Privileged and Confidential

@Purnima Kochikar message history for chat in rooms is officially "Always on and retained according to your organization's policy". In our case, messages appear to persist for at least 2+ years as my GC team channel has messages from July 2018.

Privileged and Confidential +Tia Arzu for guidance

Hi Leads - a couple of updates on the policy front

one, the payment policy clarification is further delayed until Sundar has the opportunity to review our readiness plans in a bit more detail.

two, we are actively working on our response to the Fortnite situation, and will keep you posted.

I also heard that the conversations in Rooms on Meet remain in perpetuity so please don't discuss either topics in Rooms. (could someone please confirm that this is the case?)
