subject to certain statutory limitations, information obtained in response to an NSL may be disseminated according to general dissemination standards in the AGG-Dom. The Electronic Communications Privacy Act (ECPA) (telephone and electronic communications transactional records) and the Right to Financial Privacy Act (RFPA) (financial records) permit dissemination if consistent with the AGG-Dom and the information is clearly relevant to the responsibilities of the recipient agency. The Fair Credit Reporting Act (FCRA) permits dissemination of the identity of financial institutions and consumer identifying information to other federal agencies as may be necessary for the approval or

18.6.6.3.15 (U) *PAYMENT FOR NSL-DERIVED INFORMATION*

(U//~~FOUO~~) No legal obligation exists for the FBI to compensate recipients of NSLs issued pursuant to ECPA (telephone and electronic communications transactional records) or FCRA, 15 U.S.C. § 1681v (full credit reports in international terrorism investigations), and therefore no payment should be made in connection with those NSLs. See EC 319X-HQ-A1487720-OGC, serial 222, for a form letter to be sent in response to demands for payment concerning these NSLs.

(U//~~FOUO~~) Compensation for responding to NSLs issued pursuant to RFPA (financial records) and FCRA § 1681u (identity of financial institutions and consumer identifying information) is covered by a fee schedule adopted under DOJ's Cost Reimbursement Guidance under the ECPA.

18.6.6.3.16 (U) *JUDICIAL REVIEW OF NSLS*

(U//~~FOUO~~) All NSLs should include the necessary legal notices. Specifically, an NSL issued by the FBI must inform the recipient of the right to judicial review of the NSL pursuant to 18 U.S.C. § 3511(a). See *Doc v. Mukasey*, 549 F.3d 861 (2d Cir. 2008). An NSL issued by the FBI must also inform the recipient of the right to judicial review of any nondisclosure requirement imposed in connection with the NSL. See, e.g. 18 U.S.C. § 2709(d). An NSL must specifically advise that, if the recipient wishes to have a court review a nondisclosure requirement imposed in connection with an NSL, the recipient may notify the Government, which must then initiate judicial review proceedings  if it wants to maintain nondisclosure of the NSL. If the FBI determines that nondisclosure continues to be necessary (see below paragraph for statutory standard for nondisclosure), the Government must demonstrate to a federal judge the need for continued nondisclosure and obtain a judicial order requiring such nondisclosure. The nondisclosure requirement will remain in effect unless and until there is a final court order holding that disclosure is permitted.

b7E

(U//~~FOUO~~) In any judicial review proceeding regarding a nondisclosure requirement in connection with an NSL, the Government will bear the burden of persuading the district court that there is good reason to believe that disclosure may result in at least one of the enumerated harms set forth in the NSL statutes, e.g., 18 U.S.C. § 2709(c), which are: a danger to the national security of the United States; interference with a criminal, counterterrorism, or

counterintelligence investigation; interference with diplomatic relations; or danger to the life or physical safety of any person, that is related to an authorized investigation to protect against international terrorism or clandestine intelligence activities. Accordingly, the field office or FBIHQ Division that issued the NSL, in conjunction with OGC, must coordinate with DOJ and the United States Attorney's Office to ensure that the FBI's certification is sufficient to meet the FBI's burden of proof.

18.6.6.3.17 (U) **REVIEW OF NONDISCLOSURE REQUIREMENT IN NSLS**

(U//~~FOUO~~) The USA FREEDOM Act of 2015 requires the FBI to review at certain intervals during the investigation all National Security Letters (NSL) that included a nondisclosure requirement pursuant to procedures adopted by the Attorney General. Pursuant to the *Attorney General Termination Procedures for National Security Letter Nondisclosure Requirement (Procedures)*, issued November 24, 2015, the review is to determine whether the nondisclosure requirement in an NSL should continue or be terminated. Under these *Procedures*, the nondisclosure requirement of an NSL shall terminate upon the closing of any investigation in which an NSL containing a nondisclosure provision was issued except where the FBI makes a determination that one of the existing statutory standards for nondisclosure is satisfied. Pursuant to the *Procedures*, starting February 21, 2016, when (i) an open investigative file reaches its third-year anniversary [redacted] and (ii) an investigative file is closed, an NSL nondisclosure review must occur. If an investigation is closed before its third-year anniversary, then the NSL nondisclosure review will occur once, that is, when the investigation closes. There are no NSL nondisclosure reviews beyond the third-year anniversary and/or when the investigative file is closed.

**18.6.8 (U) INVESTIGATIVE METHOD: STORED WIRE OR ELECTRONIC COMMUNICATIONS AND TRANSACTIONAL RECORDS**

**18.6.8.1 (U) SUMMARY**

(U//~~FOUO~~) FBI employees may acquire the contents of stored wire or electronic communications and associated transactional records—including basic subscriber information—as provided in 18 U.S.C. §§ 2701-2712 (Electronic Communications Privacy Act (ECPA)). Requests for voluntary disclosure under the emergency authority of 18 U.S.C. § 2702 require prior approval from the field office ASAC or FBIHQ Section Chief when appropriate.

(U//~~FOUO~~) All requests for information from electronic communication service providers (e.g., telephone companies, internet service providers) pertaining to a subscriber or customer must comply with ECPA. As used in ECPA, the term “information pertaining to a subscriber or customer” should be read broadly. It includes, for example, information regarding whether a particular individual has an account with a covered provider. Thus, unless done in accordance with ECPA, an FBI employee may not ask a telephone company or internet service provider whether John Smith has an account with the company (i.e., the FBI employee may not informally seek information that is statutorily protected prior to the issuance of appropriate process or the existence of an exception to ECPA). In addition, based on a November 5, 2008 interpretation of ECPA from the Office of Legal Counsel, the FBI may not ask a telephone company whether a given telephone number that the company services has been assigned to an individual. In short, in order to obtain any information specific to the subscriber from a telephone company or electronic communication service provider, the FBI must provide legal process pursuant to 18 U.S.C. §§ 2703 or 2709 or the request must fall within the limited exceptions established in 18 U.S.C. § 2702, and discussed below.

**18.6.8.2.1 (U) STORED DATA**

(U) The Electronic Communications Privacy Act (ECPA)—18 U.S.C. §§ 2701-2712—governs the disclosure of two broad categories of information: (i) the contents of wire or electronic communications held in “electronic storage” by providers of “electronic communication service” or contents held by those who provide “remote computing service” to the public; and (ii) records or other information pertaining to a subscriber to or customer of

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

such services. The category of “records or other information” can be subdivided further into subscriber records (listed in 18 U.S.C. § 2703(c)(2)) and stored traffic data or other records.

(U) Records covered by ECPA include all records that are related to the subscriber, including buddy lists, “friend” lists (MySpace), and virtual property owned (Second Life). These other sorts of records are not subscriber records and cannot be obtained with a subpoena under 18 U.S.C. § 2703(c)(2) or an NSL under 18 U.S.C. § 2709.

#### 18.6.8.2.2 (U) *LEGAL PROCESS*

(U) The legal process for obtaining disclosure will vary depending on the type of information sought and whether the information is being voluntarily provided under 18 U.S.C. § 2702 (e.g., with consent or when emergency circumstances require disclosure) or the provider is being compelled to provide the information under 18 U.S.C. § 2703, as outlined below. The process for compelling production under 18 U.S.C. § 2709 is discussed in the NSL section above.

#### 18.6.8.2.3 (U) *RETRIEVAL*

(U) Contents held in “electronic storage” by a provider of “electronic communication service” for 180 days or less can only be obtained with a search warrant based on probable cause. Accordingly, such records may only be obtained during a Full Investigation.

(U) Contents held by those who provide “remote computing service” to the public and contents held in “electronic storage” for more than 180 days by an “electronic communication service” provider can be obtained with: a warrant; a subpoena with prior notice to the subscriber or customer; or an order issued by a court under 18 U.S.C. § 2703(d) when prior notice has been provided to the customer or subscriber (unless the court has authorized delayed notice).

(U) Title 18 U.S.C. § 2705 establishes the standard to delay notice for an initial period of up to 90 days. Records or other information pertaining to a subscriber to or customer of such services, including basic subscriber information, can be obtained with a search warrant or an 18 U.S.C. § 2703(d) order without notice.

#### 18.6.8.2.4 (U) *BASIC SUBSCRIBER INFORMATION*

(U) Basic subscriber information, as described in 18 U.S.C. § 2703(c)(2), can be compelled by a grand jury or administrative subpoena without notice.

#### 18.6.8.2.5 (U) *PRESERVATION OF STORED DATA*

(U) The government is authorized under 18 U.S.C. § 2703(f) to direct a provider to preserve records or other information (stored records or communications) in its possession for 90 days (which may be extended for an additional 90-days) pending issuance of applicable legal process for disclosure. To make a preservation request, the FBI must believe that the records will subsequently be sought by appropriate legal process.

#### 18.6.8.2.6 (U) *COST REIMBURSEMENT*

(U) 18 U.S.C. § 2706 requires the government to reimburse for costs incurred in providing the contents of communications, records, or other information obtained under 18 U.S.C. §§ 2702, 2703, or 2704, except that reimbursement is not required for records or other information

maintained by a communications common carrier that relate to telephone toll records and telephone listings obtained under 18 U.S.C. § 2703. In essence, the government does not have to reimburse for the cost of producing records that the provider maintains in the ordinary course of its business.

#### 18.6.8.3 (U) LEGAL AUTHORITY

(U) 18 U.S.C. §§ 2701-2712

(U) AGG-Dom, Part V.9

(U) ECPA—18 U.S.C. §§ 2701-2712—creates statutory privacy rights for the contents of communications in “electronic storage” and records or other information pertaining to a subscriber to or customer of an “electronic communication service” and a “remote computing service.” The statutory protections protect the privacy of an individual’s electronic data contained in a networked account—that may otherwise fall outside the scope of the protections afforded by the Fourth Amendment—when such account or its service is owned or managed by a third-party provider.

(U) ECPA generally: (i) prohibits access to the contents of wire or electronic communications while in “electronic storage” unless authorized (18 U.S.C. § 2701); (ii) prohibits a provider of service to the public from disclosing the contents of wire or electronic communications while held in “electronic storage,” and prohibits divulging to the government any information pertaining to a subscriber to or customer of such service unless authorized (18 U.S.C. § 2702); and (iii) authorizes the government to compel disclosure from a provider of stored contents of a wire or electronic communication and records or other information pertaining to a subscriber to or customer (18 U.S.C. § 2703). ECPA provides for reimbursement of costs incurred in providing the information acquired.

(U)

b7E

#### 18.6.8.4 (U) ECPA DISCLOSURES

(U) ECPA authorities can be divided into two categories: (i) compelled disclosure—legal process to compel providers to disclose the contents of stored wire or electronic communications (including e-mail and voice mail—opened and unopened) and other information, such as account records and basic subscriber information; and (ii) voluntary disclosure of such information from service providers. Each of these authorities is discussed below.

##### 18.6.8.4.1 (U) DEFINITIONS

- A) (U) ***Electronic Storage***: is “any temporary, intermediate storage of a wire or electronic communication incidental to the electronic transmission thereof,” or “any storage of such communication by an electronic communication service for purposes of backup protection of such communication.” 18 U.S.C. § 2510(17). In short, “electronic storage” refers only to temporary storage, made in the course of transmission, by a provider of an electronic communication service.
- B) (U) ***Remote Computing Service (RCS)***: is a service that provides “to the public” computer storage or processing services by means of an electronic communications system. 18 U.S.C. §

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

2711(2). In essence, a remote computing service is an off-site computer that stores or processes data for a customer.

