Subject: RE: US v. Google (1:20-cv-03010) - Expert Witness Order & Timing

[EXTERNAL]

Ms. Swaminathan—

I am writing to update the U.S. Plaintiffs' response to the Court's request to be kept abreast of the expected order and timing of expert testimony which we communicated initially in my August 19 email below. The two changes are that we will not be calling Michael Davies or Christine Hammer this coming week as previously disclosed. We now do not expect to call Mr. Davies during our case-in-chief, and we are not calling Ms. Hammer this week due to health-related reasons and are working to reschedule.

As a result, the weeks identified below are the earliest that an expert witness may appear on behalf of U.S. Plaintiffs:

U.S. Plaintiffs' Case-in-chief

1. **Sept. 18-22, 2023:** No expert witnesses
1. **Sept. 26-28, 2023:** Kinshuk Jerath (marketing expert)
 1. TBD – Christine Hammer (accounting expert) (could also be the following week)
1. **Oct. 2-6, 2023:** Michael D. Whinston (economics expert)

U.S. Plaintiffs' Rebuttal Case

1. **TBD**
 - o Douglas Oard (information retrieval expert) (responding to Google's experts on scale and fact witnesses on scale)

- o Michael A. M. Davies (handset & wireless industry expert) (responding to fact witnesses on OEM and carrier options)
- o Kirsten Martin (privacy expert) (responding to Google's privacy expert)
- o Michael D. Whinston (economics expert) (responding to Google's economic experts)

Have a good day.

Matthew
