Misc. Action No. 19-0032 (ABJ)

JOINT MOTION FOR EXTENSION OF TIME

The United States of America and Paul Manafort respectfully submit this joint motion for an extension of time in which to respond to the Court's minute order of January 6, 2020. In support of this motion, the parties state the following:

The Court directed that the government and Mr. Manafort "submit a joint filing by March 6, 2020, identifying any records requested by the petitioner that can be unredacted in part or entirely, setting forth the basis for any continued redactions, and describing any points of disagreement between the government and Paul Manafort on these matters." 1/6/2020 Minute Order.

The government and counsel for Mr. Manafort have been in communication and have been reviewing the records at issue to determine which redactions can be removed. In addition, counsel for the government has been in consultation with other components of the Department of Justice regarding the same. These processes are ongoing and time consuming.

Therefore, the government and Mr. Manafort respectfully request that this Court grant an extension of time of 60 days to submit the joint filing to the Court identifying records that can be

lesser or entirely redacted, and describing any points of disagreement between the parties on these matters.

Respectfully submitted,