- C) (U) ***Electronic Communications System***: is "any wire, radio, electromagnetic, photo optical or photo electronic facilities for the transmission of wire or electronic communications, and any computer facilities or related electronic equipment for the electronic storage of such communications." 18 U.S.C. § 2510(14).
- D) (U) ***Electronic Communication Service (ECS)***: is "any service that provides to users thereof the ability to send or receive wire or electronic communications." 18 U.S.C. § 2510(15). For example, telephone companies and electronic mail companies generally act as providers of electronic communication services.

18.6.8.4.2 (U) ***COMPELLED DISCLOSURE***

(U) 18 U.S.C. § 2703 lists five types of legal process that the government can use to compel a provider to disclose certain kinds of information. The five mechanisms, in descending order of required threshold showing are as follows:

- A) (U) Search warrant;
- B) (U) 18 U.S.C. § 2703(d) court order with prior notice to the subscriber or customer;
- C) (U) 18 U.S.C. § 2703(d) court order without prior notice to the subscriber or customer;
- D) (U) Subpoena with prior notice to the subscriber or customer; and
- E) (U) Subpoena without prior notice to the subscriber or customer.

**18.6.8.4.2.2 (U//~~FOUO~~) NOTICE—ORDERS NOT TO DISCLOSE THE EXISTENCE OF A WARRANT, SUBPOENA, OR COURT ORDER**

(U//~~FOUO~~) FBI employees may obtain a court order directing network service providers not to disclose the existence of compelled process if the government has no legal duty to notify the customer or subscriber of the process. If an 18 U.S.C. § 2703(d) order or 18 U.S.C. § 2703(a) warrant is being used, a request for a non-disclosure order can be included in the application and proposed order or warrant. If a subpoena is being used to obtain the information, a separate application to a court for a non-disclosure order must be made.

**18.6.8.4.2.3 (U) LEGAL STANDARD**

(U//~~FOUO~~) A court may order an electronic communications service provider or remote computing service not to disclose the existence of a warrant, subpoena, or court order for such period as the court deems appropriate. The court must enter such an order if it determines that there is reason to believe that notification of the existence of the warrant, subpoena, or court order will result in:

- A) (U) Endangering the life or physical safety of an individual;
- B) (U) Flight from prosecution;
- C) (U) Destruction of or tampering with evidence;
- D) (U) Intimidation of potential witnesses; or

**18.6.8.4.2.4 (U) SEARCH WARRANT**

(U//~~FOUO~~) Investigators can obtain the full contents of a network account with a search warrant issued pursuant to FRCP Rule 41. However, FRCP Rule 41 search warrant may not be issued in Preliminary Investigations. See DIOG Section 18.7.1.3.4.4.

**18.6.8.4.2.5 (U) COURT ORDER WITH PRIOR NOTICE TO THE SUBSCRIBER OR CUSTOMER**

(U//~~FOUO~~) Investigators can obtain everything in a network account except for unopened e-mail or voice-mail stored with a provider for 180 days or less using a 18 U.S.C. § 2703(d) court order with prior notice to the subscriber unless they have obtained authority for delayed notice pursuant to 18 U.S.C. § 2705. ECPA distinguishes between the contents of communications that are in "electronic storage" (e.g., unopened e-mail) for less than 180 days, and those that have been in "electronic storage" for longer or that are no longer in "electronic storage" (e.g., opened e-mail).

(U) FBI employees who obtain a court order under 18 U.S.C. § 2703(d), and either give prior notice to the subscriber or comply with the delayed notice provisions of 18 U.S.C. § 2705(a), may obtain:

18.6.8.4.2.5.1 (U) *LEGAL STANDARD*

(U) To order delayed notice, the court must find that "there is reason to believe that notification of the existence of the court order may... endanger the life or physical safety of an individual; [lead to] flight from prosecution; [lead to] destruction of or tampering with evidence; [lead to] intimidation of potential witnesses; or . . . otherwise seriously jeopardiz[e] an investigation or unduly delay[ ] a trial." 18 U.S.C. §§ 2705(a)(1)(A) and 2705(a)(2). The applicant must satisfy this standard anew each time an extension of the delayed notice is sought.

18.6.8.4.2.5.2 (U) *NATIONWIDE SCOPE*

(U) Federal court orders under 18 U.S.C. § 2703(d) have effect outside the district of the issuing court. Orders issued pursuant to 18 U.S.C. § 2703(d) may compel providers to disclose information even if the information is stored outside the district of the issuing court. See 18 U.S.C. § 2703(d) ("any court that is a court of competent jurisdiction" may issue a 18 U.S.C. § 2703(d) order); 18 U.S.C. § 2711(3) (court of competent jurisdiction includes any federal court having jurisdiction over the offense being investigated without geographic limitation).

(U) 18 U.S.C. § 2703(d) orders may also be issued by state courts. See 18 U.S.C. §§ 2711(3), 3127(2)(B). These orders issued by state courts, however, do not have effect outside the jurisdiction of the issuing state. See 18 U.S.C. §§ 2711(3).

**18.6.8.4.2.6 (U) COURT ORDER WITHOUT PRIOR NOTICE TO THE SUBSCRIBER OR CUSTOMER**

(U) A court order under 18 U.S.C. § 2703(d) may compel disclosure of:

Requests made pursuant to 18 U.S.C. § 2703(d) for disclosure of prospective cell site and sector information—which is delivered to law enforcement under Communications Assistance for Law Enforcement Act (CALEA) at the beginning and end of calls— must be combined with an application for pen register/trap and trace device. Some judicial districts will require a showing of probable cause before authorizing the disclosure of prospective cell site and sector information.

(U) A court order under 18 U.S.C. § 2703(d) is known as an "articulable facts" court order or simply a "d" order. This section imposes an intermediate standard to protect on-line transactional records. It is a standard higher than a subpoena, but not a probable cause warrant.

(U) In applying for an order pursuant to 18 U.S.C. § 2703 (d), the FBI must state sufficient specific and articulable facts for the court to find that there are reasonable grounds to believe that the contents of a wire or electronic communication, or the records or other information sought, are relevant and material to an ongoing criminal investigation. A) (U) ***Legal Standard:*** The legal threshold for issuing a subpoena is relevance to the investigation. Courts are reluctant to review the “good faith” issuance of subpoenas as long as they satisfy the following factors<sup>45</sup>: (i) the investigation is conducted pursuant to a legitimate purpose; (ii) the information requested under the subpoena is relevant to that purpose; (iii) the agency does not already have the information it is seeking with the subpoena; and (iv) the agency has followed the necessary administrative steps in issuing the subpoena.

(U//~~FOUO~~) In the event that a federal grand jury subpoena is used, however, appropriate protections against disclosure must be followed in compliance with FRCP Rule 6(e).

B) (U//~~FOUO~~)

C) (U) ***Members of the News Media:*** Approval of the Attorney general must be obtained prior to seeking telephone billing records of a member of the news media. (See DIOG Section 18.6.5..8)

#### 18.6.8.4.3 (U) ***VOLUNTARY DISCLOSURE***

(U)

b7E

A) (U) ***Service NOT Available to the Public:*** ECPA does not apply to providers of services that are not available “to the public;” accordingly such providers may freely disclose both contents and other records relating to stored communications. Andersen Consulting v. UOP, 991 F. Supp. 1041 (N.D. Ill. 1998) (giving hired consulting firm employees access to UOP’s e-mail system is not equivalent to providing e-mail to the public).

B) (U) ***Services That ARE Available to the Public:*** If the provider offers services to the public, then ECPA governs the disclosure of contents and other records.

C) (U) If the provider is authorized to disclose the information to the government under 18 U.S.C. § 2702 and is willing to do so voluntarily, law enforcement does not need to obtain a legal order or provide other legal process to compel the disclosure.

D) (U) If a provider voluntarily discloses under the statute, there is no follow-up legal process required or available. If the provider, on the other hand, either may not or will not disclose the information voluntarily, FBI employees must rely on compelled disclosure provisions and obtain the appropriate legal orders.

1) (U) ***Voluntary Disclosure of Stored Contents*** - ECPA authorizes the voluntary disclosure of stored contents when:

- a) (U) The originator, addressee, intended recipient, or the subscriber (in the case of opened e-mail) expressly or impliedly consents. 18 U.S.C. § 2702(b)(3);
- b) (U) The disclosure “may be necessarily incident to the rendition of the service or to the protection of the rights or property of the provider of that service.” 18 U.S.C. § 2702(b)(5);

- c) (U) The provider "in good faith, believes that an emergency involving danger of death or serious physical injury to any person requires disclosure without delay of information relating to the emergency," 18 U.S.C. § 2702(b)(8);
- d) (U//~~FOUO~~) An emergency disclosure under this statutory exception is justified when the circumstances demand action without delay to prevent death or serious bodily injury; the statute does not depend on the immediacy of the risk of danger itself. For example,

H.R Rep. No. 107-497 at 13-14 (2002) accompanying The Cyber Security Enhancement Act of 2002, H.R. 3482, which passed as part of the comprehensive Homeland Security Act of 2002, Pub. L. No. 107-296, § 225 116 Stat. 2135 (2002).

- e) (U) The disclosure is made to the National Center for Missing and Exploited Children, in connection with a report submitted thereto under Section 227 of the Victims of Child Abuse Act of 1990. (42 U.S.C. § 13032 and 18 U.S.C. § 2702[b][6]); or
- f) (U) The contents are inadvertently obtained by the service provider and appear to pertain to the commission of a crime. Such disclosures can only be made to a law enforcement agency. 18 U.S.C. § 2702(b)(7)
- 2) (U) **Voluntary Disclosure of Non-Content Customer Records** - ECPA permits a provider to voluntarily disclose non-content customer records to the government when:
- a) (U) The customer or subscriber expressly or impliedly consents, 18 U.S.C. § 2702(c)(2);
- b) (U) The disclosure "may be necessarily incident to the rendition of the service or to the protection of the rights or property of the provider of that service." 18 U.S.C. § 2702(c)(3);
- c) (U) The provider "in good faith, believes that an emergency involving danger of death or serious physical injury to any person requires disclosure without delay of information relating to the emergency," 18 U.S.C. § 2702(c)(4); or
- d) (U//~~FOUO~~) *Note:* An emergency disclosure under this statutory exception is justified when the circumstances demand immediate action (i.e., obtaining/disclosing information "without delay") to prevent death or serious bodily injury; the statute does not depend on the immediacy of the risk of danger itself. For example, an e-mail that discusses a planned terrorist attack but not the timing of the attack would constitute an emergency that threatens life or limb and requires immediate action, even though the timing of the attack is unknown. It is the need for immediate action to prevent the serious harm threatened rather than the immediacy of the threat itself that provides the justification for voluntary disclosures under this exception. H.R Rep. No. 107-497 at 13-14 (2002) accompanying The Cyber Security Enhancement Act of 2002, H.R. 3482, which passed as part of the comprehensive Homeland Security Act of 2002, Pub. L. [redacted] A governmental entity is authorized to direct providers to preserve stored records and communications pursuant to 18 U.S.C. § 2703(f). c) (U) FBI employees who send 18 U.S.C. § 2703(f) letters to network service providers should be aware of two limitations. First, the authority to direct providers to preserve records and other evidence is not prospective. Thus, 18 U.S.C. § 2703(f) letters can order a provider to preserve records that have already been created but cannot order providers to preserve records not yet made. If FBI employees want providers to record information about future electronic communications, they must comply with the electronic surveillance statutes. A second limitation of 18 U.S.C. § 2703(f) is that some providers may be unable to comply effectively with 18 U.S.C. § 2703(f) requests

4) (U) **Video Tape Rental or Sales Records** - 18 U.S.C. § 2710 makes the unauthorized disclosure of records by any person engaged in the rental, sale, or delivery of prerecorded video cassette tapes or similar audiovisual materials unlawful and provides an exclusionary rule to prohibit personally identifiable information otherwise obtained from being admissible as evidence in any court proceeding. Personally identifiable information is defined as "information that identifies a person as having requested or obtained specific video material or services . . . ."

a) (U) The disclosure to law enforcement of "personally identifiable information" is permitted only when the law enforcement agency:

- (i) (U) Has the written consent of the customer;
- (ii) (U) Obtains a search warrant issued under Rule 41, FRCP or equivalent state warrant; or

18.6.8.5 (U) VOLUNTARY EMERGENCY DISCLOSURE

18.6.8.5.1 (U) SCOPE

(~~U//FOUO~~) ECPA protects subscriber and transactional information regarding communications from disclosure by providers of remote computing services or telephone or other electronic communication services to the public (remote computing services, telephone and other electronic communications services are hereafter collectively referred to as "electronic communications service providers" or "providers"). Generally, an NSL, grand jury subpoena, or other form of legal process must be used to compel the communication service provider to disclose such information.

PR/TT orders authorize the collection of phone number dialed from or to a particular telephone, IP addresses, port numbers and the “To” and “From” information from e-mail; they cannot intercept the content of a communication, such as telephone conversations or the words in the “subject line” or the body of an e-mail.

**18.6.9.4 (U) DEFINITION OF INVESTIGATIVE METHOD**

(U) A pen register device or process records or decodes dialing, routing, addressing or signaling information transmitted by an instrument or facility from which a wire or electronic communication is transmitted, provided that such information must not include the contents of any communication. See 18 U.S.C. § 3127(3).

(U) A trap and trace device or process captures the incoming electronic or other impulses that identify the originating number or other dialing, routing, addressing or signaling information reasonably likely to identify the source of a wire or electronic communication, provided that such information does not include the contents of any communication. - B) (U//~~FOUO~~) Whether there is sufficient factual basis for the certification to be made in the application (i.e., is the information likely to be obtained relevant to an ongoing criminal investigation);
- C) (U//~~FOUO~~) Whether the customer or subscriber has consented to the use of a PR/TT, see 18 U.S.C. § 3121(b)(3); or
- D) (U//~~FOUO~~) Whether the use of a PR/TT is the least intrusive method if reasonable based upon the circumstances of the investigation.

(U//~~FOUO~~) A copy of the approving EC must be maintained in the pen register sub-file "PEN."

**18.6.9.5.2.3 (U) EMERGENCY AUTHORITY—CRIMINAL: 18 U.S.C. § 3125**

(U) The Attorney General, the Deputy Attorney General, the Associate Attorney General, any Assistant Attorney General, any *acting Assistant Attorney General*, or any *Deputy Assistant Attorney General* may specially designate any investigative or law enforcement officer to reasonably determine whether an emergency situation exists that requires the installation and use of a PR/TT device before an order authorizing such installation and use can, with due diligence, be obtained and there are grounds upon which an order could be entered authorizing the installation and use of a PR/TT.

(U) An emergency situation as defined in this section involves:

- A) (U) Immediate danger of death or serious bodily injury to any person;
- B) (U) Conspiratorial activities characteristic of organized crime;
- C) (U) An immediate threat to a national security interest; or
- D) (U) An ongoing attack on a protected computer (as defined in 18 U.S.C. § 1030) that constitutes a crime punishable by a term of imprisonment greater than one year.

(U) Only DOJ officials have the authority to authorize the emergency installation of a PR/TT. The FBI does not have this authority. If the DOJ authorizes the emergency installation of a PR/TT, the government has 48 hours after the installation to apply for and obtain a court order according to 18 U.S.C. § 3123. It is a violation of law to fail to apply for and obtain a court order within this 48 hour period. Use of the PR/TT shall immediately terminate when the information sought is obtained, when the application for a court order is denied, or if no court order has been obtained 48 hours after the installation of the PR/TT device in emergency situations.

The AUSA will include an authorization memorandum with the application for the court order approving the emergency use.

18.6.9.6 (U) DURATION OF APPROVAL

A) (U) **FISA:** The use of a PR/TT device may be authorized by the FISC for a period of time not to exceed 90 days in investigations targeting an USPER. Extensions may be granted for periods not to exceed 90 days upon re-application to the court. In investigations in which the applicant has certified that the information likely to be obtained is foreign intelligence information not concerning a U.S. person (USPER), an order or extension may be for a period of time not to exceed one year.

B) (U) **Criminal:** The installation and use of a PR/TT device may be authorized by court order under 18 U.S.C. § 3123 for a period not to exceed 60 days, which may be extended for additional 60-day periods.

18.6.9.8 (U) USE OF FISA DERIVED INFORMATION IN OTHER PROCEEDINGS

(U//~~FOUO~~) There are statutory (50 U.S.C. Sections 1806, 1825, and 1845) and Attorney General (AG) policy restrictions on the use of information derived from a FISA ELSUR, physical search, or PR/TT. These restrictions apply to and must be followed by anyone “who may seek to use or disclose FISA information in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States. . . .” See DIOG Appendix E for the AG Memo, Revised Policy on the Use or Disclosure of FISA Information, dated 01-10-2008. The guidance in the AG’s Memo establishes notification/approval procedures which must be strictly followed. Though not contained in the AG Memo, FBI policy requires that [Redacted] [Redacted] Questions concerning the FISA use policy or requests for assistance in obtaining FISA use authority from the AG should be directed to NSLB’s Classified Litigation Support Unit.

b7E

(U//~~FOUO~~) The United States must, prior to the trial, hearing, or other proceeding or at a reasonable time prior to an effort to disclose or use that information or submit it into evidence, notify the “aggrieved person” [as defined in 50 U.S.C. Sections 1801(k), 1821(2), or 1841(2)], and the court or other authority in which the information is to be disclosed or used, that the United States intends to disclose or use such information. See 50 U.S.C. Sections 1806(c), 1825(d), and 1845(c).

18.6.9.9 (U) CONGRESSIONAL NOTICE AND REPORTING REQUIREMENTS

18.6.9.9.1 (U) CRIMINAL PEN REGISTER/TRAP AND TRACE- ANNUAL REPORT

(U) The Attorney General is required to make an annual report to Congress on the number of criminal PR/TT orders applied for by DOJ law enforcement agencies. See 18 U.S.C. § 3126. The report must include the following information:

- A) (U) The period of interceptions authorized by the order, and the number and duration of any extensions;
- B) (U) The offense specified in the order or application, or extension;

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

- C) (U) The number of investigations involved;
- D) (U) The number and nature of the facilities affected; and
- E) (U) The identity, including the district, of the applying agency making the application and the person authorizing the order.

(U//~~FOUO~~) DOJ, Criminal Division, OEO requires the FBI to provide quarterly reports on pen register usage. To satisfy DOJ data requirements and standardize and simplify field reporting, court-ordered pen register usage must be reported to FBIHQ [REDACTED]

For all criminal PR/TT orders or extensions issued on or after January 1, 2009, the [REDACTED] These reporting requirements do not apply to PR/TT authorized pursuant to consent or under the provisions of FISA.

#### 18.6.9.9.2 (U) NATIONAL SECURITY PEN REGISTERS AND TRAP AND TRACE – SEMI-ANNUAL REPORT

(U) The Attorney General must inform the House Permanent Select Committee on Intelligence, Senate Select Committee on Intelligence, Committee of the Judiciary of the House Representatives, and Committee of the Judiciary of the Senate concerning all uses of PR/TT devices pursuant to 50 U.S.C. § 1846. This report is coordinated through DOJ NSD. A semi-annual report must be submitted that contains the following information:

- A) (U) The total number of applications made for orders approving the use of PR/TT devices;
- B) (U) The total number of such orders either granted, modified, or denied; and
- C) (U) The total number of PR/TT devices whose installation and use was authorized by the Attorney General on an emergency basis and the total number of subsequent orders approving or denying the installation and use of such PR/TT devices.

#### 18.6.9.10 (U) POST CUT-THROUGH DIALED DIGITS (PCTDD)

##### 18.6.9.10.1 (U) OVERVIEW

(U//~~FOUO~~) Telecommunication networks provide users the ability to engage in extended dialing and/or signaling (also known as "post cut-through dialed digits" or PCTDD), which in some circumstances are simply call-routing information and, in others, are call content. For example, non-content PCTDD may be generated when a party places a calling card, credit card, or collect call by first dialing a long-distance carrier access number and then, after the initial call is "cut through," dialing the telephone number of the destination party. In other instances, PCTDD may represent call content, such as when a party calls an automated banking service and enters an account number, calls a pharmacy's automated prescription refill service and enters prescription information, or enters a call-back number when prompted by a voice mail service. See United States Telecom Assn v. Federal Communications Commission, 227 F.3d 450, 462 (D.C. Cir. 2000). [REDACTED]

b7E

(U//~~FOUO~~) The definition of both a pen register device and a trap and trace device provides that the information collected by these devices "shall not include the contents of any

UNCLASSIFIED - ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

communication." See 18 U.S.C. § 3127(3) and (4). In addition, 18 U.S.C. § 3121(c) makes explicit the requirement to "use technology reasonably available" that restricts the collection of information "so as not to include the contents of any wire or electronic communications." "Content" includes any information concerning the substance, purport, or meaning of a communication. See 18 U.S.C. § 2510(8). When the pen register definition is read in conjunction with the limitation provision, however, it suggests that although a PR/TT device may not be used for the express purpose of collecting content, the incidental collection of content may occur despite the use of "reasonably available" technology to minimize, to the extent feasible, any possible over collection of content while still allowing the device to collect all of the dialing and signaling information authorized.

(U//~~FOUO~~) **DOJ Policy:** In addition to this statutory obligation, DOJ has issued a directive in [redacted] to all DOJ agencies requiring that no affirmative investigative use may be made of PCTDD incidentally collected that constitutes content, except in cases of emergency—to prevent an immediate danger of death, serious physical injury, or harm to the national security.

A) (U//~~FOUO~~) **Authority:** A standard PR/TT order issued pursuant to 18 U.S.C. § 3127 is adequate to authorize the use of this technology to determine the location of a known targeted phone, provided that the language authorizes FBI employees to install or cause to be installed and use a pen register device, without geographical limitation, at any time of day or night within (X) days from the date the order is signed, to record or decode dialing, routing, addressing, or signaling information transmitted by the “Subject Telephone.” Due to varying and often changing court interpretations of the requirements for obtaining cell site location information, agents contemplating legal process to obtain such information should consult as necessary with their CDC and/or AUSA for the legal requirements in their particular jurisdiction. The application and order should generally also request authority to compel disclosure of cell site location data on an ongoing basis under 18 U.S.C. § 2703(d)—or probable cause, if such is required by the particular district court—as such information may assist in determining the general location of the targeted phone. The requesting authority must provide a statement of the investigative benefit of the mail cover and anticipated benefits to be derived from the extension.

C) (U) **Fugitives**: No mail cover instituted to locate a fugitive may remain in force for longer than 120 continuous days unless personally approved for further extension by the Chief Postal Inspector or his/her designees at National Headquarters. See 39 C.F.R. § 233.3(g)(6).

b7E

[Redacted]  
[Redacted]  
[Redacted] **AND INVENTORY SEARCHES GENERALLY**

**18.6.12.1 (U) SUMMARY**

(U) The Fourth Amendment to the United States Constitution prevents the FBI from conducting unreasonable searches and seizures. It also generally requires a warrant be obtained if the search will intrude on a reasonable expectation of privacy. To qualify as a "reasonable expectation of privacy," the individual must have an actual subjective expectation of privacy and society must be prepared to recognize that expectation as objectively reasonable. See Katz v. United States, 389 U.S. at 361. If an individual has a reasonable expectation of privacy, a warrant or order issued by a court of competent jurisdiction or an exception to the requirement for such a warrant or order is required before a search may be conducted. Physical searches of personal or real property may be conducted without a search warrant or court order if there is no reasonable expectation of privacy in the property or area. As a general matter, there is no reasonable expectation of privacy in areas that are exposed to public view or that are otherwise available to the public.

(U//~~FOUO~~) *Note:* Consent Searches are authorized in Assessments, as well as in Predicated Investigations.

(U) A reasonable expectation of privacy may be terminated by an individual abandoning property, setting trash at the edge of the curtilage or beyond for collection, or when a private party reveals the contents of a package (See DIOG subsection 18.6.12.4.2. However, the AGG-Dom and FBI policy have restricted the use of "trash covers" to Predicated Investigations. [Redacted]

[Redacted]

[Redacted] A trash cover is a targeted effort to gather information regarding a particular person or entity by reviewing that person or entity's refuse. Generally, a trash cover is planned in advance based upon information indicating that a specific trash container will contain evidence or intelligence of an investigative interest within a specified period of time.

18.6.12.4.2 (U) *DETERMINATION OF AN AREA OF CURTILAGE AROUND A HOME*

(U) Whether an area is curtilage around a home is determined by reference to four factors: (i) proximity of the area in question to the home; (ii) whether the area is within an enclosure surrounding the home; (iii) nature of the use to which the area is put; and (iv) steps taken to protect the area from observation by passers-by.

(U) An area is curtilage if it is so intimately tied to the home itself that it should be placed under the home’s umbrella of Fourth Amendment protection.

18.6.12.5 (U) **STANDARDS FOR USE AND APPROVAL REQUIREMENTS FOR A TRASH COVER**

(U//~~FOUO~~) SSA approval is required for the use of a trash cover. In Type 5 Assessments, prior to using a trash cover, the employee must also consult with the CDC or OGC to determine whether the search implicates a reasonable expectation of privacy and thus requires a search warrant. During Predicated Investigations, if there is a doubt as to whether a person has a reasonable expectation of privacy in the area to be searched, the employee must consult with the CDC or OGC to determine whether a search warrant is required. Use of this method must be documented in the investigative file.

**18.7.1 (U) INVESTIGATIVE METHOD: SEARCHES – WITH A WARRANT OR COURT ORDER (REASONABLE EXPECTATION OF PRIVACY)**

(U) See AGG-Dom, Part V.A.12 and the Attorney General's Guidelines On Methods Of Obtaining Documentary Materials Held By Third Parties, Pursuant to Title II, Privacy Protection Act of 1980 (Pub. L. 96-440, Sec. 201 et seq.; 42 U.S.C. § 2000aa-11, et seq.).

**18.7.1.1 (U) SUMMARY**

(U) The Fourth Amendment to the United States Constitution governs all searches and seizures by government agents. The Fourth Amendment contains two clauses. The first establishes the prohibition against unreasonable searches and seizures. The second provides that no warrant (authorizing a search or seizure) will be issued unless based on probable cause. Although an unlawful search may not preclude a prosecution, it can have serious consequences for the government. These include adverse publicity, civil liability against the employee or the government and the suppression of evidence from the illegal seizure.

(U//~~FOUO~~) Application:

b7E

(U) A search is a government invasion of a person’s privacy. To qualify as reasonable expectation of privacy, the individual must have an actual subjective expectation of privacy and society must be prepared to recognize that expectation as objectively reasonable. See Katz v. United States, 389 U.S. at 361. The ability to conduct a physical search in an area or situation where an individual has a reasonable expectation of privacy requires a warrant or order issued by a court of competent jurisdiction or an exception to the requirement for such a warrant or order. The warrant or order must be based on probable cause. The United States Supreme Court defines probable cause to search as a “fair probability that contraband or evidence of a crime will be found in a particular place.” Illinois v. Gates, 462 U.S. 213, 238 (1983). A government agent may conduct a search without a warrant based on an individual’s voluntary consent. A search based on exigent circumstances may also be conducted without a warrant, but the requirement for probable cause remains.

(U//~~FOUO~~) There are special rules that must be followed prior to obtaining a search warrant that might intrude upon professional, confidential relationships.

**18.7.1.2 (U) LEGAL AUTHORITY**

(U) Searches conducted by the FBI must be in conformity with FRCP Rule 41; FISA, 50 U.S.C. §§ 1821-1829; or E.O. 12333 § 2.5.

§18

**18.7.1.3 (U) DEFINITION OF INVESTIGATIVE METHOD**

(U) ***Physical Search defined:*** A physical search constitutes any physical intrusion within the United States into premises or property (including examination of the interior of property by technical means) that is intended to result in the seizure, reproduction, inspection, or alteration of information, material, or property, under circumstances in which a person has a reasonable expectation of privacy.

(U) A physical search requiring a warrant does not include: (i) electronic surveillance as defined in FISA or Title III; or (ii) the acquisition by the United States Government of foreign intelligence information from international foreign communications, or foreign intelligence activities conducted according to otherwise applicable federal law involving a foreign electronic communications system, using a means other than electronic surveillance as defined in FISA.

**18.7.1.3.1 (U) REQUIREMENT FOR REASONABLENESS**

(U) By the terms of the Fourth Amendment, a search must be reasonable at its inception and reasonable in its execution.

b7E

**18.7.1.3.2 (U) REASONABLE EXPECTATION OF PRIVACY**

(U) The right of privacy is a personal right, not a property concept. It safeguards whatever an individual reasonably expects to be private. The protection normally includes persons, residences, vehicles, other personal property, private conversations, private papers and records. The Supreme Court has determined that there is no reasonable expectation of privacy in certain areas or information. As a result, government intrusions into those areas do not constitute a search and, thus, do not have to meet the requirements of the Fourth Amendment. These areas include: (i) open fields; (ii) prison cells; (iii) public access areas; and (iv) vehicle identification numbers. The Supreme Court has also determined that certain governmental practices do not involve an intrusion into a reasonable expectation of privacy and, therefore, do not amount to a search. These practices include: (i) aerial surveillance conducted from navigable airspace; (ii) field test of suspected controlled substance; and (iii) odor detection. A reasonable expectation of privacy may be terminated by an individual taking steps to voluntarily relinquish the expectation of privacy, such as abandoning property or setting trash at the edge of the curtilage or beyond for collection.

**18.7.1.3.3 (U) ISSUANCE OF SEARCH WARRANT**

(U) Under FRCP Rule 41, upon the request of a federal law enforcement officer or an attorney for the government, a search warrant may be issued by:

- A) (U) a federal magistrate judge, or if none is reasonably available, a judge of a state court of record within the federal district, for a search of property or for a person within the district;
- B) (U) a federal magistrate judge for a search of property or for a person either within or outside the district if the property or person is within the district when the warrant is sought but might move outside the district before the warrant is executed;

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

§18

C) (U) a federal magistrate judge in any district in which activities related to the terrorism may have occurred, for a search of property or for a person within or outside the district, in an investigation of domestic terrorism or international terrorism (as defined in 18 U.S.C. § 2331); and

D) (U) a magistrate with authority in the district to issue a warrant to install a tracking device. The warrant may authorize use of the device to track the movement of a person or property located within the district, outside, or both.

(U) Physical searches related to a national security purpose may be authorized by the FISC. (50 U.S.C. §§ 1821-1829)

18.7.1.3.4 (U) *PROPERTY OR PERSONS THAT MAY BE SEIZED WITH A WARRANT*

(U) A warrant may be issued to search for and seize any: (i) property that constitutes evidence of the commission of a criminal offense; (ii) contraband, the fruits of crime, or things otherwise criminally possessed; or (iii) property designed or intended for use or that is or has been used as the means of committing a criminal offense. In addition to a conventional search conducted following issuance of a warrant, examples of search warrants include:

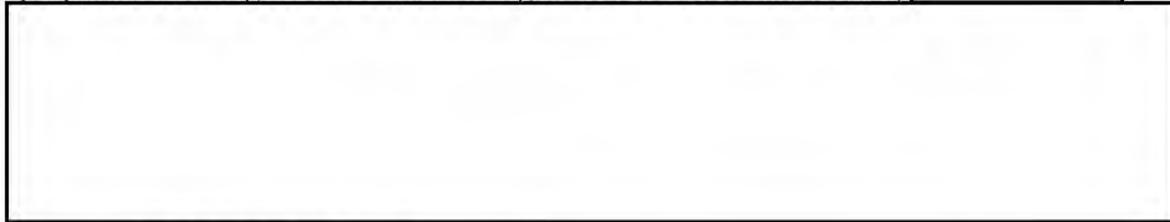

18.7.1.3.4.1 (U) *ANTICIPATORY WARRANTS*

(U) As the name suggests, an anticipatory warrant differs from other search warrants in that it is not supported by probable cause to believe that contraband exists at the premises to be searched at the time the warrant is issued. Instead, an anticipatory search warrant is validly issued where there is probable cause to believe that a crime has been or is being committed, and that evidence of such crime will be found at the described location at the time of the search, but only after certain specified events transpire. These conditions precedent to the execution of an anticipatory warrant, sometimes referred to as "triggering events," are integral to its validity. Because probable cause for an anticipatory warrant is contingent on the occurrence of certain expected or "triggering" events, typically the future delivery, sale, or purchase of contraband, the judge making the probable cause determination must take into account the likelihood that the triggering event will occur on schedule and as predicted. Should these triggering events fail to materialize, the anticipatory warrant is void.

18.7.1.3.4.2 (U) *SNEAK AND PEEK SEARCH WARRANTS*

(U) A sneak and peek search warrant allows law enforcement agents to surreptitiously enter a location such as a building, an apartment, garage, storage shed, etc., for the purpose of looking for and documenting evidence of criminal activity [redacted]

b7E

18.7.1.3.4.3 (U) *MAIL OPENINGS*

(U) Mail in United States postal channels may be searched only pursuant to court order, or presidential authorization. United States Postal Service regulations governing such

activities must be followed. A search of items that are being handled by individual couriers, or commercial courier companies, under circumstances in which there is a reasonable expectation of privacy, or have been sealed for deposit into postal channels, and that are discovered within properties or premises being searched, must be carried out according to unconsented FISA or FRCP Rule 41 physical search procedures.

**18.7.1.3.4.4 (U) COMPELLED DISCLOSURE OF THE CONTENTS OF STORED WIRE OR ELECTRONIC COMMUNICATIONS**

(U) Contents in “electronic storage” (e.g., unopened e-mail/voice mail) require a search warrant. See 18 U.S.C. § 2703(a). A distinction is made between the contents of communications that are in electronic storage (e.g., unopened e-mail) for less than 180 days and those in “electronic storage” for longer than 180 days, or those that are no longer in “electronic storage” (e.g., opened e-mail). In enacting the ECPA, Congress concluded that customers may not retain a “reasonable expectation of privacy” in information sent to network providers. However, the contents of an e-mail message that is unopened should nonetheless be protected by Fourth Amendment standards, similar to the contents of a regularly mailed letter. On the other hand, if the contents of an unopened message are kept beyond six months or stored on behalf of the customer after the e-mail has been received or opened, it should be treated the same as a business record in the hands of a third party, such as an accountant or attorney. In that case, the government may subpoena the records from the third party without running afoul of either the Fourth or Fifth Amendment. If a search warrant is used, it may be served on the provider without notice to the customer or subscriber.

18.7.1.3.4.4.1 (U) *SEARCH WARRANT*

(U//~~FOUO~~) Investigators can obtain the full contents of a network account with a search warrant. ECPA does not require the government to notify the customer or subscriber when it obtains information from a provider using a search warrant. Warrants issued under 18 U.S.C. § 2703 must either comply with FRCP Rule 41 or be an equivalent state warrant. Warrants issued pursuant to 18 U.S.C. § 2703 do not require personal service on the customer; the warrants are only be served on the electronic communication service or a remote computing service. FRCP Rule 41 requires a copy of the warrant be left with the provider, and a return and inventory be made. Federal courts have nationwide jurisdiction to issue these search warrants (see below).

(U) With a search warrant issued based on probable cause pursuant to FRCP Rule 41 or an equivalent state warrant, the government may obtain:

- A) (U) The contents of a wire or electronic communication that has been in electronic storage in an electronic communications system for one hundred and eighty days or less, and
- B) (U) Everything that can be obtained using a 18 U.S.C. § 2703(d) court order with notice.

(U) In other words, every record and all of the stored contents of an account—including opened and unopened e-mail/voice mail— can be obtained with a search warrant based on probable cause pursuant to FRCP Rule 41. Moreover, because the warrant is issued by a neutral magistrate based on a finding of probable cause, obtaining a search warrant effectively insulates the process from challenge under the Fourth Amendment.

18.7.1.3.4.4.2 (U) *NATIONWIDE SCOPE*

(U) Search warrants under 18 U.S.C. § 2703(a) may be issued by a federal "court with jurisdiction over the offense under investigation," and may be executed outside the district of the issuing court for material responsive to the warrant. State courts may also issue warrants under 18 U.S.C. § 2703(a), but the statute does not give these warrants effect outside the issuing court's territorial jurisdiction. As with any other FRCP Rule 41 warrant, investigators must draft an affidavit and a proposed warrant that complies with FRCP Rule 41.

18.7.1.3.4.4.3 (U) *SERVICE OF PROCESS*

(U) 18 U.S.C. § 2703(a) search warrants are obtained just like any other FRCP Rule 41 search warrant but are typically served on the provider and compel the provider to find and produce the information described in the warrant. ECPA expressly states that the presence of an officer is not required for service or execution of a search warrant issued pursuant to 18 U.S.C. § 2703(a).

18.7.1.3.4.4.4 (U) *COURT ORDER WITH PRIOR NOTICE TO THE SUBSCRIBER OR CUSTOMER*

(U/~~FOUO~~) Investigators can obtain everything in a network account except for unopened e-mail or voice-mail stored with a provider for 180 days or less using a 18 U.S.C. § 2703(d) court order with prior notice to the subscriber unless they have obtained authority for delayed notice pursuant to 18 U.S.C. § 2705. ECPA distinguishes between the contents of communications that are in "electronic storage" (e.g., unopened e-mail) for less than 180 days, and those that have been in "electronic storage" for longer or that are no longer in "electronic storage" (e.g., opened e-mail).

(U) FBI employees who obtain a court order under 18 U.S.C. § 2703(d), and either give prior notice to the subscriber or comply with the delayed notice provisions of 18 U.S.C. § 2705(a), may obtain:

A) (U) "The contents of a wire or electronic communication that has been in electronic storage in an electronic communications system for more than one hundred and eighty days." 18 U.S.C. § 2703(a).

B) (U) "The contents of any wire or electronic communication" held by a provider of remote computing service "on behalf of . . . a subscriber or customer of such remote computing service," 18 U.S.C. §§ 2703(b)(1)(B)(ii), 2703 (b)(2); and

C) (U) Everything that can be obtained using a 18 U.S.C. § 2703(d) court order without notice.

18.7.1.3.4.4.5 (U) *LEGAL STANDARD*

(U) To order delayed notice, the court must find that "there is reason to believe that notification of the existence of the court order may... endanger the life or physical safety of an individual; [lead to] flight from prosecution; [lead to] destruction of or tampering with evidence; [lead to] intimidation of potential witnesses; or . . . otherwise seriously jeopardiz[e] an investigation or unduly delay [ ] a trial." 18 U.S.C. §§ 2705(a)(1)(A) and 2705(a)(2). The applicant must satisfy this standard anew each time an extension of the delayed notice is sought.

18.7.1.3.4.4.6 (U) *NATIONWIDE SCOPE*

(U) Federal court orders under 18 U.S.C. § 2703(d) have effect outside the district of the issuing court. Orders issued pursuant to 18 U.S.C. § 2703(d) may compel providers to disclose information even if the information is stored outside the district of the issuing court. See 18 U.S.C. § 2703(d) ("any court that is a court of competent jurisdiction" may issue a 18 U.S.C. § 2703[d] order); 18 U.S.C. § 2711(3) (court of competent jurisdiction includes any federal court having jurisdiction over the offense being investigated without geographic limitation).

(U) 18 U.S.C. § 2703(d) orders may also be issued by state courts. See 18 U.S.C. §§ 2711(3), 3127(2)(B). Such orders issued by state courts, however, do not have effect outside the jurisdiction of the issuing state. See 18 U.S.C. §§ 2711(3).

18.7.1.3.4.4.7 (U) *COURT ORDER WITHOUT PRIOR NOTICE TO THE SUBSCRIBER OR CUSTOMER*

(U) A court order under 18 U.S.C. § 2703(d) may compel disclosure of:

- A) (U) All "record(s) or other information pertaining to a subscriber to or customer of such service (not including the contents of communications [held by providers of electronic communications service and remote computing service])," and
- B) (U) Basic subscriber information that can be obtained using a subpoena without notice. 18 U.S.C. § 2703(c)(1).

18.7.1.4 (U) *APPROVAL REQUIREMENTS FOR INVESTIGATIVE METHOD*

- A) (U//~~FOUO~~) ***Search warrants issued under authority of FRCP Rule 41:*** A warrant to search is issued by a federal magistrate (or a state court judge if a federal magistrate is not reasonably available). Coordination with the USAO or DOJ is required to obtain the warrant.
- B) (U//~~FOUO~~) ***FISA:*** In national security investigations, field office requests for FISA authorized physical searches must be submitted to FBIHQ using the FBI FISA Request Form. Field office requests for FISA approval are tracked through  This form should be completed by the case agent.
- C) (U//~~FOUO~~) ***Sensitive Investigative Matters (SIM):*** Notice to the appropriate FBIHQ operational Unit Chief and Section Chief is required if the matter under investigation

#### 18.7.1.5 (U) DURATION OF APPROVAL

(U) The duration for the execution of a warrant is established by the court order or warrant.

#### 18.7.1.6 (U) SPECIFIC PROCEDURES

##### 18.7.1.6.1 (U) OBTAINING A WARRANT UNDER FRCP RULE 41

###### 18.7.1.6.1.1 (U) PROBABLE CAUSE

(U//~~FOUO~~) After receiving an affidavit or other information, a magistrate judge or a judge of a state court of record must issue the warrant if there is probable cause to search for and seize a person or property under FRCP Rule 41(c). Probable cause exists where “the facts and circumstances within the FBI employee’s knowledge, and of which they had reasonably trustworthy information are sufficient in themselves to warrant a person of reasonable caution in the belief that...” a crime has been or is being committed, and that sizable property can be found at the place or on the person to be searched. Probable cause is a reasonable belief grounded on facts. In judging whether a reasonable belief exists, the test is whether such a belief would be engendered in a prudent person with the officer’s training and experience. To establish probable cause, the affiant must demonstrate a basis for knowledge and belief that the facts are true and that there is probable cause to believe the items listed in the affidavit will be found at the place to be searched.

###### 18.7.1.6.1.2 (U) REQUESTING A WARRANT IN THE PRESENCE OF A JUDGE

- A) (U) **Warrant on an Affidavit:** When a federal law enforcement officer or an attorney for the government presents an affidavit in support of a warrant, the judge may require the affiant to appear personally and may examine under oath the affiant and any witness the affiant produces.
- B) (U) **Warrant on Sworn Testimony:** The judge may wholly or partially dispense with a written affidavit and base a warrant on sworn testimony if doing so is reasonable under the circumstances.
- C) (U) **Recording Testimony:** Testimony taken in support of a warrant must be recorded by a court reporter or by a suitable recording device, and the judge must file the transcript or recording with the clerk, along with any affidavit.

**18.7.1.6.1.3 (U) REQUESTING A WARRANT BY TELEPHONIC OR OTHER MEANS**

- A) (U) **In General**: A magistrate judge may issue a warrant based on information communicated by telephone or other appropriate means, including facsimile transmission.
- B) (U) **Recording Testimony**: Upon learning that an applicant is requesting a warrant, a magistrate judge must: (i) place under oath the applicant and any person on whose testimony the application is based; and (ii) make a verbatim record of the conversation with a suitable recording device, if available, or by a court reporter, or in writing.
- C) (U) **Certifying Testimony**: The magistrate judge must have any recording or court reporter's notes transcribed, certify the transcription's accuracy, and file a copy of the record and the transcription with the clerk. Any written verbatim record must be signed by the magistrate judge and filed with the clerk.
- D) (U) **Suppression Limited**: Absent a finding of bad faith, evidence obtained from a warrant issued under FRCP Rule 41(d)(3)(A) is not subject to suppression on the ground that issuing the warrant in that manner was unreasonable under the circumstances.

**18.7.1.6.1.4 (U) ISSUING THE WARRANT**

(U) In general, the magistrate judge or a judge of a state court of record must issue the warrant to an officer authorized to execute it. The warrant must identify the person or property to be searched, identify any person or property to be seized, and designate the magistrate judge to whom it must be returned. The warrant must command the officer to: (i) execute the warrant within a specified time no longer than 14 days; (ii) execute the warrant during the daytime, unless the judge for good cause expressly authorizes execution at another time; and (iii) return the warrant to the magistrate judge designated in the warrant.

**18.7.1.6.1.5 (U) WARRANT BY TELEPHONIC OR OTHER MEANS**

- (U) If a magistrate judge decides to proceed under FRCP Rule 41(d)(3)(A), the following additional procedures apply:
- A) (U) **Preparing a Proposed Duplicate Original Warrant**: The applicant must prepare a "proposed duplicate original warrant" and must read or otherwise transmit the contents of that document verbatim to the magistrate judge.
- B) (U) **Preparing an Original Warrant**: The magistrate judge must enter the contents of the proposed duplicate original warrant into an original warrant.
- C) (U) **Modifications**: The magistrate judge may direct the applicant to modify the proposed duplicate original warrant. In that case, the judge must also modify the original warrant.
- D) (U) **Signing the Original Warrant and the Duplicate Original Warrant**: Upon determining to issue the warrant, the magistrate judge must immediately sign the original warrant, enter on its face the exact time it is issued, and direct the applicant to sign the judge's name on the duplicate original warrant.

**18.7.1.6.1.6 (U) WRITTEN OPERATION ORDERS FOR SEARCH OPERATIONS**

(U) The ADIC/SAC is responsible to ensure that careful and thorough planning is conducted for the successful execution of a high risk search operation involving a potentially dangerous situation or subject. The plan must be adapted to each situation and must include relevant details to enhance the safety and effectiveness of the agents and

§18

officers involved in the search operation. The planning and execution of arrests, raids, and searches should be assigned to experienced Agents. All plans must be approved by ASACs or their designees.

(U) Prior to conducting a search operation deemed a high risk, the agent must prepare a written operation order (OPORDER) to include the five critical categories: Situation, Mission, Execution, Administration and Equipment, and Control and Communication (SMEAC), and must utilize the Law Enforcement Operations Order (OPORDER), FD-888. In situations where an FBI SWAT Team(s) or the Critical Incident Response Group's (CIRG), Tactical Section is involved, the Operations Order Template must be used in lieu of the FD-888. See the [REDACTED] and [REDACTED] for more on the use of the SWAT Teams and CIRG, Tactical Section in high risk operations.

b7E

(U) The written OPORDER must be presented in an oral briefing to all personnel involved in the execution of the search warrant prior to the operation. During the briefing, the briefing agent should stress to the participants of the operation that the search has the potential to become dangerous. At the discretion of the field office approving official, the CDC/ADC may review the OPORDER (FD-888) and/or participate in providing the FBI deadly force briefing to the search operation participants.

(U) Exigent circumstances (i.e., emergency, pressing necessity requiring immediate action) may necessitate an oral briefing in lieu of the written OPORDER. The ASAC or designee must approve the use of an oral briefing in lieu of a written and approved OPORDER in exigent circumstances. An oral briefing must follow the requirements of a written OPORDER to address the SMEAC categories identified above. Documentation of the oral briefing must occur as soon as possible following the operation by preparing and filing the FD-888 or the Operations Order Template, whichever is appropriate for the situation.

(U) The agent may consider utilizing, and/or alerting local authorities to the planned search, if appropriate under the circumstances. Although the time of notification is left to the discretion of the agent, he/she must consider the jurisdiction of local law enforcement, its responsibility to its community and its need to be aware of law enforcement actions in its jurisdiction.

#### 18.7.1.6.1.7 (U) EXECUTING AND RETURNING THE WARRANT

- A) (U) ***Noting the Time:*** The officer executing the warrant must enter on its face the exact date and time it is executed.
- B) (U) ***Inventory:*** An officer present during the execution of the warrant must prepare and verify an inventory of any property seized. The officer must do so in the presence of another officer and the person from whom, or from whose premises, the property was taken. If either one is not present, the officer must prepare and verify the inventory in the presence of at least one other credible person.
- C) (U) ***Receipt:*** The officer executing the warrant must: (i) give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken; or (ii) leave a copy of the warrant and receipt at the place where the officer took the property.

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

- D) (U) ***Return:*** The officer executing the warrant must promptly return it — together with a copy of the inventory — to the magistrate judge designated on the warrant. The judge must, on request, give a copy of the inventory to the person from whom, or from whose premises, the property was taken and to the applicant for the warrant.

#### 18.7.1.6.1.8 (U) FORWARDING PAPERS TO THE CLERK

- (U) The magistrate judge to whom the warrant is returned must attach to the warrant a copy of the return, the inventory, and all other related papers and must deliver them to the clerk in the district where the property was seized. (FRCP Rule 41)

#### 18.7.1.6.1.9 (U) WARRANT FOR A TRACKING DEVICE

- A) (U) ***Noting the Time:*** The officer executing a tracking device warrant must enter on it the exact date and time the device was installed and the period during which it was used.
- B) (U) ***Return:*** Within 10 calendar days after the use of the tracking device has ended, the officer executing the warrant must return it to the judge designated in the warrant.
- C) (U) ***Service:*** Within 10 calendar days after use of the tracking device has ended, the officer executing the warrant must serve a copy of the warrant on the person who was tracked. Service may be accomplished by delivering a copy to the person who, or whose property was tracked; or by leaving a copy at the person's residence or usual place of abode with an individual of suitable age and discretion who resides at that location and by mailing a copy to the person's last known address. Upon request of the government, the judge may delay notice as provided in FRCP Rule 41(f)(3).

#### 18.7.1.6.1.10 (U) DELAYED NOTICE

- (U) Upon the government's request, a magistrate judge—or if authorized by FRCP Rule 41(b), a judge of a state court of record—may delay any notice required by FRCP Rule 41 if the delay is authorized by statute.

#### 18.7.1.6.2 (U) OBTAINING A FISA WARRANT

- (U) Applications for court-authorized physical search pursuant to FISA must be made by a federal officer in writing upon oath or affirmation and with the specific approval of the Attorney General. (See 50 U.S.C. § 1823).

#### 18.7.1.6.2.1 (U) CERTIFICATE BY THE DIRECTOR OF THE FBI

- (U) Each FISA application must be accompanied by a Certification by the Director of the FBI or one of nine other individuals authorized by Congress or the President to provide such certifications that: the information being sought is foreign intelligence information; that a significant purpose of the search is to obtain foreign intelligence information; that such information cannot reasonably be obtained by normal investigative techniques; that the information sought is "foreign intelligence information" as defined by FISA. The certification must include a statement explaining the certifier's basis for the certification.

- (U) 50 U.S.C. § 1823 specifies the Assistant to the President for National Security Affairs; E.O. 12139 as amended by E.O. 13383 specifies the Director of the FBI, Deputy Director of the FBI, the Director of National Intelligence, the Principal Deputy Director of National Intelligence, the Director of the Central Intelligence Agency, the Secretary of State, the Deputy Secretary of State, the Secretary of Defense, and the Deputy Secretary

of Defense as appropriate officials to make certifications required by FISA. The FBI Director has represented to Congress that the FBI deputy Director will only certify FISA's when the FBI Director is not available to do so.

#### 18.7.1.6.2.2 (U) LENGTH OF PERIOD OF AUTHORIZATION FOR FISC ORDERS

(U) Generally, a FISC Order approving an unconsented physical search will specify the period of time during which physical searches are approved and provide that the government will be permitted the period of time necessary to achieve the purpose, or for 90 days, whichever is less, except that authority may be:

- A) (U) For no more than one year for "Foreign Power" targets (establishments); or
- B) (U) For no more than 120 days for a non-USPER agent of a foreign power, with renewals for up to one.

#### 18.7.1.6.2.3 (U) EXTENSION OF PHYSICAL SEARCH AUTHORITY

(U//~~FOUO~~) An extension of physical search authority may be granted on the same basis as the original order upon a separate application for an extension and upon new findings made in the same manner as the original order.

#### 18.7.1.6.2.4 (U) EMERGENCY FISA AUTHORITY

- A) (U) The Attorney General may authorize an emergency physical search under FISA when he reasonably makes a determination that an emergency situation exists that precludes advance FISA court review and approval, and there exists a factual predication for the issuance of a FISA Court Order. In such instances, a FISC judge must be informed by the Attorney General or his designee at the time of the authorization and an application according to FISA requirements is submitted to the judge as soon as is practicable but not more than seven (7) days after the emergency authority has been approved by the Attorney General.
- B) (U) If a court order is denied after an emergency authorization has been initiated, no information gathered as a result of the search may be used in any manner except if with the approval of the Attorney General, the information indicates a threat of death or serious bodily harm to any person.
- C) (U//~~FOUO~~) For an emergency FISA for physical search,

b7E

#### 18.7.1.6.2.5 (U) SPECIAL CIRCUMSTANCES

(U) The President through the Attorney General may also authorize a physical search under FISA without a court order for periods of up to one year, if the Attorney General certifies that the search will be solely directed at premises, information, material, or property that is used exclusively by or under the open and exclusive control of a foreign power; there is no substantial likelihood that the physical search will involve the premises, information, material, or property of a United States person (USPER); and there are minimization procedures that have been reported to the court and Congress. The FBI's involvement in such approvals is usually in furtherance of activities pursued according to E.O. 12333. Copies of such certifications are to be transmitted to the FISA Court. See 50 U.S.C. § 1822[a].

§18

(U) Information concerning USPERs acquired through unconsented physical searches may only be used according to minimization procedures. See: 50 U.S.C. §§ 1824(d)(4) and 1825(a).

**18.7.1.6.2.6 (U) REQUIRED NOTICE**

(U) If an authorized search involves the premises of an USPER, and the Attorney General determines that there is no national security interest in continuing the secrecy of the search, the Attorney General must provide notice to the USPER that the premises was searched and the identification of any property seized, altered, or reproduced during the search.

**18.7.2 (U) INVESTIGATIVE METHOD: ELECTRONIC SURVEILLANCE – TITLE III**

**18.7.2.1 (U) SUMMARY**

(U//~~FOUO~~) Electronic Surveillance (ELSUR) under Title III is a valuable investigative method. It is, also, a very intrusive means of acquiring information relevant to the effective execution of the FBI’s law enforcement. To ensure that due consideration is given to the competing interests between law enforcement and the effect on privacy and civil liberties, this section contains various administrative and management controls beyond those imposed by statute and DOJ guidelines. Unless otherwise noted, it is the responsibility of the case agent and his/her supervisor to ensure compliance with these instructions. [REDACTED]

b7E

[REDACTED] Title III ELSUR requires: (i) administrative or judicial authorization prior to its use; (ii) contact with the field office ELSUR Technician to coordinate all necessary recordkeeping; and (iii) consultation with the Technical Advisor (TA) or a designated TTA to determine feasibility, applicability, and use of the appropriate equipment.

**(U//~~FOUO~~) Application:**

[REDACTED]

**18.7.2.2 (U) LEGAL AUTHORITY**

(U) Title III ELSUR is authorized by chapter 119, 18 U.S.C. §§ 2510-2522 (Title III of the Omnibus and Safe Streets Act of 1968).

**18.7.2.3 (U) DEFINITION OF INVESTIGATIVE METHOD**

(U) Title III ELSUR is the non-consensual electronic collection of information (usually communications) under circumstances in which the parties have a reasonable expectation of privacy and court orders or warrants are required.

**18.7.2.4 (U) TITLE III GENERALLY**

(U) With the prior approval of the Attorney General, or Attorney General’s designee, the United States Attorney, by and through an AUSA, or the Strike Force Attorney, may apply to a federal judge for a court order authorizing the interception of wire, oral, or electronic communications relating to one or more of the offenses listed in Title III (18 U.S.C. § 2516). Judicial oversight continues throughout the operational phase of the electronic surveillance including the installation, monitoring, and handling of recording media.

(U) For purposes of obtaining review and approval for use of the method, Title III applications are considered to be either “sensitive” or “non-sensitive.” The requirements for each are set forth below.

**18.7.2.5 (U) STANDARDS FOR USE AND APPROVAL REQUIREMENTS FOR NON-SENSITIVE TITLE IIIS**

(U//~~FOUO~~) An SAC is the authorizing official to approve all requests for “non-sensitive” Title III orders, including original, extension, and renewal applications. SAC approval of all

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

extensions and renewals is required to ensure that field office managers will allocate the resources necessary to use this method. Any delegation of SAC approval authority to an ASAC under this section must be in writing (See DIOG Section 3.4.3).

(U//~~FOUO~~) Prior to SAC approval referred to above, CDC or OGC review is required for the initial “non-sensitive” Title III order. Extensions and renewals sought within 30 days after the expiration of the original Title III order in non-sensitive Title IIIs do not require CDC review, unless requested by the SAC or designee. The CDC must review renewals sought more than 30 days after the expiration of the original Title III order.

(U//~~FOUO~~) There may be situations or unusual circumstances requiring the FBI to adopt an already existing Title III from another federal law enforcement agency. Such adoptions may only be done on a case-by-case basis, in exceptional circumstances, and subject to the requirements set forth herein relating to CDC review and SAC approval. Should the Title III proposed for adoption involve sensitive circumstances, it must also be handled in accordance with the approval and review requirements set forth below.

#### 18.7.2.6 (U) STANDARDS FOR USE AND APPROVAL REQUIREMENTS FOR SENSITIVE TITLE IIIs

(U//~~FOUO~~) All Title III applications involving one of the seven “sensitive circumstances,” listed below, including all extensions and renewals, must be reviewed by OGC and approved by FBIHQ. The SAC, with the recommendation of the CDC, must determine whether the request involves sensitive circumstances. The term “sensitive circumstances” as used in this section relating to electronic surveillance under Title III is different from the term “sensitive investigative matters,” as used in conjunction with approval requirements for opening Assessments and Predicated Investigations, and is different from the term “sensitive monitoring circumstances” as used in conjunction with the approval requirements for consensual monitoring.

(U//~~FOUO~~) The field office must include a copy of the completed CDC checklist (FD-926) when forwarding the initial sensitive Title III applications to OGC and FBIHQ for review. After the initial submission, the CDC checklist must be completed by the appropriate OGC unit for all subsequent extensions or renewals of sensitive Title IIIs.

(U//~~FOUO~~) Although ultimate approval for sensitive Title IIIs is at the FBIHQ level, the SAC or ASAC must continue to review and approve the use of the method for all sensitive Title III applications as it relates to the allocation of resources within their field office.

(U//~~FOUO~~) The following five sensitive circumstances require the approval of a Deputy Assistant Director (DAD) or a higher level official from the Criminal Investigative Division (CID), Cyber Division, Counterterrorism Division (CTD), Weapons of Mass Destruction Directorate (WMDD), or Counterintelligence Division (CD), as appropriate, and such approvals must be documented in an EC:

- A) (U//~~FOUO~~) Significant privilege issues or First Amendment concerns (e.g., attorney-client privilege or other privileged conversations or interception of news media representatives);
- B) (U//~~FOUO~~) Significant privacy concerns are anticipated (e.g., placing a microphone in a bedroom or bathroom);

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

- C) (U//~~FOUO~~) Application is based on “relaxed specificity” (i.e., “roving” interception) under 18 U.S.C. § 2518(11)(a) and (b);
- D) (U//~~FOUO~~) Application concerns a Domestic Terrorism (DT), International Terrorism, or Espionage investigation; or
- E) (U//~~FOUO~~) Any situation deemed appropriate by the AD of CID or OGC.

(U//~~FOUO~~) The following two sensitive circumstances require the approval of the Director, the Acting Director, Deputy Director, or the Executive Assistant Director (EAD) for the Criminal Cyber Response and Services Branch or National Security Branch, or the respective Assistant Director for Criminal Investigative Division (CID), Cyber Division, Counterterrorism Division (CTD), Weapons of Mass Destruction Directorate (WMDD), or Counterintelligence Division (CD), and such approvals must be documented in an EC:

- A) (U//~~FOUO~~) "Emergency" Title III interceptions (i.e., interceptions conducted prior to judicial approval under 18 U.S.C. § 2518(7)); or
- B) (U//~~FOUO~~) It is anticipated that conversations of members of Congress, federal judges, high-level federal officials, high-level state executives, or members of a state judiciary or legislature will be intercepted.

(U//~~FOUO~~) “Sensitive circumstances” may develop at any point in time during the course of a Title III. For example, while an initial application for interceptions might not be considered sensitive, conversations intercepted thereafter of a high-level state executive would render any subsequent spinoffs, extensions, or renewals “sensitive” Title III requests.

**18.7.2.7 (U) PROCEDURES FOR EMERGENCY TITLE III INTERCEPTIONS**

(U//~~FOUO~~) 18 U.S.C. § 2518(7) provides that any investigative or law enforcement officer, specially designated by the Attorney General, Deputy Attorney General, or the Associate Attorney General, who reasonably determines that an emergency situation exists that requires communications to be intercepted before an order authorizing such interception can, with due diligence, be obtained, and there are grounds upon which an order could be entered authorizing interception, may intercept such communications.

(U//~~FOUO~~) Section 2518(7) postpones, rather than eliminates the need for judicial authorization. If the Attorney General, Deputy Attorney General, or the Associate Attorney General authorizes an appropriate FBI official to approve an emergency Title III interception, an after-the-fact application for an order approving the interception must be made in accordance with Title III to the appropriate Court, and an order obtained, within 48 hours after the interception has occurred or begins to occur.

(U) 18 U.S.C. § 2518(7) defines an emergency situation as one involving:

- A) (U) immediate danger of death or serious physical injury to any person,
- B) (U) conspiratorial activities threatening the national security interest, or
- C) (U) conspiratorial activities characteristic of organized crime.

(U//~~FOUO~~) In all but the most unusual circumstances, the only situations likely to constitute an emergency by the Department of Justice (DOJ) are those involving an imminent threat to life, e.g., a kidnapping, hostage taking, or imminent terrorist activity.

18.7.2.7.2 (U) *POST-EMERGENCY AUTHORIZATION*

(U//~~FOUO~~) Once the AG or his designee has authorized the Director, or his designee to make the determination whether to proceed with the emergency Title III, the government has 48 hours (including weekends and holidays) from the time the AG granted authorization to apply for a court order approving the interception. The field office, in coordination with the AUSA, must immediately begin preparing an affidavit, application and proposed order for court authorization.

(U//~~FOUO~~) The affidavit in support of the after-the-fact application to the court for an order approving the emergency interception must contain only those facts known to the AG or his designee at the time the emergency interception was approved. The application must be accompanied by the  form, which must reflect the date and time of the emergency authorization.

b7E

(U//~~FOUO~~) The government may also request, at the time it files for court-authorization for the emergency, court-authorization to continue the interception beyond the initial 48 hour period. If continued authorization is sought at the same time, one affidavit may be submitted in support of both requests. However, the affidavit must clearly indicate what information was communicated to the AG or his designee at the time the emergency interception was approved and what information was developed thereafter. Two separate applications and proposed orders should be submitted to the court in this situation – one set for the emergency and one set for the extension. If continued interceptions are not being sought, no further authorization is needed from OEO. The AUSA should, however, still submit the application, affidavit, and order to OEO for review. If continued interceptions are sought, that application, affidavit, and order must be reviewed by OEO and approved by DOJ like any other Title III request. In either situation, the affidavit must also be submitted through the operational unit for OGC review, when time allows.

(U//~~FOUO~~) 

b7E

(U//~~FOUO~~) Pursuant to 18 U.S.C. § 2518(7), in the absence of a court order, interception shall immediately terminate when the communication sought is obtained or when the application for the order is denied, whichever is earlier. In the event an application for approval is denied, or in any other case where the interception is terminated without an order having been issued, the contents of any wire, oral, or electronic communication intercepted

shall be treated as having been obtained in violation of Title III, and an inventory shall be served on the person named in the application.

**18.7.2.8 (U) PRE-TITLE III ELECTRONIC SURVEILLANCE (ELSUR) SEARCH POLICY**

(U//~~FOUO~~) 18 U.S.C § 2518(1)(e) requires that each application for an order to intercept wire, oral, or electronic communications (hereinafter “Title III”) contain a statement describing all previous applications for Title III surveillance of the same persons, facilities, or places named in the current application. [Redacted]

b7E

[Redacted]

(U) For specific details on how to conduct and document such ELSUR searches, see DIOG Appendix H.

**18.7.2.9 (U) DURATION OF APPROVAL FOR TITLE III**

(U) Court orders issued pursuant to Title III are for a period not to exceed 30 days. An “extension” order may be sought to continue monitoring beyond the initial 30-day period without a lapse in time. When a break in coverage has occurred, a “renewal” order may be sought to continue monitoring the same interceptees and facilities identified in the original order. The affidavit and application in support of an extension or renewal must comply with all of the Title III requirements, including approval of the Attorney General or designee.

**18.7.2.10 (U) SPECIFIC PROCEDURES FOR TITLE III AFFIDAVITS**

(U//~~FOUO~~) The requirements in 18 U.S.C. § 2518 must be followed in the preparation of a Title III affidavit. The employee drafting the Title III affidavit and approving officials must consider the following requirements:

- A) (U//~~FOUO~~) The identity and qualifications of the affiant must be articulated;

§18

- B) (U//~~FOUO~~) For the interception of wire or oral communications, the affidavit must establish probable cause to believe a violation of at least one of the offenses enumerated in 18 U.S.C. § 2516(1) has been, is being, or will be committed. For the interception of electronic communications, the affidavit must establish probable cause to believe that some federal felony has been, is being, or will be committed;
- C) (U//~~FOUO~~) The affidavit must set forth the identities of those persons, if known, for whom there is probable cause to believe they are committing the alleged offenses, even if it is not believed they will be intercepted over the target facility. This group of individuals is often referred to as the "Subjects." "Interceptees" may be listed separately; "interceptee" are those Subjects who are expected to be intercepted;
- D) (U//~~FOUO~~) Probable cause must be current and relevant to the use of the particular facilities for which interception is sought;
- E) (U//~~FOUO~~) The necessity for the Title III must be articulated. There must be a factual basis for concluding that alternative investigative procedures have been tried and failed or a demonstration why these procedures appear to be unlikely to succeed or would be too dangerous if tried ("boilerplate" statements in this respect are unacceptable);
- F) (U//~~FOUO~~) Interceptions must be minimized, as statutorily required;
- G) (U//~~FOUO~~) The facility or premises to be intercepted must be described fully, including a diagram, if possible, if microphone installation is contemplated (surreptitious entries may not be conducted for the purpose of preparing a diagram); and
- H) (U//~~FOUO~~) A statement describing all previous applications for Title III surveillance of the same persons (both subjects and interceptees), facilities or places named in the current affidavit. To comply with this requirement, a "search," e.g., an automated indices search of the FBI's [REDACTED] system and the systems of other appropriate agencies, must be conducted prior to submitting the Title III affidavit to the DOJ OEO (non-sensitive circumstances) or to the responsible FBIHQ operational unit (sensitive circumstances). The squad SSA is responsible for verifying that pre-Title III ELSUR checks have been completed before the affidavit is sent to the court. The ELSUR Operations Technician (EOT) and the ELSUR supervisor are responsible for confirming that ELSUR searches were properly conducted as set forth in the final application submitted to the court.

b7E

(U//~~FOUO~~) Note: When drafting the Title III Affidavit, the agent must determine whether the proposed Title III intercept involves any of the DOJ-designated seven "sensitive circumstances" listed in DIOG Section 18.7.2.6. If the proposed Title III will involve one or more of the seven "sensitive circumstances," the agent must consult with the assigned AUSA to determine how the "sensitive circumstance(s)" will be addressed and how/when the federal judge will be notified.

(U//~~FOUO~~) Note: It is also recommended that the application include how the FBI will address any sensitive circumstances as listed in DIOG Section 18.7.2.6, if they exist.

(U//~~FOUO~~) At least 10 calendar days prior to submitting the original Title III request to DOJ OEO, the field office must forward an electronic communication to FBIHQ setting forth by separate subheading: a synopsis of the investigation; the priority of the investigation within the office; the anticipated manpower and/or linguistic requirements and outside support, if any, that will be needed; a synopsis of the probable cause supporting the Title III application; the prosecutive opinion of the USAO; and description of the interceptees. If a field office is unable to submit the EC 10 calendar days prior to submitting the request to DOJ OEO, the

**18.7.3 (U) INVESTIGATIVE METHOD: ELECTRONIC SURVEILLANCE – FISA AND FISA TITLE VII (ACQUISITION OF FOREIGN INTELLIGENCE INFORMATION)**

**18.7.3.1 (U) SUMMARY**

(U//~~FOUO~~) ELSUR conducted pursuant to the Foreign Intelligence Surveillance Act (FISA) is a valuable investigative method. It is, also, a very intrusive means of acquiring information relevant to the effective execution of the FBI’s national security and intelligence missions. To ensure that due consideration is given to the competing interests between national security and the effect on privacy and civil liberties, this section contains various administrative and management controls beyond those imposed by statute and DOJ guidelines. Unless otherwise noted, it is the responsibility of the case agent and his/her supervisor to ensure compliance with these instructions. FISA ELSUR is only authorized as an investigative method in the conduct of Full Investigations. FISA ELSUR requires administrative or judicial authorization prior to its use.

**18.7.3.2.2 (U) DEFINITION OF INVESTIGATIVE METHOD**

(U) FISA is the non-consensual electronic collection of information (usually communications) under circumstances in which the parties have a reasonable expectation of privacy and court orders or warrants are required.

**18.7.3.2.3 (U) STANDARDS FOR USE AND APPROVAL REQUIREMENTS FOR FISA****18.7.3.2.3.1 (U) FISA REQUEST FORM**

(U//~~FOUO~~) FBIHQ and field office requests for FISC ELSUR orders must use the FISA Request Form. Field office requests for FISA orders are submitted and tracked through [REDACTED]. The FISA request forms, in a question and answer format, have been designed to ensure that all information needed for the preparation of a FISC application is provided to FBIHQ and to the DOJ.

b7E

(U//~~FOUO~~) See [REDACTED] for additional guidance.

**18.7.3.2.3.2 (U) CERTIFICATE BY THE DIRECTOR OF THE FBI**

(U) Each FISA application must be accompanied by a Certification by the Director of the FBI or one of nine other individuals authorized by Congress or the President to provide such certifications that: the information being sought is foreign intelligence information; that a significant purpose of the electronic surveillance is to obtain foreign intelligence information; that such information cannot reasonably be obtained by normal investigative techniques; that the information sought is "foreign intelligence information" as defined by FISA. The certification must include a statement explaining the certifier's basis for the certification.

(U) Title 50 of the United States Code Section 1804 specifies the Assistant to the President for National Security Affairs; E.O. 12139 as amended by E.O. 13383 specifies the Director of the FBI, Deputy Director of the FBI, the Director of National Intelligence, the Principal Deputy Director of National Intelligence, the Director of the Central Intelligence Agency, the Secretary of State, the Deputy Secretary of State, the Secretary of Defense, and the Deputy Secretary of Defense as appropriate officials to make certifications required by FISA. The FBI Director has represented to Congress that the FBI Deputy Director will only certify FISA's when the FBI Director is not available to do so.

**18.7.3.2.3.3 (U) EMERGENCY FISA AUTHORITY (50 U.S.C. § 1805[F])**

(U) The Attorney General, on request from the Director of the FBI or his/her designee, may authorize an emergency FISA for electronic surveillance when it is reasonably determined that an emergency situation exists that precludes advance FISC review and approval and that a factual predication for the issuance of a FISA Order exists. A FISC judge must be informed by DOJ at the time of the emergency authorization and an application must be submitted to that judge as soon as is practicable but not more than seven (7) days after the emergency authority has been approved by the Attorney General. If a court order is denied after an emergency surveillance has been opened, no information gathered as a result of the surveillance may be used as evidence or disclosed

18.7.3.3 (U) **FISA TITLE VII (ACQUISITION OF FOREIGN INTELLIGENCE INFORMATION)**18.7.3.3.1 (U) **SUMMARY**

(U) Titles I and III of the FISA (codified as 50 U.S.C. §§ 1801, et seq.) provide the standard, traditional methods of collection against agents of foreign powers (including USPERs and non-USPERs) and foreign establishments inside the United States. Title VII of FISA, “Additional Procedures Regarding Certain Persons Outside the United States,” provides the means to target non-USPERs reasonably believed to be located outside the United States.

(U//~~FOUO~~) See requirements under DIOG Sections 18.7.1, 18.7.2, and 18.7.3 above.

18.7.3.3.6 (U//~~FOUO~~) **SPECIFIC COLLECTION PROCEDURES FOR TITLE VII**

(U) The relevant procedures (or collections) under Title VII are:

18.7.3.3.6.1 (U) **SECTION 702 - PROCEDURES FOR TARGETING NON-U.S.****PERSONS (NON-USPERs) WHO ARE OUTSIDE THE UNITED STATES**

(U//~~FOUO~~) Under Section 702, the Government has the authority to target non-USPERs who are located outside the United States if the collection is effected with the assistance of an electronic communication service provider, as that term is defined in FISA. This section does not require a traditional FISA request. Rather, under this section, the Attorney General and the Director of National Intelligence may authorize, for periods of up to one year, the targeting of non-United States persons reasonably believed to be located outside the United States to acquire foreign intelligence information, provided they execute a Certification that is submitted to and approved by the FISC. The Certifications are accompanied by an affidavit signed by the FBI Director. In addition, the FBI is required to file "Targeting Procedures" that ensure that only non-U.S. persons (non-USPERs) reasonably believed to be located outside the United States will be targeted for collection and "to prevent the intentional acquisition of any communications as to which the sender and all intended recipients are known at the time of the acquisition to be located in the United States." Additionally, the statute prohibits targeting any person reasonably believed to be located outside the United States for the purpose of obtaining

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

the communications of a particular, known person reasonably believed to be in the United States. Finally, the FBI is also required to follow 702-specific minimization procedures.

**18.7.3.3.6.2 (U) SECTION 703 - CERTAIN ACQUISITIONS INSIDE THE UNITED STATES TARGETING UNITED STATES PERSONS OUTSIDE THE UNITED STATES**

(U/~~FOUO~~) Under Section 703, the Government has the authority to target USPERs who are reasonably believed to be located outside the United States if the collection is effected with the assistance of a United States provider and if the collection occurs inside the United States. This section only authorizes electronic surveillance or the acquisition of stored electronic communications or stored electronic data that requires a court order, e.g., non-consensual collection. FISA 703 is an alternative to traditional FISA electronic surveillance (Title I) or physical search (Title III) authority when the facts meet the 703 criteria. There are two notable differences between Section 703 and traditional FISA authorities. First, although the application must identify any electronic communication service provider necessary to effect the acquisition, the application is not required to identify the specific facilities, places, premises, or property at which the acquisition will be directed. Second, Section 703 allows for the targeting of a USPER who is “an officer or employee of a foreign power,” even if the target is not knowingly engaging in clandestine intelligence gathering activities, sabotage, or international terrorism. To obtain authority to collect information under this section, the FBI must submit a FISA request and obtain a FISC order and secondary orders, as needed. The process to obtain that order is the same as the standard FISA process. Refer to the FISA Unit's website for further information. Section 703 also allows for emergency authorization. Unlike traditional FISA orders, however, surveillance authorized pursuant to this section must cease immediately if the target enters the United States. If the FBI wishes to continue surveillance of the USPER while he or she is in the United States, the FBI must obtain a separate court order under Title I (electronic surveillance) and/or Title III (physical search) of FISA in order to conduct electronic surveillance or a physical search of that USPER while the person is located in the United States. The use of any information collected using FISA 703 authority must comply with the applicable minimization procedures.

**18.7.3.3.6.3 (U) SECTION 704 - OTHER ACQUISITIONS TARGETING UNITED STATES PERSONS OUTSIDE THE UNITED STATES**

(U/~~FOUO~~) Under Section 704, the Government has the authority to target USPERs who are reasonably believed to be located outside the United States if the collection occurs outside the United States (i.e. without the assistance of a United States’ electronic communication service provider). The statute requires that the FISA court issue an order finding probable cause to believe that the USPER target is a foreign power, an agent of a foreign power, or an officer or employee of a foreign power and is reasonably believed to be located outside the United States “under circumstances in which the targeted United States person has a reasonable expectation of privacy and a warrant would be required if the acquisition were conducted in the United States for law enforcement purposes.” To obtain authority to collect information under this section, the FBI must submit a FISA request and obtain a FISC order (the order will not include secondary orders). The

UNCLASSIFIED – ~~FOR OFFICIAL USE ONLY~~

Domestic Investigations and Operations Guide

§18

process to obtain a FISA 704 order is similar to, but more streamlined than, that for obtaining a traditional FISA under the standard FISA process. There are two notable differences between Section 704 and traditional FISA authorities. First, the application is not required to identify the specific facilities, places, premises, or property at which the acquisition will be directed. Second, Section 704 allows for the targeting of “an officer or employee of a foreign power” even if the target is not knowingly engaging in clandestine intelligence gathering activities, sabotage, or international terrorism. Refer to the FISA Unit’s intranet website for further information. Section 704 also allows for emergency authorization. Unlike traditional FISA orders, however, surveillance authorized pursuant to this section must cease if the USPER enters the United States but may be re-started if the person is again reasonably believed to be outside the United States during the authorized period of surveillance. If there is a need to continue surveillance while the target is located inside the United States a separate court order must be obtained. The use of any information collected using FISA 704 authority must comply with the applicable minimization procedures.

(U//~~FOUO~~)

b7E

#### 18.7.3.3.6.4 (U) SECTION 705 - JOINT APPLICATIONS AND CONCURRENT AUTHORIZATIONS

(U//~~FOUO~~) Section 705(a) “joint applications” allow the FISC, upon request of the FBI, to approve a joint application targeting an USPER under both Sections 703 and 704 (authority to collect both when the facilities are located inside and outside the United States).

(U//~~FOUO~~) Section 705(b) provides that if an order has been obtained under Section 105 (electronic surveillance under Title I of FISA) or 304 (physical search under Title III of FISA), the Attorney General may authorize the targeting of the USPER target while such person is reasonably believed to be located outside the United States. The Attorney General has this authority under E.O. 12333 § 2.5. In other words, when the FISA Court authorizes surveillance of an USPER target, the Attorney General, under Section 705(b) and E.O 12333 § 2.5, can simultaneously authorize surveillance to continue if the target travels outside the United States during the authorized period of the surveillance. According to Section 705(b), there is no need for a separate order pursuant to Section 703 or 704. During the FISA drafting process, an FBI employee should determine whether surveillance or physical search may occur for purpose of acquiring foreign intelligence while the person is reasonably believed to be outside the United States. If so, the FBI employee should consult with an OGC or DOJ-NSD attorney to ensure that appropriate language is added to the application.
